Postmodernism Religion And The Future Of Social Work:

Postmodernism, Religion, and the Future of Social Work Jean A Pardeck, John W Murphy, Roland Meinert, 2012-10-12 Postmodernism Religion and the Future of Social Work discusses the benefits and disadvantages of the postmodern philosophy as a foundation for social work and human service practice Social work students and practitioners will learn about the developments that have shaped postmodern thinking as they pertain to society in general as well as to the profession of social work By exploring this increasingly popular philosophy Postmodernism Religion and the Future of Social Work provides you with methods and theories that help you evaluate contemporary problems more effectively resulting in better services for your clients Challenging traditional social work practices Postmodernism Religion and the Future of Social Work examines postmodernism in terms of a world view that is emerging along indeterminate and ambiguous lines With the goal of helping you provide more helpful and relevant services to your clients Postmodernism Religion and the Future of Social Work discusses many themes related to postmodernism including understanding how principles of postmodernism are characterized by ongoing change indeterminacy and relativism reviewing the historical movement of a postmodern perspective and its present implications on social work practice supporting the strengths perspective through a postmodernist approach discussing some unintended and potentially negative consequences of postmodernism that arise from uncritically adopting postmodernistic principles analyzing the nature of social work and social welfare in Britain and the Western World to gain insight into how social theory is associated with postmodernity postmodernization and post Fordism exploring the postmodernistic relationship between institutionalized religions and social services provided by religious auspices Although postmodernism offers a new and different way of understanding social problems and of structuring social work practice this text urges you to be critical in the evaluation of its aspects and outlines some possibly negative outcomes in certain situations In evaluating postmodernism and its relevance to social services and social problems Postmodernism Religion and the Future of Social Work offers theories and research into methods that go beyond traditional practices to assist you in providing effective and relevant services for your clients

Postmodernism, Religion, and the Future of Social Work Jean A Pardeck, John W Murphy, Roland Meinert, 2012-10-12 Postmodernism Religion and the Future of Social Work discusses the benefits and disadvantages of the postmodern philosophy as a foundation for social work and human service practice Social work students and practitioners will learn about the developments that have shaped postmodern thinking as they pertain to society in general as well as to the profession of social work By exploring this increasingly popular philosophy Postmodernism Religion and the Future of Social Work provides you with methods and theories that help you evaluate contemporary problems more effectively resulting in better services for your clients Challenging traditional social work practices Postmodernism Religion and the Future of Social Work examines postmodernism in terms of a world view that is emerging along indeterminate and ambiguous lines With the goal of helping you provide more helpful and relevant services

to your clients Postmodernism Religion and the Future of Social Work discusses many themes related to postmodernism including understanding how principles of postmodernism are characterized by ongoing change indeterminacy and relativism reviewing the historical movement of a postmodern perspective and its present implications on social work practice supporting the strengths perspective through a postmodernist approach discussing some unintended and potentially negative consequences of postmodernism that arise from uncritically adopting postmodernistic principles analyzing the nature of social work and social welfare in Britain and the Western World to gain insight into how social theory is associated with postmodernity postmodernization and post Fordism exploring the postmodernistic relationship between institutionalized religions and social services provided by religious auspices Although postmodernism offers a new and different way of understanding social problems and of structuring social work practice this text urges you to be critical in the evaluation of its aspects and outlines some possibly negative outcomes in certain situations In evaluating postmodernism and its relevance to social services and social problems Postmodernism Religion and the Future of Social Work offers theories and research into methods that go beyond traditional practices to assist you in providing effective and relevant services for your clients

Social Work Jean A Pardeck,Roland Meinert,Larry W Kreuger,2020-07-24 Discover why social work must be restructured if it is to remain viable Social Work Seeking Relevancy in the Twenty First Century provides you with a critical examination of the major issues that social work education and practice must confront if social work is to remain as a mainline profession The book explores issues that are not normally covered in social work literature such as the challenge of reconstructing the social work profession the use of technology in social work and the tension surrounding various social work education curriculums You will benefit from this thorough discussion of the many problems that the social work profession is facing a lack of scholarly research inadequate educational programs and the use of hypertechnology to educate social work students Social Work Seeking Relevancy in the Twenty First Century examines the epistemological theoretical socio technical and practice directions that social work has branched into You ll discover that today s central direction for social work is generated from liberal postmodern and increasingly feminist ideological perspectives In a field where conceptual and theoretical input rarely allow for intellectual diversity this volume demonstrates that several views are best for inquiry and exploration in social work Issues discussed include examining real or unreal social work values by separating them from beliefs preferences norms attitudes and opinions creating social work course outlines that incorporate practices developed around the globe allowing for more conceptual and theoretical growth within the field realizing the tremendous difference between communication in the instrumental sense via technology and in the affective soul oriented sense via personal interaction investigating the negative effects of communicating with hypertechnology modems e mail in the social work profession realizing the need for a greater quantity and quality of social work research to progress further in the field Social Work Seeking Relevancy in the Twenty First Century invites you to reinvent social work for today s post industrial and

post modern era You will discover a series of challenges that social work must meet and overcome if it is to move into the new century as a relevant and viable profession You will explore solutions such as increasing scholarship and research among social workers and decreasing the use of technology for example classes held via the Internet in social work education programs in order to increase the quality of the social work profession

Advances in Social Work Indiana University School of Social Work,2006 This special issue of the journal *Advances in Social Work* captures the vision of 21 different social work scholars looking ahead to the future in their area of practice Areas include Futures of Social Work as a profession Social Work Education Social Work Values and Ethics Global Social Work Multicultural Social Work Macro Social Work Social Welfare Policy Evidence based Social Work Strengths based Social Work Technology and Social Work Spirituality and Social Work Disabilities and Social Work Aging and Social Work Rural Social Work Families and Social Work Child Welfare and Social Work Schools and Social Work Health Care and Social Work Mental Health and Social Work Addictions and Social Work Criminal Justice and Social Work This insightful special issue offers a grand view of a very diverse profession and the many areas of practice that social workers serve in This special issue will be highly useful in all levels of social work education within introductory policy and practice classes as an invaluable teaching tool It will also be informative reading for professionals in the practice who are interested in seeing cutting edge visions of our future as a profession Every social worker should read this fascinating issue of *Advances in Social Work*

Social Work Jan Fook,2012-03-26 Social work is a human profession founded on social justice It is difficult however to negotiate this in the constantly changing context of the twenty first century Now in its second edition this book considers the critical tradition of social work and updates it with postmodern thinking Jan Fook draws on critical reflection to help social workers deliver flexible responsible and responsive practice and to celebrate the ageless ideals of the profession Key ideas covered in the text include Postmodernism Critical theories Critical reflection Contextuality The author draws on her own experiences to relate theoretical ideas to real life Summaries exercises and further reading are also included in each chapter The book will be essential reading for all undergraduate students of social work It will also be a valuable resource for postgraduate students and qualified professionals who want to revisit the critical tradition of social work

Spiritual Diversity in Social Work Practice Edward R. Canda,Leola Dyrud Furman,Hwi-Ja Canda,2019-11-05 The first edition of this book 1999 Free Press provided the first comprehensive framework of knowledge values and skills for addressing spiritual diversity in social work at a time when this topic was little known or accepted The second edition 2010 Oxford University Press was revised and expanded to reflect the significant growth of interest in spirituality within social work and other helping professions in the USA and around the world This third edition builds on that foundation and much expanded multidisciplinary and international work on the topic during the past eight years including our own In particular this edition includes case examples and insights from a new third author Hwi Ja Canda based on her 30 years of experience as a social work practitioner in order to make the professional applications

of our framework even more vivid and practical The main new features of the third edition are Reorganization of content to enhance flow of ideas and guidelines for practice including expansion of content on assessment and practice with two added chapters in Part III Twice as many case examples and vignettes from personal and professional experiences organized into 40 Scenarios throughout the book Significantly expanded transdisciplinary literature review throughout the book Increased integration of the strengths perspective throughout Increase of international perspective including analysis of worldwide professional codes of ethics More exercises to engage the reader in personal and professional growth Significant refinements of sections on human diversity religious perspectives and addition of 12 Steps perspective in Part II

Social Work Theories in Context Karen Healy, 2022-07-28 This popular and innovative core text book explores contemporary social work theories and perspectives in a systematic way using an integrated and flexible framework to link context theory and practice approaches Healy expertly provides an applied guide to social work theory across a range of organisational contexts showing social work as a diverse activity that is profoundly shaped by professional purpose public policy and practice locations This edition has been comprehensively updated to reflect developments in the contexts and theorising of social work practices This is ideal reading to support and develop undergraduate and postgraduate students taking modules on Social Work Theories and Methods on qualifying professional programmes Its international breadth and supportive pedagogical features have ensured the book's value to students of social work all over the world New to this edition New sections on post humanism and eco social work Coverage of a broader range of critical approaches including feminist and anti racial social work Additional practice exercises drawn from realistic case studies

Human Behavior and the Social Environment, Macro Level Katherine Van Wormer, Fred Besthorn, 2017-02-10 A timely revision in this global age *Human Behavior and the Social Environment Macro Level* develops a sophisticated and original view of the cultural global spiritual and natural worlds that people inhabit and explores the impact of these worlds on human behavior An ecosystems sustainability framework emerges as a key characteristic of contemporary practice What is sustainable social work What are the characteristics of a sustainable community How is the present exploitation of environmental resources unsustainable for future generations In accordance with the 2015 Council on Social Work Education CSWE standards attention is paid to environmental justice as well as diversity and difference

The SAGE Handbook of Social Work Mel Gray, James Midgley, Stephen A Webb, 2012-06-22 This Handbook is the world's first generic major reference work to provide an authoritative guide to the theory method and values of social work in one volume Drawn from an international field of excellence the contributors each offer a critical analysis of their individual area of expertise The result is this invaluable resource collection that not only reflects upon the condition of social work today but also looks to future developments Split into seven parts the Handbook investigates Policy dimensions Practice Perspectives Values and ethics The context of social work Research Future challenges It is essential reading for all students practitioners researchers and academics engaged in social work

Applying Strengths-Based Approaches in

Social Work Deanna Edwards, Kate Parkinson, 2023-05-30 This key text offers the first overview of the strengths based approach in social work from the UK perspective The Social Worker'S Guide To The Social Sciences: Key Concepts

Pierson, John, Thomas, Martin, 2013-04-01 This book provides social work students and professionals with core knowledge of the most important concepts in the social sciences Offering a straightforward guide to diverse and complex disciplines the book will equip and encourage you to delve further into the way societies function and individuals behave **Human Behavior Theory for Social Work Practice** Terry Koenig, Rick Spano, John Thompson, 2019-03-06 Human Behavior Theory for Social Work Practice provides an in depth examination of human behavior theories and helps students apply each theory to social work practice Authors Terry Koenig Rick Spano and John Thompson cover a broad spectrum of theories including ecological psychological and sociopolitical before applying them to a wide range of case examples that represent different stages across the human lifespan Drawing from their extensive knowledge and experience in social work practice and teaching the authors also feature scholarly research and writing to support the understanding of the theoretical overview in each chapter *Critical Practice in Social Work* Robert Adams, Lena Dominelli, Malcolm Payne, 2009-04-16 What do social workers need to know in order to practise skilfully and effectively Edited by three Social Work s leading scholars the second edition of this highly respected textbook helps bridge the gap between social work theory and the challenges of day to day practice Versatile and thoughtful the book s simultaneous accessibility and depth make it essential reading suited for both social work students at undergraduate and post qualifying level Practitioners too will learn and benefit from the insights collected together in this valuable addition to their bookshelf Transpersonal Perspectives on Spirituality in Social Work

Edward R Canda, Elizabeth D Smith, 2013-05-13 Use these ideas in your social work practice to help the whole person including your client s spiritual side Transpersonal Perspectives on Spirituality in Social Work brings to light the fact that spiritual well being is an essential part of the health of every individual It will show you how to facilitate and encourage growth in the transpersonal dimension for your clients and help you to address the full range of human potential from material and psychological well being to spiritual fulfillment Beginning with conceptual and theoretical frameworks for understanding transpersonal theory Transpersonal Perspectives on Spirituality in Social Work goes on to deliver empirical and clinical studies that center on true life experiences and their social work practice implications In this well researched book you will find a comparative analysis of various models of spirituality and spiritual development a study of chronically ill adults that shows how people can draw upon transpersonal experiences and beliefs to increase their resiliency suggestions for alleviating death related anxiety with a transpersonal social constructionist approach theoretical empirical and practical insights into transpersonally oriented hospice work a model for transpersonal couples work that promotes compatibility and intimacy ways to differentiate between delusions hallucinations and real spiritual breakthroughs an examination of the different styles of spirituality of African Americans and European Americans and how they relate to the expression of

violence In this well referenced volume practical techniques and suggestions combine with ways to work for justice and empowerment for marginalized and oppressed populations as well as insights about the fundamental connectedness between people and nature Helpful diagrams charts and tables make the information user friendly Transpersonal Perspectives on Spirituality in Social Work will help you expand the horizons of your practice and provide more effective services to your clients

Spiritual Diversity and Social Work Edward R. Canda, 2003 Edward Canda and colleagues have gathered more than 750 references on spirituality and social work in this comprehensive bibliography with more than 200 references new to the second edition Entries are organized according to topics so scholars students and practitioners can easily identify reference materials matching their interests The compilers have also written more than 150 paragraph length annotations that highlight a wide range of works within each topic Growing awareness among social workers of the role of spirituality in practical life makes this bibliography especially timely The volume s broad coverage of topics in spirituality makes it an excellent resource for readers with diverse interests in the field Pub desc

Families in Society, 2007 *The Catholic Periodical and Literature Index*, 2002

Family Health John T. Pardeck, Francis K. O. Yuen, 1999-05-30 The profession of social work has since its inception stressed the importance of the family system in practice and policy development Even though the family has always been central to effective social work practice the framing of the family system from a holistic health perspective is new to the field This collection develops a family health perspective that will facilitate effective social work practice and policy development Family health is an emerging practice orientation within the field of social work A family health orientation practice utilizes a holistic approach that examines family strength and stress inside and outside the family system How families perceive these conditions and their ability to adapt and change will greatly determine how concerns are managed by the family system A critical role of the social work practitioner is to help families deal with these pressures at both the micro and macro levels The family health perspective examined in this collection deals with assessment and intervention through a family health approach research and evaluation on family health family health and cultural diversity family health and social policy and social service delivery through a family health approach
