The Early History of God Mark S. Smith, 2002-08-03 There is still much disagreement over the origins and development of Israelite religion Mark Smith sets himself the task of reconstructing the cult of Yahweh the most important deity in Israel's early religion and tracing the transformation of that deity into the sole god the development of monotheism Art and Judaism in the Greco-Roman World Steven Fine, 2005-06-08 Publisher Description **Being Elisabeth Elliot** Ellen Vaughn, 2023-09-12 WORLD 2023 Books of the Year Winner Elisabeth Elliot was a young missionary in Ecuador when members of a remote Amazonian indigenous people group killed her husband Jim and his four colleagues And yet she stayed in the jungle with her young daughter to minister to the very people who had thrown the spears demonstrating the power of Christ's forgiveness This courageous no nonsense Christian went on to write dozens of books host a long running radio show and speak at conferences all over the world She was a pillar of coherent committed faith a beloved and sometimes controversial icon And while things in the limelight might have looked golden her suffering continued refining her in many different and unexpected ways Her early years related in *Becoming Elisabeth Elliot* traced the transition of a young woman who dealt in certainties to the woman who lived with the unknown Now being Elisabeth Elliot increasingly meant confronting how much she did not understand She sought her reference point beyond her own experiences always pondering what she called the impenetrable mystery of the interplay between God's will and human choices And it is that strange mystery which shaped the rest of her startling life story The Sin of the Calf Youn Ho Chung, 2010-05-06 The relationship of the biblical tradition to golden calf worship seems to be entirely negative In the Torah and the Book of Kings harsh criticism is wielded against the golden calf the Israelites made in the wilderness Exod 32 Deut 9 7 10 11 and the calves erected by Jeroboam ben Nebat 1 Kgs 12 26 33 at Dan and Bethel during his reign over the Northern Kingdom of Israel Hence the question arises as to whether Jeroboam in truth set up the golden calves in order to buck the postulates of the Israelite religion of his time that is was Jeroboam's golden calf really meant to lure Israel into worship of other gods or idolatry The research into the background and factors which motivated negative attitudes towards the Golden Calf will provide an insight as to when prohibition of images in the Israelite religion became crystallized and how it was indispensable in proclamation of the monotheism of YHWH *The Englishman's Hebrew and Chaldee Concordance of the Old Testament* George V. Wigram, 1866 **Blowing the Lid Off the God-Box** Anne Robertson, 2005 What's in your God box Each of us says author Anne Robertson builds our own way of understanding God our God box and fills it up with bits of scripture wisdom and our experiences of God at work in our lives It's a perfectly good way to puzzle out what God means to us Encountering God through our human limitations we learn something about the meaning of Incarnation But to say that our experience of God is the only valid one is to put a lid on the box and create an idol This book is about examining our God boxes and bursting them wide open *Blowing the Lid Off the God Box* starts with the ministry of Jesus who blew the lid off everyone's God box by

constantly challenging his followers with the unexpected

Subsequent chapters examine the God boxes we create with scripture worship and political and social agendas
