Lindquist,Penelope Marshall**

Public Service The Cpa:

Fire and Rescue Services Peter Murphy, Kirsten Greenhalgh, 2017-09-10 This unique text fills a major gap in the emergency services literature by surveying the research on fire and rescue service management in the UK An extensive evidence base focuses on organizational culture leadership skills standards and accountability emphasizing the services dual roles as first responders and guardians of public safety and prevention The implications for international public health and safety programs are made clear as the services recent history illustrates the complex challenges typical of functioning within local and national political contexts Chapters take on a broad range of management leadership service delivery and staffing concerns including Evolution and adaptation of fire and rescue services during periods of expansion and austerity Civil protection as a local and national priority Structural issues assessments and improvements collaborations with other services Emerging social concerns diversity gender equality the aging worker population The concepts and consequences of heroes and heroism Future directions for governance transparency and accountability Fire and Rescue Services complements the earlier volumes in the Leadership Management of Emergency Services series with equal parts realism and vision It should interest a wide audience of public policymakers public managers and emergency service personnel as well as academics and researchers

Evaluating Information Systems Zahir Irani, Peter Love, 2008-05-12 The adoption of Information Technology IT and Information Systems IS represents significant financial investments with alternative perspectives to the evaluation domain coming from both the public and private sectors As a result of increasing IT IS budgets and their growing significance within the development of an organizational infrastructure the evaluation and performance measurement of new technology remains a perennial issue for management This book offers a refreshing and updated insight into the social fabric and technical dimensions of IT IS evaluation together with insights into approaches used to measure the impact of information systems on its stakeholders In doing so it describes the portfolio of appraisal techniques that support the justification of IT IS investments Evaluating Information Systems explores the concept of evaluation as an evolutionary and dynamic process that takes into account the ability of enterprise technologies to integrate information systems within and between organisations In particular when set against a backdrop of organisational learning It examines the changing portfolio of benefits costs and risks associated with the adoption and diffusion of technology in today s global marketplace Finally approaches to impact assessment through performance management and benchmarking is discussed

Accounting and Auditing Practices and Procedures United States. Congress. Senate. Committee on Governmental Affairs. Subcommittee on Reports, Accounting, and Management, 1977

New Accountabilities, New Challenges John Wanna, Evert A. Lindquist, Penelope Marshall, 2015-04-08 This important and challenging volume of essays draws on insights from leading academics and public servants from Australia New Zealand the United Kingdom Canada and elsewhere It provides an excellent series of critiques of both the systemic accountabilities and the policy processes of government by drawing on

Regional Comparisons in Comparative Policy Analysis Studies Iris Geva-May,B. Guy Peters,Joselyn Muhleisen,2020-06-29 Volume Three of the Classics of Comparative Policy Analysis contains chapters concerned with Regional Comparisons and Policy Analysis one of the most prevailing approaches in comparative public policy Through the prism of inter jurisdiction comparisons of similarities and variations they address comparisons in specific policy sectors governance or institutional constructs and political regimes The foci are nevertheless on those comparisons between countries or regions which help to lesson draw by identifying and understanding the variation in policy analysis and policy making that exists within or across regions One benefit of regional comparisons is that it often allows studies to hold constant many variables ranging from colonial legacy to federal systems or from language to specific traditions and more effectively isolate dependent variables Regional organizations like the Organization for Economic Co operation and Development OECD or European Union are also considered as catalysts for regional policy approaches and harmonization and occupy a major role in this volume The chapters address a broad and diverse number of countries and geographical areas Latin America North America East Asia Southeast Asia Southern Africa the Baltic states the Nordic states Western Europe Central Europe Eastern Europe and Europe as a whole Regional Comparisons and Policy Analysis will be of great interest to scholars and learners of public policy and social sciences as well as to practitioners considering what can be learned or facilitated through methodologically and theoretically sound approaches The chapters were originally published as articles in the Journal of Comparative Policy Analysis which in the last two decades has pioneered the development of comparative public policy The volume is part of a four volume series the Classics of Comparative Policy Analysis including Theories and Methods Institutions and Governance Regional Comparisons and Policy Sectors Each volume showcases a different new chapter comparing domains of study interrelated with comparative public policy political science public administration governance and policy design authored by the JCPA co editors Giliberto Capano Iris Geva May Michael Howlett Leslie A Pal and B Guy Peters **The Cosmopolitan** ,1916 *American Illustrated Magazine* ,1917 1980 Census of Population ,1982 Directory of Consultants ,1985

The Global Handbook of Media Accountability Susanne Fengler, Tobias Eberwein, Matthias Karmasin, 2021-12-30 The Global Handbook of Media Accountability brings together leading scholars to de Westernize the academic debate on media accountability and discuss different models of media self regulation and newsroom transparency around the globe With examination of the status quo of media accountability in 43 countries worldwide it offers a theoretically informed comparative analysis of accountability regimes of different varieties As such it constitutes the first interdisciplinary academic framework comparing structures of media accountability across all continents and creates an invaluable basis for further research and policymaking It will therefore appeal to scholars and students of media studies and journalism mass communication sociology and political science as well as policymakers and practitioners

Kenya Gazette, 1987-11-20 The Kenya Gazette is an official publication of the government of the Republic of Kenya It contains notices of new legislation notices required to be published by law or policy as well as other announcements that are published for general public information It is published every week usually on Friday with occasional releases of special or supplementary editions within the week

Constitutional Change in Singapore Jaclyn Neo, Swati Jhaveri, 2019-12-09 Once a ceremonial position modelled after the constitutional monarchy in the United Kingdom the office of the President of Singapore was transformed from an appointed to an elected one in 1991 As the head of state but not the head of government the elected President was to have additional discretionary powers involving the spending of financial reserves appointment of high ranking public servants and certain ministerial powers to detain without trial In 2016 a constitutional commission was convened to consider further reforms to the office and the elections process This book explores Singapore's presidency assessing how well it has functioned discussing the rationales for an elected presidency and evaluating the constitutional commission's recommendations for reforms including the need for minority representation in the office In doing so the book provides important reflections on how the constitutional reform process raises crucial questions about the rule of law and the practice of constitutionalism in Singapore
