Public Policy And Urban Crime

Daryl A. Hellman

Public Policy And Urban Crime:

Inequality, Crime and Public Policy (Routledge Revivals) John Braithwaite, 2013-09-13 First published in 1979 *Inequality Crime and Public Policy* integrates and interprets the vast corpus of existing research on social class slums and crime and presents its own findings on these matters It explores two major questions First do policies designed to redistribute wealth and power within capitalist societies have effects upon crime Second do policies created to overcome the residential segregation of social classes have effects on crime The book provides a brilliantly comprehensive and systematic review of the empirical evidence to support or refute the classic theories of Engles Bonger Merton Cloward and Ohlin Cohen Miller Shaw and McKay amongst many others Braithwaite confronts these theories with evidence of the extent and nature of white collar crime and a consideration of the way law enhancement and law enforcement might serve class interest **The Urban Public Sector and Urban Crime** Daryl A. Hellman, 1980 **Crime, Communities, and Public Policy** Chicago Assembly, 1995 Hardy management McGill U examines how Canadian university administrators responded to declining enrolment funding cutbacks and public demands for more accountability during the 1980s Citing six examples she argues that their efforts to centralize authority and reallocate resources have failed to account for the political realities of university life and conflict and recommends they take a broader view and seek consensus among competitors for scarce resources Canadian card order number C95 920993 X Annotation copyright by Book News Inc Portland OR **Urban Crime and Social Disorganization in China** Haiyan Xiong, 2015-10-19 The book selects Guangzhou which has the highest crime rate in China as a research site to study patterns of crime and social disorganization It combines methods of content analyses with ethnographic fieldwork The research first selected 1422 crime cases reported by the influential Southern Metropolis Daily in 2013 to identify the general crime distribution pattern The findings suggest that both spatial and demographic density distribution of criminal cases in Guangzhou show a gradient circle pattern from city center to suburb Focusing on three selected typical communities the thesis finds important patterns of crime and social disorganization that are very different from Western research These findings are organized according to major correlates of social disorganization including unemployment marriage and family residential stability ethnic heterogeneity social equality social capital social control social isolation and social exclusion community cohesion trust and fear traditions morals and beliefs language These findings extend and elaborate Social Disorganization Theory in urban China This book can be used as a textbook for college and Ph D students majoring in law and sociology as well as a reference book for professionals in related fields Although academic this book is written in such a way that it will also appeal to a general audience *Crime and Public Policy* James Q. Wilson, Joan Petersilia, 2012-06-01 Crime in the United States has fluctuated considerably over the past thirty years as have the policy approaches to deal with it During this time criminologists and other scholars have helped to shed light on the role of incarceration prevention drugs guns policing and numerous other aspects to crime control Yet the latest research is rarely

heard in public discussions and is often missing from the desks of policymakers This book accessibly summarizes the latest scientific information on the causes of crime and evidence about what does and does not work to control it Thoroughly revised and updated this new version of Crime and Public Policy will include twenty chapters and five new substantial entries As with previous editions each essay reviews the existing literature discusses the methodological rigor of the studies identifies what policies and programs the studies suggest and then points to policies now implemented that fail to reflect the evidence The chapters cover the principle institutions of the criminal justice system juvenile justice police prisons probation and parole sentencing how broader aspects of social life inhibit or encourage crime biology schools families communities and topics currently generating a great deal of attention criminal activities of gangs sex offenders prisoner reentry changing crime rates With contributions from trusted leading scholars Crime and Public Policy offers the most comprehensive and balanced guide to how the latest and best social science research informs the understanding of crime and its control for policymakers community leaders and students of crime and criminal justice

Urban Crime Prevention Miguel

Saraiva,2022-10-28 This book provides an original cross thematic and wide scope review of crime prevention processes in urban areas that are explicitly based on the cooperation between different scientific and professional fields Focusing primarily on environmental and community based crime prevention this book compiles a peer reviewed collection of papers and prospective essays that explore how and to what extent multi disciplinarity can be used as a cornerstone for achieving safer cities Relying on the input from specialists researchers decision makers and practitioners from around the world it covers the various stages from theory to implementation by discussing theoretical stances interpreting policy and planning guidelines uncovering unique educational experiences and narrating insights and lessons learned from innovative research and practice Hence it provides vivid discussions and invaluable insights into processes of partnership building planning and management oriented towards establishing successful mechanism for preventing crime and reducing feelings of insecurity in urban areas

Breaking Rules: The Social and Situational Dynamics of Young People's Urban Crime Per-Olof H.

Wikström,2012-05-24 Breaking new ground in the study of crime in urban environments Breaking Rules The Social and Situational Dynamics of Young People s Urban Crimeexamines the findings theoretical basis and new methodology of The Peterborough Adolescent and Young Adult Development Study PADS This major longitudinal study investigates the role of the social environment on crime causation involving a cohort of 700 young people from the age of 12 A particular aim of PADS is to employ a new theory known as Situational Action Theory as well as the innovative methodology of econometrics combined with space time budgets to improve the study of young people s offending and its changes By reviewing the current literature and analysing the theoretical and methodological problems of previous research the book explains how Situational Action Theory can help overcome central problems in criminological theorising Using this new and innovative framework it presents an analysis of the urban structure of Peterborough and its correlation to the differences in social life found in that

area The variations in the urban environment are examined in terms of crime victimization and fear of crime and a detailed examination of young persons crime and its spatial patterns is offered through the unique space time budget data collected within PADS that enables analyses of young people their movements and crime involvement With implications for policy and prevention as well as being the first study of its kind this book should be of great interest to policy makers and practitioners interested in issues of urban environments as well as those studying crime in the urban environment and the role of the social environment in crime causation *Race, Law and Public Policy* Robert Johnson (Jr.),1998 *Crime Prevention in the Urban Community* Koichi Miyazawa, Setsuo Miyazawa, 2023-09-20 One of today s most pressing issues in criminology and crime prevention is the problem of crime in our cities and towns and its prevention The topic of crime prevention in the Urban Community was discussed at the 47th International Course of the International Society for Criminology ISC held at Chuo University Tokyo It was the very first time such an ISC meeting was held in Asia and this meant that finally a relatively large number of Japanese and other Asian participants were able to express their views on criminal policy and crime prevention in urban centres all over the world Crime in urban communities is not an exclusively Western phenomenon but it is also a considerable problem in other parts of the world This makes an interchange of ideas between Western Eastern and Third World criminologists particularly important General characteristics of the urban communities that suffer from a high crime rate are ethnic and racial tensions a mix of old housing areas and new business districts a prevailing sense of anonymity slums and juvenile delinquency The existence of these general characteristics besides mutual differences makes cooperation in the crime prevention sphere definitely worth the effort *Public Policy Analysis* William N. Dunn, 2015-07-22 Dunn presents a problem oriented integrated multidisciplinary synthesis of concepts and methods of public policy analysis The text draws from political science public administration economics decision analysis and social and political theory

Key Ideas in Criminology and Criminal Justice Travis C. Pratt, Jacinta M. Gau, Travis W. Franklin, 2010-10-12 Explores the key contributions to the fields of criminology and criminal justice from the late 18th century to today and the conditions that led to their prominence The development of both criminology and criminal justice has been characterized by different theories and ideas that capture academic and sometimes political imaginations and send the discipline veering in entirely new directions Why did these ideas catch on What about them attracted and held scholars attention and on occasion caused them to impact policy considerations Why do they still have value today These are the questions addressed in *Key Ideas in Criminology and Criminal Justice* *Key Ideas in Criminology and Criminal Justice* is an innovative fascinating treatment of some of the seminal theories in criminology and key policies in criminal justice offering a detailed and nuanced picture of these core ideas With a fluid accessible and lively writing style this brief text is organized around major theories ideas and movements that mark a turning point in the field and concludes with a discussion of the future of criminology and criminal justice Readers will learn about the most salient criminological and criminal justice research and understand its influence on

theory and policy They will also understand the surrounding socio political conditions from which the ideas sprang and the style and manner in which they were disseminated both of which helped these scholarly contributions become cornerstones in the fields of criminology and criminal justice

The Politics of Crime Prevention Kevin H. Wozniak, 2023-06-13 The Politics of Crime Prevention explores American public opinion about community investment designed to address the root causes of crime and examines the politics of crime prevention funding such as the defund the police debate

International Public Policy Analysis George M. Guess, Thomas Husted, 2016-07-15 Most public policy analysis books currently on the market are US centric and focused on quantitative analysis while comparative public policy textbooks are oriented around countries and specific policy processes International Public Policy Analysis is the first textbook to take a truly comparative and cross cultural approach organized around policy issues to examine important policy lessons that affect the everyday lives of citizens Authors George Guess and Thomas Husted demonstrate that incremental marginal changes in sectoral policy systems using cross national lessons can lead to larger changes in country policies democracy and better governance While whole systems policy transfer without major adaptation to local cultural and institutional contexts often does not work many opportunities exist in each sector for operational level piecemeal transfer of lessons and practices to improve policy performance Jargon free and using a cross cultural approach the individual chapters in this book utilize a 3 level analysis to review the policy issue areas present analytic tools and frameworks and provide cases exercises for practice in applying the methods and frameworks International Public Policy Analysis is an essential upper level undergraduate and graduate textbook for courses on comparative public policy policy process political economy and international policy analysis and may also be used as required reading in introductory public affairs and policy courses at the graduate level

Crime and Justice, Volume 42: Crime and Justice in America Michael Tonry, 2013-10-06 For the American criminal justice system 1975 was a watershed year Offender rehabilitation and individualized sentencing fell from favor The partisan politics of law and order took over Among the results four decades later are the world's harshest punishments and highest imprisonment rate Policymakers interest in what science could tell them plummeted just when scientific work on crime recidivism and the justice system began to blossom Some policy areas sentencing gun violence drugs youth violence became evidence free zones In others developmental crime prevention policing recidivism studies evidence mattered Crime and Justice in America 1975 2025 tells how policy and knowledge did and did not interact over time and charts prospects for the future What accounts for the timing of particular issues and research advances What did science learn or reveal about crime and justice and how did that knowledge influence policy Where are we now and perhaps even more important where are we going The contributors to this volume the leading scholars in their fields bring unsurpassed breadth and depth of knowledge to bear in answering these questions They include Philip J Cook Francis T Cullen Jeffrey Fagan David Farrington Daniel S Nagin Peter Reuter Lawrence W Sherman and Franklin E Zimring For thirty five years the Crime and Justice series has provided a platform for the work of

sociologists psychologists criminal lawyers justice scholars and political scientists as it explores the full range of issues concerning crime its causes and its remedies *The Challenge of Slums* United Nations Human Settlements Programme, 2012-05-23 *The Challenge of Slums* presents the first global assessment of slums emphasizing their problems and prospects Using a newly formulated operational definition of slums it presents estimates of the number of urban slum dwellers and examines the factors at all level from local to global that underlie the formation of slums as well as their social spatial and economic characteristics and dynamics It goes on to evaluate the principal policy responses to the slum challenge of the last few decades From this assessment the immensity of the challenges that slums pose is clear Almost 1 billion people live in slums the majority in the developing world where over 40 per cent of the urban population are slum dwellers The number is growing and will continue to increase unless there is serious and concerted action by municipal authorities governments civil society and the international community This report points the way forward and identifies the most promising approaches to achieving the United Nations Millennium Declaration targets for improving the lives of slum dwellers by scaling up participatory slum upgrading and poverty reduction programmes *The Global Report on Human Settlements* is the most authoritative and up to date assessment of conditions and trends in the world's cities Written in clear language and supported by informative graphics case studies and extensive statistical data it will be an essential tool and reference for researchers academics planners public authorities and civil society organizations around the world The Oxford Handbook of Crime and Criminal Justice Michael Tonry, 2011-09-29 A comprehensive and accessible overview of the operation of the American criminal justice system *The Oxford Handbook of Crime and Criminal Justice* covers a wide range of issues making it an important reference for students and scholars in criminal justice law and public policy Enhancing Urban Safety and Security United Nations Human Settlements Programme, 2007 First Published in 2007 Routledge is an imprint of Taylor Francis an informa company Fairness and Effectiveness in Policing National Research Council, Division of Behavioral and Social Sciences and Education, Committee on Law and Justice, Committee to Review Research on Police Policy and Practices, 2004-05-06 Because police are the most visible face of government power for most citizens they are expected to deal effectively with crime and disorder and to be impartial Producing justice through the fair and restrained use of their authority The standards by which the public judges police success have become more exacting and challenging *Fairness and Effectiveness in Policing* explores police work in the new century It replaces myths with research findings and provides recommendations for updated policy and practices to guide it The book provides answers to the most basic questions What do police do It reviews how police work is organized explores the expanding responsibilities of police examines the increasing diversity among police employees and discusses the complex interactions between officers and citizens It also addresses such topics as community policing use of force racial profiling and evaluates the success of common police techniques such as focusing on crime hot spots It goes on to look at the issue of legitimacy how the public gets

information about police work and how police are viewed by different groups and how police can gain community trust
Fairness and Effectiveness in Policing will be important to anyone concerned about police work policy makers administrators
educators police supervisors and officers journalists and interested citizens Crime and Justice, Volume 45 Michael
Tonry, 2017-02-22 Sentencing Policies and Practices in Western Countries Comparative and Cross national Perspectives is the
forty fifth addition to the Crime and Justice series Contributors include Thomas Weigend on criminal sentencing in Germany
since 2000 Julian V Roberts and Andrew Ashworth on the evolution of sentencing policy and practice in England and Wales
from 2003 to 2015 Jacqueline Hodgson and Laurie Soubise on understanding the sentencing process in France Anthony N
Doob and Cheryl Marie Webster on Canadian sentencing policy in the twenty first century Arie Freiberg on Australian
sentencing policies and practices Krzysztof Krajewski on sentencing in Poland Alessandro Corda on Italian policies Michael
Tonry on American sentencing and Tapio Lappi Seppälä on penal policy and sentencing in the Nordic countries The
Handbook of Social Policy James Midgley, Michelle Livermore, 2009 The Handbook of Social Policy is a comprehensive
examination of the development implementation and impact of social policy The contributors document the substantial body
of knowledge about government social policies and their driving forces

Unveiling the Energy of Verbal Artistry: An Emotional Sojourn through **Public Policy And Urban Crime**

In some sort of inundated with screens and the cacophony of instant conversation, the profound energy and psychological resonance of verbal art often diminish into obscurity, eclipsed by the continuous onslaught of noise and distractions. However, set within the lyrical pages of **Public Policy And Urban Crime**, a charming function of literary elegance that impulses with natural emotions, lies an unforgettable journey waiting to be embarked upon. Written with a virtuoso wordsmith, that magical opus books viewers on a psychological odyssey, delicately exposing the latent potential and profound affect stuck within the elaborate web of language. Within the heart-wrenching expanse of this evocative examination, we will embark upon an introspective exploration of the book is central styles, dissect its charming writing model, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
