Reaching the Heart of Leadership Avis Glaze,2017-08-15 Refine your leadership effectiveness and expand your leadership legacy Whether you re an aspiring leader or you consider yourself a veteran searching for a fresh perspective leadership in an age of disruption high expectations and exploding demands is challenging In addition to wise applications of power this small yet robust book focuses on the duty leaders face to forge and strengthen bonds of trust and further the school improvement agenda Designed to ignite your intellectual curiosity the author coaches leaders on Honing the dispositions and interpersonal competencies necessary for leadership effectiveness Strengthening self regard and attitudes toward others Developing a strong human rights orientation Ensuring that equity and excellence go hand in hand Defining what it takes to inspire and motivate others to act Implementing an inside out approach that empowers them to be agile and flexible leaders Well suited for any organizational setting the ideas and action steps offered in Reaching the Heart of Leadership aim to re ignite the passion and determination in individuals who continue to make a difference in the lives of those they serve Avis Glaze s views on leadership are unique and powerful for one main reason She puts things together that

people don't usually think are compatible thereby reaching new heights and depths of insight and efficacy. She combines empathy and determination, respect and candor, high expectations and persistent patience. The bottom line is as close to 100% success as possible with every percentage point below 100 unacceptable. Accordingly, *Reaching the Heart of Leadership* is chock full of unusual insights. For each chapter, there are lessons learned and action steps to be taken, but understand that none of this is about slogans and all of it has been tested and learned through hard practice. Avis does wear her heart on her sleeve, but also she wears it in every action relationship she encounters. For Avis, every value is a competency and every competency is a value. Read this book and be inspired to be the best leader you can ever be. Michael Fullan, Professor Emeritus OISE, University of Toronto, Ontario, Canada.

Collaborating to Support All Learners in English, Social Studies, and Humanities Faye Brownlie, Leyton Schnellert, 2009-10-23. How can we help students develop the thinking skills they need to be successful learners? How does this relate to deep learning of important concepts? How can we engage and support diverse learners in inclusive classrooms where they develop understanding and thinking skills? In this book, Faye and Leyton explore these questions and offer classroom examples to help busy teachers develop communities where all students learn. This book is written by two experienced educators who offer a welcoming and can-do approach to the big ideas in education today.
