# Public Policy In Israel Perspectives And Practices

**J. Christopher Soper, Joel S. Fetzer**

## **Public Policy In Israel Perspectives And Practices:**

**Public Policy in Israel** Dani Korn,2005-01-01 In a nation that lacks consensus on the very nature of the state and where policy making is heavily controlled by partisan politics improved policy implementation capabilities are crucial for the very survival of Israeli society Public Policy in Israel presents a framework for understanding this country s fractured decision making process and a blueprint for the radical reform of its policy making system **Policy Analysis in Israel** Gila

Menahem,Amos Zehavi,2016-02-24 Israel is considered a developed country yet both security issues and its frequently changing demographic makeup set Israel apart and imply that Israeli policy analysts must operate in a unique environment and grapple with exceptional challenges This volume part of the successful International Library of Policy Analysis series brings together for the first time a comprehensive study of policy analysis in Israel Following an introductory chapter that discusses the paradoxical history of policy analysis in Israel by Yehezkel Dror leading figures from both the Israeli public and academic spheres discuss different aspects of policy analysis in Israel While Israeli policy analysis is in some respects unique Israel also represents a broad category of states that could be considered as policy analysis late developers Hence while Israeli policy analysis is fascinating in and of itself its study also holds important lessons for other countries **Local**

**Government Reforms in Countries in Transition** Frederick A. Lazin,Matt Evans,Vincent Hoffmann-Martinot,2008-05-01 Local Government Reforms in Countries in Transition explores the impacts that the end of the Cold War and increased globalization have had on government around the world The decentralization of national governments has led to a greater role for local governments public administration and democratic representation are the new arena of local governments the world over Focusing not only on countries from the former Soviet Union but also on Israel China South Africa and Egypt the contributors to this volume present a truly global investigation of countries experiencing governmental transformation

**Voluntary Environmental Programs** Peter DeLeon,Jorge E. Rivera,2010-01-01 Voluntary Environmental Programs pose a means by which industry government and other interested groups can cooperatively agree upon socially acceptable restraints Rather than relying on complete government control of environmental laws Voluntary Environmental Programs rely on a voluntary system for businesses They pose their unique problems predicated on the effectiveness of voluntary self constraint **Israel's Strategic Agenda** Efraim Inbar,2013-09-13 Divided into two clear parts the first part of this book

examines political and economic factors in the global strategic environment including the approach of US and EU foreign policies towards Israel global trends in the field of defence industries and the energy sector and their implications for the Middle East and Israel The second part focuses on Israel s strategic agenda as reflected in its military force design and doctrine the dilemmas the country has faced in the course of fighting its wars of attrition the relations between military and civil sectors in Israel the struggle against Israel on the part of non governmental organizations Israel s main security challenges and national grand strategy This book was previously published as a special issue of Israel Affairs **Higher**

**Education and Equality of Opportunity** Fred A. Lazin, N. Jayaram, Matt Evans, 2012-07-10 The movement to broaden access to public universities the dominant strategy during the 1970s and 1980s has largely shifted to enable the marketplace rather than the government to shape the contours of higher education Government funding is being reduced affirmative action and other programs designed to insure broader access are in decline and personal fulfillment is replacing a public good designed to insure greater equality of opportunities This book explores the impact of diminishing government resources and expanding market forces in developing and developed countries to either foster or lessen equality of opportunities in higher education for different racial ethnic religious and gender groupings What are the consequences of a market driven higher education for student access teaching and scholarship Through case studies this book explores issues such as access of minority groups within the larger societies the place of foreign students in a national system and access for students with mental health difficulties and evaluates the success of funding schemes designed to expand opportunities and access The research provides an interesting contrast of the diversity and uniqueness of higher education in the United States France Australia India Israel South Korea The Netherlands Ghana and several other countries while at the same time revealing surprising commonalities These studies reveal world wide trends in higher education including a cutback in government financing a decline in access and a receding of affirmative action This book is an important addition to the literature on higher education during the age of globalization and the decline of government funding of higher education The studies provide important data about the current situation in higher education in countries around the world

The 1973 Yom Kippur War and the Reshaping of Israeli Civil-Military Relations Udi Lebel, Eyal Lewin, 2015-05-06 The 1973 Yom Kippur War did not only have external implications on Israel but also some dramatic internal implications particularly with regards to the civil military relations as well as the fields of psychology and political sociology To this day the consequences of this war are still prevalent in Israel in terms of drafting security policies and the military doctrine After the war new identities were formed in the Israeli civil society which began to function as active agents in shaping security policy These players are not a unique Israeli case yet their actions in Israel serve as a case study that illuminates their significant impact in other countries as well This is due to the fact that the Israeli Laboratory is a liberal democratic society living with an ongoing conflict it has a mandatory army that is sensitive to fluctuations in public opinion culture and the media and issues of national security and military conduct are always a top public concern Consequently this book examines the rise of five identities and agents that were formed after the 1973 War and highlights the effects they had on the formation of Israeli defense policy from then on The book also clarifies the importance of exposure to these agents activities referring to the psycho political social factors that may actually dictate a state s international policies It therefore forms a study that connects sociology political psychology international relations the field of culture studies and studies of strategy planning Thus the book is of interest to both the domestic Israeli field of research and to the global scholarly discourse particularly to academic disciplines engaged

in civil military relations political sociology political science      **Labor in Israel** Jonathan Preminger, 2018-04-15 Using a comprehensive analysis of the wave of organizing that swept the country starting in 2007 *Labor in Israel* investigates the changing political status of organized labor in the context of changes to Israel's political economy including liberalization the rise of non union labor organizations the influx of migrant labor and Israel's complex relations with the Palestinians Through his discussion of organized labor's relationship to the political community and its nationalist political role Preminger demonstrates that organized labor has lost the powerful status it enjoyed for much of Israel's history Despite the weakening of trade unions and the Histadrut however he shows the ways in which the fragmentation of labor representation has created opportunities for those previously excluded from the labor movement regime Organized labor is now trying to renegotiate its place in contemporary Israel a society that no longer accepts labor's longstanding claim to be the representative of the people As such Preminger concludes that organized labor in Israel is in a transitional and unsettled phase in which new marginal initiatives new organizations and new alliances that have blurred the boundaries of the sphere of labor have not yet consolidated into clear structures of representation or accepted patterns of political interaction      *Consumption and Market Society in Israel* Kalman Applbaum, Yoram S. Carmeli, 2020-05-26 Over the past two decades Israel has been remaking itself in line with the commercial models of Western market societies Nowhere is this trend more evident than in private consumption patterns Most Israelis crave parity with Western lifestyles private automobiles mobile phones spacious housing fashionably furnished accessibility to shopping malls and leisure travel abroad Alongside these new aspirations internationally branded commodities and franchises such as McDonald's Office Depot Benetton IKEA and Toys R Us increasingly feature in the Israeli landscape and advertising has emerged as a primary vehicle for persuasion competition and cultural expression This book is the first to explore fully the significance of these transformations The authors show how different groups kibbutzniks Israeli Arabs Ultra Orthodox Jews new immigrants and middle class Israelis alternately exhibit a suspicion towards and enthusiasm for the enhanced individual freedoms of a consumer market society Lifestyle consumerism is recognized as an alien import potentially disruptive of the ethos of communality common destiny and national purpose At the same time because consumption helps unite diverse groups to the greater whole of the nation the globe and modernity it conveys a sense of normalcy and affluence in a time of major social transition and political turmoil *Consumption and Market Society in Israel* is not only innovative in its research but it is a timely contribution to a hotly debated topic      *Beyond Realism* Rekha Datta, 2010-04-20 Focusing on India and Pakistan this book adopts an innovative combination of realist analysis with a human security approach It will be a valuable resource for a wide variety of scholars practitioners and analysts who focus on policy analysis in South Asia Graduate students and advanced undergraduates studying comparative politics and human security issues in South Asia will find useful perspectives in the volume's fresh focus on including human security as a policy priority      **The Struggle for Jerusalem's Holy Places** Wendy Pullan, Maximilian Sternberg, Lefkos

Kyriacou, Craig Larkin, Michael Dumper, 2013-11-20 *The Struggle for Jerusalem's Holy Places* investigates the role of architecture and urban identity in relation to the political economy of the city and its wider state context seen through the lens of the holy places. Reflecting the broad disciplinary backgrounds of the authors, this book provides perspectives from architecture, urbanism, and politics and provides in-depth investigations of historical, ethnographic, and policy-related case studies. The research is substantiated by fieldwork carried out in Jerusalem over the past ten years as part of the ESRC Large Grants project *Conflict in Cities*. By analysing new dynamics of radicalisation through land seizure, the politicisation of parklands and tourism, the strategic manipulation of archaeological and historical narratives and material culture, and through examination of general appropriation of Jerusalem's varied rituals, memories, and symbolism for factional uses, the book reveals how possibilities of co-existence are seriously threatened in Jerusalem. Shedding new light on the key role played by everyday urban life and its spatial settings for any future political agreements about the city and its religious sites, this book is a useful reference work for students and scholars of Middle East Studies, Architecture, Religion, and Urban Studies.

*The Crisis of Zionism* Peter Beinart, 2012-03-27 Israel's next great crisis may come not with the Palestinians or Iran but with young American Jews. A dramatic shift is taking place in Israel and America. In Israel, the deepening occupation of the West Bank is putting Israeli democracy at risk. In the United States, the refusal of major Jewish organizations to defend democracy in the Jewish state is alienating many young liberal Jews from Zionism itself. In the next generation, the liberal Zionist dream, the dream of a state that safeguards the Jewish people and cherishes democratic ideals, may die. In *The Crisis of Zionism*, Peter Beinart lays out in chilling detail the looming danger to Israeli democracy and the American Jewish establishment's refusal to confront it. And he offers a fascinating, groundbreaking portrait of the two leaders at the center of the crisis: Barack Obama, America's first Jewish president, a man steeped in the liberalism he learned from his many Jewish friends and mentors in Chicago; and Benjamin Netanyahu, the Israeli prime minister who considers liberalism the Jewish people's special curse. These two men embody fundamentally different visions, not just of American and Israeli national interests but of the mission of the Jewish people itself. Beinart concludes with provocative proposals for how the relationship between American Jews and Israel must change and with an eloquent and moving appeal for American Jews to defend the dream of a democratic Jewish state before it is too late.

**Israel and its Army** Stuart A. Cohen, 2008-01-24 The Israel Defense Force (IDF) plays a key role in Israeli society and has traditionally been perceived not only as the guardian of national survival but also as a people's army responsible for the custody of national values. This volume analyses the circumstances currently undermining these perceptions and explores both the changes occurring.

*Israel at the Polls 2015* Eithan Orkibi, Manfred Gerstenfeld, 2018-10-15 Less than two years after winning the 2013 elections, Prime Minister Benjamin Netanyahu announced his intention to dissolve his government, paving the way for general elections. While the initial impression was that the upcoming elections were pointless and unnecessary, the campaign gradually turned into a passionate

and dramatic political competition which reflected and reenergized the ideological social ethnic and cultural divides of Israeli society This book describes and analyses a great variety of political sociological and cultural dimensions of the 2015 elections for the 20th Knesset Covering issues such as voters behaviour coalition formation figures of leadership political identities political communication and persuasion this rich collection of essays offers a unique and comprehensive perspective on Israeli political culture in general and on the Israeli society in the midst of the 2015 elections in particular It also offers theoretical insight to anyone interested in parliamentary politics and party systems in general This book was originally published as a special issue of the journal *Israel Affairs*      *Communicating Security* Udi Lebel,2013-09-13 This book analyzes the changes and tendencies expressed in the relation between army and society in Israel Since its inception Israel has been defined as a nation in arms a public space in which the security needs became central and to a great extent dictated the agenda and functioning of all the public arenas operating in it The theoretical investigation is accompanied by case study illustrations of special instances related to the nexus between security and society security and politics the army and the media the army and public relations security and culture bereavement and commemoration social motivation to serve in the army the army and foreign policy Lebel explores the connection between the military and culture in Israel against the backdrop of globalization individualism liberalism and social burn out in the face of survival and change      **Global Latin(o) Americanos** Mark Overmyer-Velázquez, Enrique Sepúlveda,2018 Global Latin o Americanos addresses and reframes a central issue of our time the challenge of incorporating immigrants into Western societies and economies which too often frame immigrants as the problem How Latino immigrants respond and exercise agency under familiar and unfamiliar global conditions is of critical importance on several fronts including the health of democratic societies and the diverse expressions of citizenship across the Latino diaspora Building on the scholarship of new migratory destinations of people from Latin America and the Caribbean Global Latin o Americanos moves toward studies of diasporic citizenship this shift not only de centers U S dominant interpretations but also places less emphasis on the nation state and its economic systems as units of analysis The book includes work by leading scholars of migration in Latin America Asia Europe and the United States It examines a wide range of intraregional and transoceanic migratory flows and addresses critical themes from several disciplinary perspectives      *The Strategic Perspective and Long-Term Socioeconomic Strategies for Israel* Steven W. Popper,Howard J. Shatz,Shmuel Abramzon,Claude Berrebi,Shira Efron,2015-09-30 RAND researchers supported a high level Israeli government team tasked with improving long term socioeconomic strategy for the state This report highlights selected inputs made to the government team to summarize the essential mechanics and roles for bringing a strategic perspective to policy consideration To show how one can use a strategic perspective in an analysis of policy choices the report uses the example of an aging population      **Religion and Nationalism in Global Perspective** J. Christopher Soper,Joel S. Fetzer,2018-10-11 It is difficult to imagine forces in the modern world as potent as nationalism and religion Both provide

people with a source of meaning each has motivated individuals to carry out extraordinary acts of heroism and cruelty and both serve as the foundation for communal and personal identity While the subject has received both scholarly and popular attention this distinctive book is the first comparative study to examine the origins and development of three distinct models religious nationalism secular nationalism and civil religious nationalism Using multiple methods the authors develop a new theoretical framework that can be applied across diverse countries and religious traditions to understand the emergence development and stability of different church state arrangements over time The work combines public opinion constitutional and content analysis of the United States Israel India Greece Uruguay and Malaysia weaving together historical and contemporary illustrations

**Presidential Campaign Activities of 1972, Senate Resolution 60: Phase II. Campaign practices. 3 v** United States. Congress. Senate. Select Committee on Presidential Campaign Activities, 1973 **Israel in Comparative Perspective** Michael N. Barnett, 2012-02-01 Because Israel is unique in many dimensions many social scientists consider it a historical peculiarity Neither East nor West developed nor undeveloped capitalist nor socialist Third World nor First World Israel has little in common with other countries and their historical experiences This book of original essays challenges the image of Israeli uniqueness and the status of the Israeli case and at the same time corrects some common misperceptions about the comparative method in general and case selection in particular At the same time it compares Israeli and Arab experiences and addresses critical issues in Middle Eastern studies To challenge the image of Israeli uniqueness the authors situate Israel's history in comparative context employ macrohistorical concepts both to reexamine the Israeli case and to build bridges between Israel and other historical experiences and use the Israeli case to reconsider existing social science theories Articles by Michael Barnett Yehezkal Dror Rebecca Kook Ian Lustick Joel Migdal Gershon Shafir Gabriel Sheffer Shibley Telhami and Mark Tessler and Ina Warriner Israel in Comparative Perspective demonstrates how our understanding of the region can be enriched by using models and theories developed in other regions to reexamine Israeli history

### **Public Policy In Israel Perspectives And Practices Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Public Policy In Israel Perspectives And Practices has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Public Policy In Israel Perspectives And Practices has opened up a world of possibilities. Downloading Public Policy In Israel Perspectives And Practices provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Public Policy In Israel Perspectives And Practices has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Public Policy In Israel Perspectives And Practices. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Public Policy In Israel Perspectives And Practices. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Public Policy In Israel Perspectives And Practices, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Public Policy In Israel Perspectives And Practices has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Public Policy In Israel Perspectives And Practices Books**

**What is a Public Policy In Israel Perspectives And Practices PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Public Policy In Israel Perspectives And Practices PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Public Policy In Israel Perspectives And Practices PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Public Policy In Israel Perspectives And Practices PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Public Policy In Israel Perspectives And Practices PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
