Kennedy has been used politically by various interest groups primarily the city of Dallas Lyndon Johnson and Robert Kennedy as well as how the memory of Kennedy has been portrayed in various museums Santa Cruz argues that we have memorialized JFK not simply out of love for him or admiration for the ideals he embodied but because invoking his name carries legitimacy and power Memory can be employed to accomplish particular ends for example the passage of long overdue civil rights legislation or even successfully running for political office Santa Cruz demonstrates the presence and use of popular memory in an extensive analysis of what was being said and by whom about the late president through White House memoranda and speech material museum exhibits such as the Sixth Floor Museum in Dallas and the JFK Presidential Library and Museum in Boston public correspondence newspapers and periodicals of the time memoirs and archival research He also explores how JFK has been memorialized in films such as Bobby JFK and Thirteen Days Written in an accessible manner to appeal to both historians and the general public Making JFK Matter tells us much of how we have memorialized Kennedy over the years *Making Teaching and Learning Matter* Judith Summerfield, Cheryl C. Does God Make the Man? Stewart M. Hoover, Curtis D. actually play out may contradict received views Over the course of this fascinating book they examine crises contradictions and contestations crises about the meaning of masculinity and about the lack of direction men experience from their faith communities contradictions between men s religious lives and media lives and contestations among men s ideas about what it means to be a man The book counters common discussions about a crisis of masculinity showing that actual men do not see the world the way the crisis talk has portrayed it and interestingly even Evangelical men often do not see religion as part of the solution
