Revelation's Great Love Story Larry L. Lichtenwalter, 2008 The Book of Revelation The Apocalypse Words that often call to mind bizarre creatures strange seals dreadful plagues and a slew of other mystifying symbols Most of us approach this last book of the Bible with forebodings rather than hope To us John s vision seems more like a nightmare But the elderly apostle begins with a statement that doesn t seem to fit the rest of the book The revelation of Jesus Christ Apparently he intends to unveil something tremendously important about Jesus Something life changing Something we can t afford to miss Larry Lichtenwalter explores a side of Revelation seldom portrayed Christ s passionate love for humanity This recurring theme subtly appears in the imagery and symbolism throughout John s vision The slain Lamb The divine protective sealing The blood bleached white robes The heart wrenching prayer of the saints Without Christ s love these scenes and symbols would mean nothing Ultimately John s vision reveals the extraordinary love of our Savior for His rebellious undeserving children and the incredible reasons we can love Him in return **Greater Love Through Suffering and Sacrifice** George E Pfautsch, 2014-01-24 It is not often that we think of the greater love that can be achieved from suffering and pain during our

lives on earth Rather we are inclined to pray to our Lord to relieve the suffering and pain of those who are experiencing it and that is an appropriate way to express our love of our fellow human beings and indicate our desire that their pain be diminished But suffering pain and sacrifice can also be endured as a means to demonstrate a greater love of our Lord and of one another We have no greater demonstration of that than the passion of our Lord who through his suffering and pain demonstrated the greatest love of us that could possibly be demonstrated by God himself Jesus did not need to suffer death for us He suffered his passion and death to show us that no greater love can take place than to lay down one s life for another His whole life was a demonstration of his great love and mercy for every individual on earth **No Greater Love** Duncan

Howlett,1993 **Greater Love Has No Man** Rita Leonty-Favreau,2020-10-07 Whenever we seek to manipulate something we do not understand we expose ourselves to unknown dangers Greater Love Has No Man is a characterization of a gross misunderstanding It is an illustration of the catastrophic result of a presumptuous mind which sets about to meddle with things beyond its understanding but which it believes it not only understands but can manipulate When Courtney Willard sets out to manipulate words from the Bible which he refutes as being the infallible Word of God being also a self proclaimed atheist he has no idea that the end of what he engineers will turn out very different from what he envisioned In the end he would inadvertently prove what he sought to discredit The natural man does not comprehend the things of the Spirit of God for they are foolishness unto him Neither can he know them for they are spiritually discerned Greater Love Has No Man is a poignant journey into a misunderstanding One which along the way is fraught with laughter and tears friendship and enmity despair and the resilience of a love which ultimately restores hope **No Greater Love** Freddie Valenzuela,Jason

From the Horrors of World War II to a Great Love Story Edith V. Landis,2003 I was one of the first seven German war brides to receive permission to come to the United States to marry an ex GI after World War II I was the first German war bride to come to Pennsylvania It was such a happy moment when I was finally reunited with my fianc Ardell L Landis who I would marry a short time later Because there was so much attention given to World War II in the last few years I was

asked to speak at several historical societies and also had several speaking engagements at schools and churches Everyone that heard my story encouraged me to write a book This work is a product of that encouragement This is a true story of my life in Germany during the Hitler Regime World War II six years of blackouts and air raids and the last battle of Berlin by Russian troops This is also the story of how I met my husband and our struggle to get through all the red tape for me to come to the United States so that we could be married My story unlike some others had a happy ending Since coming to the United States so long ago I have lived a full and happy life but I will never forget the war and those horrible times It is my hope that with this book I can give people a glimpse into that time in history so that my experience can speak for so many others This is my story Edith V Landis **Blow Hot - Blow Cold; a Love Story** Augustus Mayhew,1862 **The Bible: God's Great**

P. Burns,2008-08-14 Forget Dan Brown this is very probably the REAL story and it s more beautiful than you could imagine In this book the author attempts to tell the story of Jesus and Mary in the first person hoping thereby to enter their minds to some degree Jesus as well as being the Eternal Word of God is seen as being completely human like us in all things except sin as St Paul puts it The implication is that besides experiencing weakness limitation and even ignorance he must have been a fully integrated sexual being with his sexuality playing a decisive part in his psychology In accordance with the theory advanced by Ramon K Jusino in his article Mary Magdalen author of the fourth Gospel Mary is seen as the mysterious disciple whom Jesus loved who

features prominently in the fourth Gospel Their relationship is explored with what is hoped is openness and honesty The work is itself fictional but follows closely the Gospel narratives The generous preview gives a good taste of the book **Pearly :**
