The First Bad Man Miranda July, 2015-01-13 From the acclaimed filmmaker artist and bestselling author of *No One Belongs Here More Than You* a spectacular debut novel that is so heartbreaking so dirty so tender so funny so Miranda July that readers will be blown away Here is Cheryl a tightly wound vulnerable woman who lives alone with a perpetual lump in her throat She is haunted by a baby boy she met when she was six who sometimes recurs as other people's babies Cheryl is also obsessed with Phillip a philandering board member at the women's self defense nonprofit where she works She believes they've been making love for many lifetimes though they have yet to consummate in this one When Cheryl's bosses ask if their twenty one year old daughter Cleo can move into her house for a little while Cheryl's eccentrically ordered world explodes And yet it is Cleo the selfish cruel blond bombshell who bullies Cheryl into reality and unexpectedly provides her the love of a lifetime Tender gripping slyly hilarious infused with raging sexual obsession and fierce maternal love Miranda

July's first novel confirms her as a spectacularly original, iconic, and important voice today and a writer for all time. *The First Bad Man* is dazzling, disorienting, and unforgettable. ***Dustin Grubbs: One Man Show*** John J. Bonk, 2009-12-19 Dustin is a drama geek and proud of it. Though he's at least half nerd and full of insecurities, he doesn't melt in the face of conflict like when the sixth grade play he's assistant directing and starring in, *The Castle of the Crooked Crowns*, seems doomed to failure at every turn. Then Jeremy Jason Wilder, international star of Dustin's favorite sitcom of all time, moves to Buttermilk Falls. Is it a blessing or will Jeremy steal the show? *Dustin Grubbs One Man Show* is full of hysterical one-liners and slapstick that middle graders will love. And yet there's a deeper level beneath the show that will resonate with young readers such as Dustin's difficult choice between a new and old friend, the guilt he feels for blowing off his adoring neighbor, his crush on his schoolteacher, his love for yet embarrassment about his oddball family, and Dustin's curiosity about and longing for his absent father. ***A Good Man*** J.J. Murray, 2013-11-14 *A Good Man* earns a place at the top of the to-be-read pile. USA Today's Sonya Richardson can't resist starring on a hit reality dating show to give America a taste of what a real black woman is like. The former celebrity pro athlete is breaking all of *Hunk Or Punk*'s rules, refusing to bling up like a diva and tackling whatever drama her suitors have in store. But one contestant is throwing Sonya off her game. He's kind, way too easy to spill her secrets to, and giving her the type of hope she hasn't felt in a long time. Widowed former pastor John Bond knows he's the show's designated white guy, expected to fail every challenge and be gone in a month. He also knows he has to take risks to find love again. Now Sonya is inspiring him to do whatever it takes to stay in the running, win her heart, and prove their dreams can be a reality. Readers will be cheering for all of Murray's characters to find their joy. RT Book Reviews A TOP PICK Murray's wonderful characters, caring perspective, humor, and the story's fabulous ending make this a winning read. Booklist Deceptively light but ocean deep, readers should brace for a three-hanky finale. Publishers Weekly ***The Tender Bud*** Madeleine Meldin, 2013-09-05 *The Tender Bud* is the moving story of one woman's journey through breast cancer. The woman in question happens to be a senior psychiatrist of broad learning and deep clinical insight. Madeleine Meldin weathered the crisis of breast cancer without the support of an immediate family and in the context of ongoing professional burdens. This book is the journal that she wrote for herself as an aid to coping with the personal upheaval of diagnosis, mastectomy, and the aftermath of treatment. It was written while these events unfolded. With arresting candor, Meldin chronicles her emotions at each stage of her odyssey, the recurrent cycles of denial, anxiety, and despair, the conflicting feelings engendered by her physicians, surgeons, and the treatment establishment in general, her struggle between resignation and emergent hopefulness. Unique to Meldin's account is her ongoing juxtaposition of the different dimensions of having cancer. Simply and gracefully, she chronicles the everyday dimension of cancer with its obligation to proceed maturely and dispassionately with medical and surgical care to meet one's professional responsibilities, to maintain the appearances that allow one to carry on with one's life. Meldin excels at showing how even the most mundane experiences of everyday life, conversations with friends, and

colleagues the selection of clothes a trip to the hairdresser became saturated with her illness with her sense of herself as a cancer patient
