Gerhardt, 2013-04-11 In The Constitutional Legacy of Forgotten Presidents eminent constitutional scholar Michael Gerhardt tells the stories of thirteen presidents whom most Americans do not remember and scholars think had no constitutional impact among them Chester Arthur Martin Van Buren and William Howard Taft As Gerhardt shows our forgotten presidents played crucial roles in laying some of the groundwork followed by Lincoln and other modern presidents as well as providing examples for future lawmakers of constitutional choices to avoid **Founding Myths** Ray Raphael, 2014-07-04 The tenth anniversary edition of the book that showed why we must move past historical nonsense so that a truer more democratic national record can emerge School Library Journal Originally published to universal acclaim award winning historian Ray Raphael s Founding Myths has since established itself as a landmark of historical myth busting With Raphael s trademark wit and flair Founding Myths exposed the errors and inventions in America s most cherished tales from Paul Revere s famous ride to Patrick Henry s Liberty or Death speech For the thousands who have been captivated by Raphael s eye opening accounts history has never been the same In this revised tenth anniversary edition Raphael revisits the original myths and further explores their evolution over time uncovering new stories and peeling back new layers of misinformation This new edition also examines the highly politicized debates over America s past as well as how our approach to history in school reinforces rather than corrects historical mistakes A book that explores the truth behind the stories of the making of our nation National Public Radio this revised edition of Founding Myths will be a welcome resource for anyone seeking to separate historical fact from fiction Making Connections Low Intermediate Student's Book Jessica Williams, Daphne Mackey, 2011-02-21 Comprehensive course introducing academic texts on high interest topics with advice on reading strategies and vocabulary building skills With Teacher s Manual featuring answer key and teaching suggestions for the activities Suitable for self study building vocabulary and developing reading
