Terrorism Laura C. Ferreira-Pereira, Bruno Oliveira Martins, 2016-04-08 This book contributes to the understanding of the counter terrorism CT policy of the European Union EU by offering a set of analyses focusing on its external dimension Whilst calling for the combination of internal and external policies as well as cooperation with third countries and international institutions the external dimension of EUCT challenges previous assumptions on the functioning of the EU and offers new testing ground for the latest theoretical and methodological approaches This volume provides the first systematic assessment of the external dimension of EUCT It covers transatlantic counter terrorism cooperation the interaction between EU institutions and policies theoretical debates on EU actorness in counter terrorism and the role of judicial institutions in international counter terrorism Furthermore it draws attention to the need for engaging in new discussions over the post Lisbon Treaty Common Foreign and Security Policy CFSP the international fight against terrorism and the way international actors cooperate and compete on the security arena It will be of interest for both academics and practitioners working on EU foreign policy transatlantic relations and international counter terrorism It will also be of interest for students and journalists specialized on European and international affairs This book was published as a special issue of European Security The European Union as a Global Counter-Terrorism Actor Kaunert, Christian, MacKenzie, Alex, Léonard, Sarah, 2022-08-16 This is an open access title available under the terms of a CC BY NC ND 4.0 License It is free to read download and share on Elgaronline.com After the death of Osama Bin Laden and the demise of Al Qaeda the EU is increasingly threatened by new jihadi terrorist groups such as ISIS as exemplified by recent terror attacks on Paris Brussels Nice Berlin and Manchester This book investigates the role of the EU in dealing with such groups as part of its counter terrorism efforts by outlining the increasing role of the EU as an external counter terrorism actor **The EU in UN Politics** Spyros Blavoukos, Dimitrios Bourantonis, 2017-07-10 The book assesses the EU performance in the broader UN setting after the Lisbon Treaty Distinguished scholars with expertise in EU UN relations use a comprehensive analytical framework of performance to examine various aspects of the complex EU engagement in UN politics Performance goes beyond the achievement of agreed upon objectives and engulfs the underlying intra organizational agreement reaching processes The contributors examine the output of the intra EU policy making process and its impact within the UN setting They cover thematic areas of special importance for the EU such as environment human rights disarmament and peacekeeping operations as well as special UN bodies and forums where the EU is particularly active such as the UN General Assembly and its main Committees the International Labour Organisation UNESCO and the Non Proliferation Review Conferences *The SAGE Handbook of European Foreign Policy* Knud Erik Jorgensen, Aasne Kalland Aarstad, Edith Drieskens, Katie Laatikainen, Ben Tonra, 2015-04-30 During the last two decades the study of European foreign policy has experienced remarkable growth presumably reflecting a more significant international role of the European Union The Union has significantly expanded its policy portfolio and though empty symbolic politics still exists the Union's international relations have become more

substantial and its foreign policy more focused European foreign policy has become a dynamic policy area being adapted to changing challenges and environments such as the Arab Spring new emerging economies powers the crisis of multilateralism and much more The SAGE Handbook of European Foreign Policy Two Volume set is a major reference work for Foreign Policy Programmes around the world The Handbook is designed to be accessible to graduate and postgraduate students in a wide variety of disciplines across the humanities and social sciences Both volumes are structured to address areas of critical concern to scholars at the cutting edge of all major dimensions of foreign policy The volumes are composed of original chapters written specifically to the following themes Research traditions and historical experience Theoretical perspectives EU actors State actors Societal actors The politics of European foreign policy Bilateral relations Relations with multilateral institutions Individual policies Transnational challenges The Handbook will be an essential reference for both advanced students and scholars

European Foreign Policy and the European Parliament in the 1990s Donatella M. Viola, 2019-06-04 This title was first published in 2000 This book investigates the European Parliament's stance vis à vis the 1990 1991 Gulf and 1991 1992 Yugoslav crises In unveiling the parliamentary multi faceted view of these events reference has been made to the positions taken by constituent political groups and their voting behaviour In particular the following questions have been addressed has the European Parliament sought to define and shape a common foreign policy with respect to the above crises What specific functions have the European Parliament political groups performed Have political groups succeeded in achieving an internal cohesion Has the European Parliament overcome divisions among its members through the formation of party coalitions despite the considerable flow of published material on external relations of the European Union and the European Parliament virtually no study has explored in depth the links between these two areas The purpose of this book is to fill the gap in the existing literature breaking new ground by combining a qualitative and qualitative analysis of parliamentary behaviour with foreign policy

EU Geopolitical Actorness in a Changing World Liridon Lika, Dealan Riga, 2025-02-24 This book elaborates on the assumption that the European Union EU actorness might be shifting from normative to geopolitical and strategic focus Over the past few years the EU has faced growing challenges such as disruptions in its vicinity diffusion of global power and renewed geopolitical competition These external pressures have significantly impacted the EU prompting it among other measures to announce a Geopolitical Commission Academic literature has acknowledged the EU's shift from normative power to an increasingly geoeconomic and geopolitical approach However the notion of geopolitical actorness warrants closer scrutiny of its implications on foreign policy This edited volume critically examines the EU's evolving strategy in a changing world It provides a conceptual framework for rethinking the Union's global role and the renewal of foreign policy tools The book offers a fresh and innovative perspective on whether the EU's ambition to assert new geopolitical leadership is actually backed by the effective implementation of policies and strategies needed to address emerging global challenges

The European Union and Developing Countries C.

Cosgrove-Sacks,1999-05-17 This book examines the ways in which EU policies towards developing countries are changing in response to the new challenges of globalization and the end of the Cold War It analyses the patchwork of relationships between the fifteen Member States and more than 140 countries throughout Africa Asia Latin America and the Mediterranean

The EU and the Non-Proliferation of Nuclear Weapons S. Blavoukos,D. Bourantonis,C. Portela,2015-01-20 Much of the literature on the emerging role of the EU as a non proliferation actor has only a minimal engagement with theory This collection aims to rectify this by placing the role of the EU in the non proliferation of nuclear weapons within an analytical framework inspired by emerging literature on the performance of international organisations

The EU, ASEAN and Interregionalism L. Allison,2015-01-31 Using a framework of norm diffusion to determine the EU s international actorness in the context of its relations with ASEAN this book provides a timely and in depth analysis of EU ASEAN relations By investigating three aspects of regionalism support by the EU it presents a comprehensive account of norm diffusion between the EU and ASEAN

The Liberal International Theory Tradition in Europe Knud Erik Jørgensen,2021-01-04 This book examines how the liberal international theory tradition evolved in Europe It includes nine chapters focusing on both historical and contemporary branches of liberal IR theorizing The combined portrait of the prominent IR theory orientation shows a long and rich theoretical tradition but also a tradition that the scholarly community rarely fully recognize It is currently somewhat challenged and therefore in need of further advances Concerning the historical branches the authors present a truly European tradition that thus was not only present in a few countries The contributors introduce examples of liberal theorizing that IR scholars tend to dismiss and they trace the boundaries between the liberal and other theoretical traditions Given the prominence of the tradition the book is surprisingly among the first to present a transnational perspective on the development of the liberal international theory tradition in Europe

EU Global Actorness in a World of Contested Leadership Maria Raquel Freire,Paula Duarte Lopes,Daniela Nascimento,Licinia Simão,2022-03-01 This book contributes to the literature on the EU s role in the international system by engaging with the debates on global actorness and mapping new conceptual and theoretical avenues to better understand how agency and power are exerted at the global and regional levels in a context of increased contestation of the international liberal order Organised around three main lines the book first looks at how the EU positions itself internationally in different policy areas providing a multi dimensional reading of EU policies instruments and practices secondly it engages with the EU s own perspective toward its regional contexts and with the perspectives of regional actors on the EU and thirdly it explores non European perspectives on EU actorness as the way the EU is perceived by others in this system of contested leadership is central to how it is understood in terms of policies instruments and overall capability to lead and act as a global power

European Union Jeremy Richardson,2006 Richardson introduces the policy making processes at work in the EU This edition has been significantly improved to make it even more accessible for second and third year undergraduates A website will also support this edition

featuring some of the more technical material such as statistics
