The Great Sibling Rivalry: Volume 3 William J. Smith, 2016-12-06 Andrew and Carol Anne Smith are two growing little siblings who like most siblings have their usual typical sibling spats and fights from time to time and up until the summer of 2016 most of these fights have been one sided since Carol Anne was too young to fight back and these spats usually grew out of an intense jealousy little Andrew would have whenever he wasn't the center of attention but now Carol Anne is growing up and is no longer the defenseless helpless little baby that she once was and now she has the ability to give as good as she gets Follow these two siblings as they continue to grow and have their usual sibling quarrels but as they get older they discover their true feelings for each other

The Great Sibling Rivalry: Volume 2 William J. Smith, 2016-08-23 Now that little Carol Anne Smith is going from a baby to a toddler she is growing by leaps and bounds and with her abilities growing and being fine tuned that also means that her sibling rivalry with her big brother Andrew is also growing and reaching new heights as Carol Anne learns to defend herself and fight back and give as good as she gets It then therefore begs the question Will there ever be hope for a sibling truce before Carol Anne's second birthday in July 2016 or will both little siblings just keep on fighting as their rivalry escalates to new dizzying heights
