Our Daily Bread Richard Tames,1973-01-01 **Our Daily Bread** Geoff Mann,2012-09-01 A wage is more than a simple fee in exchange for labor argues Geoff Mann Beyond being a quantitative reflection of productivity or bargaining power a wage is a political arena in which working people s identity culture and politics are negotiated and developed In *Our Daily Bread* Mann examines struggles over wages to reveal ways in which the wage becomes a critical component in the making of social hierarchies of race gender and citizenship Combining a fresh analysis of radical political economy with a critical assessment of the role of white men in North American labor politics Mann addresses the issue of class politics and places the problem of interests squarely at the center of political economy Rejecting the idea that interests are self evident or unproblematic Mann argues that workers interests and thus wage politics are the product of the ongoing effort by wage workers to focus on quality in a socioeconomic system that relentlessly quantifies Taking three wage disputes in the natural resources industry as his case studies Mann demonstrates that wage negotiation is not simply emblematic of economic conflict over the distribution of income but also represents critical contests in the cultural politics of identity under capitalism *Our Daily Bread Bible Sourcebook* Dave Branon,2019-02-11 The Bible can be intimidating because of its length and its complexities In an entertaining and insightful way the *Our Daily Bread Bible Sourcebook* provides an easy guide to better understand Scripture This unique format explores the who what when where why and wows of each book of the Bible It can be used as both a great introduction and a handy companion to the Bible You ll learn interesting facts read narratives about the authors discover archaeological and geographical information and so much more **Our Daily Bread** Kate Transchel,Elena Osokina,2015-03-04 Drawing on newly available archival materials including official documents reports and personal accounts this remarkable study presents a detailed picture of the living standards of various social groups in prewar Soviet Russia and the role of state controlled distribution of food and goods as a tool of the Stalinist dictatorship The study offers a new perspective not only on the period of collectivization industrialization and terror but also on the regime s most rudimentary method of controlling human behavior and reshaping the social order In her conclusion the author analyzes the long term impacts of the Stalinist dictatorship of distribution from bureaucratization to rural depopulation to the emergence of a distinctive type of black market economy **Our Daily Bread - October / November / December 2023** *Our Daily Bread*,2023-09-20 Since it was first published in 1956 *Our Daily Bread* has become the resource for which *Our Daily Bread Ministries* is best known The daily devotional thoughts published in *Our Daily Bread* help readers spend time each day in God s Word This electronic edition of *Our Daily Bread* allows you to enjoy the same inspiring content found in the print edition of *Our Daily Bread* but with many additional digital features 90 Digital Daily Devotionals Includes Scripture Passages and Insights Links to a Daily Bible Reading Plan Links to Additional Topical Content Resources from *Our Daily Bread Ministries* *Our Daily Bread* Author Biographies *Our Daily Bread* is published and distributed worldwide in more than
