Aaron Jason Silver,2006-07-01 My reasons for writing this book are rather complex because I have seen no other books on the shelves that were comprehensive enough to interest the straight population as well This book is as much for them as it is for gay people because I believe it provides important information for them to help them understand us better and why many gay men may behave the way they do Gay culture to the straight culture as always seemed mysterious as if we were hiding something Perhaps we have been so I hope this book helps them understand better the gay culture and hopefully it may help them better understand how certain behaviors may have developed and a bit of a history lesson on how gay culture originally came to be My greatest hope is that this book will cause the much needed discussion about why many of us behave the way we do My thoughts are that the high school girly behaviors are the manifestations of unhealed wound that I refer to as ghost wounds that are a direct result of the damage that has been

done during the very critical school age years when many of us were trying to find out who we were and develop some self esteem Unfortunately for most gay men that I have spoken to had very lonely childhoods where they felt isolated picked on at school and they most often felt like outsiders I believe these experiences have done more damage to gay people than we have ever given credit to As a result these ghost wounds have never been healed and follow them around for a lifetime unless addressed and will influence much of your behaviors and most importantly your ability to understand and really feel the beauty and deliciousness of true intimacy whether it be with friends or lifepartners Frequent sexual encounters are not intimacy It s devoid of intimacy and often leads to a deeper feeling of isolation loneliness and depression The last of what I want to say is good luck in your que

Midwiving Subjects in Shakespeare's England Caroline Bicks,2017-07-05 At the intersections of early modern literature and history Shakespeare and Women s Studies *Midwiving Subjects* explores how Shakespearean drama and contemporary medical religious and popular texts figured the midwife as a central producer of the body s cultural markers In addition to attending most Englishwomen s births and testifying to their in extremis confessions about paternity the midwife allegedly controlled the size of one s tongue and genitals at birth and was obligated to perform virginity exams impotence tests and emergency baptisms The signs of purity and masculinity paternity and salvation were inherently open to interpretation yet early modern culture authorized midwives to generate and announce them *Midwiving Subjects* then challenges recent studies that read the midwife as a woman whose power was limited to a marginal and unruly birthroom community and instead uncovers the midwife s foundational role not only in the rituals of reproduction but in the process of cultural production itself As a result of recent changes in managed healthcare and of increased attention to uncovering histories of women s experiences midwives past and present are currently a subject of great interest This book will appeal to readers interested in Shakespeare as well as the history of women and medicine

A Perfect Body Norm Powers,2009-11 Lose weight and even grow your breasts larger by using your God given powers of your mind All things are possible to her who believes The mind is incredibly powerful when coupled with belief and the will to carry it through This book teaches you how to utilize the powers of the mind by practicing a variety of exercises and learning the methods A whole chapter is dedicated to the Bible as to how this is not only possible but it is also permissible In fact for me it is a requirement to pray this way for myself and for others because it is so effective and powerful

What Difference Does It Make? J. Brooke-Harte,2019-10-22 Can you truly give a reason for your faith Or the lack of it What Difference Does It Make The Busy

Person's Guide to Christianity gives fresh insights that bring the faith picture together in a way that makes sense. It's an easy read that paints a picture of where we are, where we likely want to be, and how we can get there. It explains how faith works in a practical way and suggests some ways of understanding Christianity that you may have never heard before. This book not only confronts some of the obstacles of faith but also discusses the conundrum of truth, Biblical reliability, and the practical day-to-day difference Christianity can make in a life. This entertaining read connects the dots of Christianity in unique ways. It ties together some of those loose ends that people often ignore, dismiss, or trip over. What Difference Does It Make gives explicit answers to how life works. You'll come away with new understandings of the ever-present questions: Who am I? Why am I here? And where am I going? You'll gain insights into why the Bible refers to believers as The Bride of Christ and how essential this concept is to a personal relationship with God and others. Whether or not you've ever considered the intimate braided-together life God intends to have with each of us, you'll want to read this book. It puts the pieces of the life puzzle together with how-to instructions and a virtual start-to-finish picture to follow on the cover. So if you've ever asked the questions: Does faith really work? or How is it possible for someone to have a personal relationship with the God of the universe? or What difference could an ancient religion make in my life today? you need to read this concise and easy-to-understand book. What Difference Does It Make? The Busy Person's Guide to Christianity just may change your life and your eternity. **Grow**

Rich while Walking into the Golden Aged World (with Meditation Commentaries) Brahma Kumari Pari, 2019-08-22

Using the practices suggested in this book will help to improve your spiritual, financial, and living conditions. This book explains how you can become rich financially and/or spiritually and get whatever you want while walking into the Golden Age via the Holographic Universe. As explanations are given on how to use God and His Knowledge to achieve your aims, the author also explains: 1. about the magical abilities, Siddhis, and specialties which you acquire as you use the practices in this book; 2. why the Law of Attraction works to bring you wealth, happiness, etc.; 3. why and how visualisations can get materialised; 4. why being close to the higher dimension where the Akashic Records exist will help you to easily realise your dreams; 5. how you can easily play the role of the creator, Brahma, from Brahmaloka in order to achieve what you want; 6. how, when you are in the world of Brahma Ether, also plays the role of Brahma and creates what you want; 7. how, as you use the energies deeper within the soul, you are the god self or Brahma and so will be able to fulfil your wishes and needs; 8. how stuff is materialised through frequencies, resonance, etc.; 9. about reacquiring wealth, prosperity, and magical abilities now; 10. how the quantum energies, World Drama, Nature, etc., serve the people who walk into the Golden Aged world and who are in the Golden Age; 11. how perfect bodies are created for those walking into the Golden Age; 12. how the earth and world is uplifted into the Higher Universe as you walk into the Golden Aged world; 13. about the universes and worlds, lokas, which provide our environment; 14. why it is easier to get what you want when you use the higher lokas; 15. why some people saw sea monsters, e.g., Loch Ness monster and Champ; 16. how the earth sank and now gets lifted out of the Garbhodaka Ocean; 17. why our universe is
