is hard God is good You too can live every day in the knowledge that this is true That even when you fear that you are alone and feel that He has left you God is always at work in your life Remember the challenges that we face in life may be big but God is bigger It s time for everyone to experience the comfort of God s presence in even the darkest of times **Trusting God's Timing** Steven Stoffelsen,2017-01-17 Many times Christians excitedly receive a promise or vision from God From that moment forward they want to tell the whole world what God is going to do in and through them It s so exciting to have a promise from God The Bible says Where there is no vision the people perish Proverbs 29 18 But when God gives us a promise or vision it takes time to see it fulfilled Rarely is the vision for tomorrow or even the next year It s for a certain time set by God He shows it to you early but He still wants to prepare you for the journey ahead Many Christians get discouraged during this process and walk away from God But so many people in the Bible like Abraham Joseph and David had to go through years of preparation before they saw their visions fulfilled They waited a long time probably longer than most of us Be encouraged and don t let a thing called time destroy you before you even start God is for you and what He s promised He will bring to pass **Making a Good Church Great** Steve Sjogren,2010-02-25 Bestselling author Steve Sjogren untangles the complex jumble commonly known as greatness in today s megachurch mega everything world As a successful pastor he launched the servant evangelism movement but along the way he discovered that significance was not where or what he thought it would be Now in a very practical book he focuses on genuine greatness Is it the size of the sanctuary The number of new believers baptized each year The youth attendance The quantity of bestselling books the pastor has written The list of television shows radio shows or podcasts the pastors appears on Or is it something more What is the buzz on good churches that become great in God s eyes Sjogren argues that greatness is not a point at which you arrive rather it is an ongoing process of worshipping serving and living in God s presence It not a slick program rather it is a family a hospital an army and a school When God is present his people are empowered When God empowers his people a good church becomes great
