Contemporary Europe William Outhwaite, 2016-10-04 Europe is one of the most dynamic and interesting areas of the world pioneering in the European Union a new form of governance for half a billion people represented in the world's first directly elected transnational parliament This book situates the European Union in a broader European global historical and geographical context providing a readable presentation of the most important facts and drawing on the theoretical approaches which have transformed the study of contemporary Europe over the past two decades The European Union is still on the road to what has been called an unknown destination and this book presents its economic political legal and social trajectory from the middle of the last century to the present Contemporary Europe covers some of these issues in an interdisciplinary framework aiming to situate the development of the European Union in a broader context of pan European and global processes Europe has been cut down to size but it does not have to become a global backwater and the study of contemporary Europe's institutional reality does not have to be boring The book counter this misperception conveying the essential facts and theories of contemporary European reality in a clear and approachable analysis It will serve as a readable introduction both to the academic field of European studies and to contemporary Europe itself **The Roma and Their**

Struggle for Identity in Contemporary Europe Huub van Baar, Angéla Kóczé, 2020-02-03 Thirty years after the collapse of Communism and at a time of increasing anti migrant and anti Roma sentiment this book analyses how Roma identity is expressed in contemporary Europe From backgrounds ranging from political theory postcolonial cultural and gender studies to art history feminist critique and anthropology the contributors reflect on the extent to which a politics of identity regarding historically disadvantaged racialized minorities such as the Roma can still be legitimately articulated

Dissonant Heritages and Memories in Contemporary Europe Tuuli Lähdesmäki, Luisa Passerini, Sigrid Kaasik-Krogerus, Iris van Huis, 2019-08-13 This open access book discusses political economic social and humanitarian challenges that influence both how people deal with their past and how they build their identities in contemporary Europe Ongoing debates on migration on local national inter and transnational levels prove that it is a divisive issue with regards to understanding European integration and identity At the same time the European Union increasingly invests in projects related to European heritage museums and cultural memory networks while having to take dissonant heritages into account These processes in their combination offer an interesting dynamic and form the complex puzzle that poses challenging

questions for anyone involved in academic research heritage practices and policy debates With this puzzle at its core this book explicitly focuses on slippery and transforming notions of Europe and critically discusses ongoing and transforming power structures of heritage and memory in today's Europe The book combines theoretical and methodological contributions to the debates on European heritage and memory studies and in depth analyses of empirical case studies Its main aim is to bring research fields concerning memory and heritage into a closer dialogue and thus explore the cultural and political dynamics of contemporary Europe

Handbook of Contemporary European Social Theory Gerard Delanty, 2006-09-27 This innovative publication maps out the broad and interdisciplinary field of contemporary European social theory It covers sociological theory the wider theoretical traditions in the social sciences including cultural and political theory anthropological theory social philosophy and social thought in the broadest sense of the term This volume surveys the classical heritage the major national traditions and the fate of social theory in a post national and post disciplinary era It also identifies what is distinctive about European social theory in terms of themes and traditions It is divided into five parts disciplinary traditions national traditions major schools key themes and the reception of European social theory in American and Asia Thirty five contributors from nineteen countries across Europe Russia the Americas and Asian Pacific have been commissioned to utilize the most up to date research available to provide a critical international analysis of their area of expertise Overall this is an indispensable book for students teachers and researchers in sociology cultural studies politics philosophy and human geography and will set the tone for future research in the social sciences

Nation and Identity in Contemporary Europe Brian Jenkins, Spyros A. Sofos, 2003-09-02 The resilience of nationalism in contemporary Europe may seem paradoxical at a time when the nation state is widely seen as being in decline The contributors of this book see the resurgence of nationalism as symptomatic of the quest for identity and meaning in the complex modern world Challenged from above by the supranational imperatives of globalism and from below by the complex pluralism of modern societies the nation state in the absence of alternatives to market consumerism remains a focus for social identity Nation and Identity in Contemporary Europe takes a fully interdisciplinary and comparative approach to the national question Individual chapters consider the specifics of national identity in France Germany Britain Italy Iberia Russia the former Yugoslavia and Poland while looking also at external forces such as economic globalisation European supranationalism and the end of the Cold War Setting current issues and conflicts in their broad historical context the book reaffirms that nations are not natural phenomena but constructed forms of social identity whose future will be determined in the social arena

Contemporary European Politics José M. Magone, 2013-07-03 In this important new introductory textbook Jos Magone provides an accessible and comprehensive introduction to contemporary European politics The unification of the European continent since the Fall of the Berlin wall in 1989 and the collapse of communist regimes in Central and Eastern Europe has changed the nature of European politics This book seeks to address the new European politics that emerged out of this coming

together of West and East Utilizing a pan European comparative approach the book covers key topics with chapters on the history theory institutions parties and party systems interest groups systems of interest intermediation and civil society the impact of European public policy and the emergence of a European common and foreign policy provides detailed comparisons of the national political systems across Europe including Central and Eastern Europe and the Balkans contextualises national politics in the growing importance of European integration examines the European Union multi level governance system approach highlighting relationships and interactions between the global supranational national regional and local levels analyses the change from modern politics in which the nation state was still in command of domestic politics and its own borders to postmodern politics in which de territorialisation de nationalisation and internationalisation processes have transformed the national politics of European states facilitates learning through a wide range of pedagogical features including chapter summaries guides to further reading questions for revision and extensive use of maps figures case studies and tables Richly illustrated throughout this work is an indispensable resource for all students and academics of European politics

Welfare to Work in Contemporary European Welfare States Anja Eleveld, Thomas Kampen, Josien Arts, 2020-01-29 With welfare to work programmes under intense scrutiny this book reviews a wide range of existing and future policies across Europe Seventeen contributors provide case studies and legal sociological and philosophical perspectives from around the continent building a rich picture of welfare to work policies and their impact They show how many schemes do not adequately address social rights and lived experiences and consider alternatives based on theories of non domination For anyone interested in the justice of welfare to work this book is an important step along the path towards more fair and adequate legislation

Migration and the Crisis of Democracy in Contemporary Europe Christoph M. Michael, 2021-01-12 This innovative and thought provoking study puts forth a compelling analysis of the constitutive nexus at the heart of the European refugee conundrum It maps and historically contextualises some of the distinctive challenges that pervasive ethnic and cultural pluralism present to real politics as on the level of political theorizing By systematically integrating hitherto insufficiently linked research perspectives in a novel way it lays open a number of paradoxical constellations and regressive tendencies in contemporary European democracy It thereby redirects attention to the ways in which liberal thought and liberal democratic institutions shape interact with and may even provide justification for illiberal and exclusionary practices This book thus makes an important contribution to the analysis of post migrant realities in Europe and the ways in which they are defined by imperial legacies punitive migration regimes the culturalization of mainstream politics and the discursive construction of a European Other

Citizenship in Contemporary Europe Michael Lister, 2008-05-12 This book seeks to analyse the impact of globalisation European integration mass migration changing patterns of political participation and welfare state provision upon citizenship in Europe Uniting theory with empirical examples the central theme of the book is that how we view such changes is dependent upon how we view citizenship

theoretically The authors analyse the three main theoretical approaches to citizenship 1 classical positions liberal communitarian and republican primarily concerned with questions of rights and responsibilities 2 multiculturalist and feminist theories concerned with the question of difference and 3 postnational or cosmopolitan theories which emphasise how citizen rights and behaviours are increasingly located beyond the nation state Using these theoretical perspectives the second section of the book assesses four key social economic and political developments which pose challenges for citizenship in Europe migration political participation the w

Contemporary European Theatre Directors Maria M. Delgado, Dan Rebellato, 2010-03-03 An invaluable book that we shall all be using for a long time to come Michael Billington Contemporary European Theatre Directors is an ambitious and unprecedented overview of many of the key directors working in European theatre over the past fifty years It is a vivid account of the vast range of work undertaken in European theatre during this period situated lucidly in its artistic cultural and political context The resulting study is a detailed guide to the generation of directors whose careers were forged and tempered in the changing Europe of the 1980s and 1990s The featured directors are Calixto Bieito Piotr Borowski Romeo Castellucci Frank Castorf Patrice Chereau Lev Dodin Declan Donnellan Kristian Frdrich Rodrigo Garc a Jan Lauwers Christoph Marthaler Simon McBurney Daniel Mesguich Katie Mitchell Ariane Mnouchkine Thomas Ostermeier Patrice Pavis Silviu Purcurete and Peter Sellars Travelling from London and Craiova to St Petersburg and Madrid the book examines directors working with classics new writing and new collaborative theatre forms Each chapter is written by a specialist in European theatre and provides a detailed critique of production styles The directors themselves provide contributions and interviews to this multi authored work which unites the many and varied voices of European theatre in one coherent volume

Sexual Politics in Contemporary Europe Sharron FitzGerald, May-Len Skilbrei, 2022-02-01 The legal regulation of gender and sexuality has undergone dramatic changes throughout Europe in the last 40 years and this has shaped what it means to be a European citizen Drawing on a range of interdisciplinary research this book uses the discourses around current European sexual politics as an entry point to interrogate how and with what effect the EU and its Member States harness issues of gender and sexuality to support issues of higher political importance It takes recent and ongoing political debates and legislative changes around prostitution and sexual assault as a focus Using four national case studies Poland Germany Sweden and Italy it illuminates how the EU's desire for increased harmonisation across the Union around gender and sexuality norms and values operates differently and with specific effects across Member States The book's structure provides a detailed map of how and why contemporary European sexual politics is changing and how this contributes to establishing European norms and values in developments in law and policy around prostitution and sexual assault By examining how and why the EU and its Member States implement their policies in these two policy areas we can begin to illuminate how contemporary European sexual politics serve some groups interests while marginalizing Others

Contemporary Europe, Asia and Africa Ferdinand Justi, Sara Yorke

Stevenson, Morris Jastrow (Jr.), 1905 *Contemporary Europe, Asia and Africa* Charles McLean Andrews, 1905 Mapping the Extreme Right in Contemporary Europe Andrea Mammone, Emmanuel Godin, Brian Jenkins, 2012-05-16 In recent years the revival of the far right and anti-Semitic racist and fascist organizations has posed a significant threat throughout Europe Mapping the Extreme Right in Contemporary Europe provides a broad geographical overview of the dominant strands within the contemporary radical right in both Western and Eastern Europe After providing some local and regional perspectives the book has a series of national case studies of particular countries and regions including Austria Belgium Bosnia Herzegovina Croatia Eastern Europe France Germany Greece Italy Malta Portugal Romania Scandinavia Serbia Spain Switzerland Turkey Ukraine and the United Kingdom A series of thematic chapters examine transnational phenomena such as the use of the Internet the racist music scene cultural transfers and interaction between different groups Drawing together a wide range of contributors this is essential reading for all those with an interest in contemporary extremism fascism and comparative party politics

Multiplicity of Nationalism in Contemporary Europe Ireneusz Paweł Karolewski, Andrzej Marcin Suszycki, 2010-01-01 Nationalism remains one of the key political societal and socio psychological phenomena in contemporary Europe The international scholars assembled in this edited collection suggest that the use of three perspectives supranationalism boundary making nationalism and regional nationalism may be promising as an explanatory framework for the analysis of nationalism in Europe The volume distances itself from older dichotomies such as civic and ethnic nationalism and questions the one-sided normativity of nationalism in particular regarding the concept of liberal nationalism It argues that a promising approach to contemporary nationalism should reflect the multiplicity of nationalism

The Figure of the Politician in Modern and Contemporary Europe Pasi Ihalainen, Rosario López, Kari Palonen, Henk te Velde, 2025-12-01 The figure of the politician occupies a central yet fraught position in the media landscape of contemporary Europe A frequent source of criticism in everyday news bulletins the term itself is loaded with an emotional significance that corresponds with prevailing perceptions of current political administrations In this geographically wide ranging assessment of the figure of the politician in modern and contemporary Europe Pasi Ihalainen Rosario L pez Kari Palonen and Henk te Velde re-examine the trajectory of terms like politician and statesman illuminating its correspondence with emerging political trends Drawing on a variety of data surveys from several European countries this volume spotlights how profoundly the concept of representative democracy is shifting

Childbearing, Women's Employment and Work-Life Balance Policies in Contemporary Europe Ewa Fraczak, 2013-09-25 This volume addresses the relationship between childbearing paid work and work life balance policies across Europe in the 21st century illuminating the uncertainty and risk related to insecure labour force attachment the incoherence of women's and men's access to education and employment and the unequal share of domestic responsibilities
