**Lloyd Henry Rogler, Rosemary Santana
Cooney**

Puerto Rican Families In New York City Intergenerational Processes:

Puerto Rican Families in New York City Lloyd Henry Rogler, Rosemary Santana Cooney, 1984 *Puerto Rican Families in New York City* Lloyd Henry Rogler, Rosemary Santana Cooney, 1985 This study examined the lives of 100 intergenerationally linked Puerto Rican families living in New York City Each family consisted of two generations the mothers and fathers in the parent generation and their married child and spouse in the child generation Subjects investigated included the experiences of the migrant parent generation in their island home their migration and settlement in New York City and the experiences of their children raised in the United States Also investigated was the impact of the two generations different life experiences upon the transmission of sociocultural characteristics from parents to their children and upon the structure of the relationship between the parent and married child Among the major findings were the following 1 intergenerational differences between the parents and their married children were pervasive and strong 2 the greatest intergenerational change occurred in socioeconomic status then in the language used then in values 3 the least change occurred in the subjective elements describing self concept and bicultural preferences 4 age at arrival in New York City and level of education were important determinants of ethnic identity 5 when parents and their children were socialized in the same culture or when they were similar in educational level intergenerational continuity increased and 6 intergenerational differences in early socialization settings and in educational attainment had no effect upon the strength of intergenerational solidarity CMG *Historical Perspectives on Puerto Rican Survival in the U.S.* Clara E. Rodriguez, 1996 The book continues to resonate with readers in part because it mirrors the experiences of other groups both past and more recent immigrant groups and in part because when the authors wrote their essays they spoke honestly about issues they cared about but others tended to ignore As the editors new introductions to each article indicate the anthology has also served as a spring from which other works have developed Understanding Latino Families Ruth E. Zambrana, 1995-06-05 A fresh approach to the study of Latino families is offered in this volume which focuses on the strengths of Latino Hispanic groups the structural processes that impede their progress and the cultural and familial processes that enhance their intergenerational adaptation and resilience The contributors present social and demographic profiles of Latino groups in the United States empirical and conceptual reviews of Latino family approaches and practice and policy implications from studies of Latino social programmes **Sex and Sexuality Among New York's Puerto Rican Youth** Marysol Asencio, 2002 Though Latinos are the youngest and most rapidly growing minority ethnic group in the U S today their experiences with regard to sexuality have received little attention Remediating this Sex and Sexuality draws on the voices of second generation Puerto Rican adolescents in New York to illustrate the complex interactions of class culture and acculturation that produce sexual behaviors and attitudes Asencio reveals that programs encouraging abstinence monogamy and safer sex practices have interacted with Latino adolescent social and cultural norms to produce changes but not changes that reduce sexual risk Her study presents

both data and conclusions that have critical significance for the development of policy aimed at mitigating the devastation of HIV and other sexually transmitted diseases

Handbook of World Families Bert N. Adams, Jan Trost, 2005 Praise for the Handbook of World Families At a time when we are moving more and more toward a global village this ambitious book provides evidence of world wide trends in families and family relations It also illustrates the resilience of local cultures seen in variations among nations in trends and responses to them This is a very useful resource for obtaining the kind of baseline information that is essential to comparative work As well a number of chapters contribute to our understanding of the complexities and politics of family life starting with what is meant by family This book will educate many about other parts of the world and the central place of families in them Ingrid Arnet Connidis University of Western Ontario In the Handbook of World Families Bert Adams and Jan Trost two of the leading scholars in the field of comparative family studies have masterfully edited a book that comparatively examines families from 25 nations located around the world The chapter contributors have both theoretical and research knowledge as well as lived experiences of respective nation s families The result is a well written highly informed and authoritative handbook that investigates an extensive range of family issues from local national and global perspectives Mark Hutter Rowan University What defines a family The term family is very complex with a vast range of meanings It can mean a married couple with children a single parent and child a married couple with no children even pets and close friends can be considered to some people as family The variety is enormous and this family diversity is present not just in the United States but around the world The Handbook of World Families provides a cross cultural perspective on the family by examining family life in 25 countries worldwide The countries included in this volume are organized by six world regions including Africa Asia South Pacific Europe Latin America the Middle East and North America offering readers the most thorough and balanced cross cultural examination of world families available Editors Bert N Adams and Jan Trost along with contributions by top family studies experts from around the world ensure reliable cutting edge research and perspectives While other books may provide a cross cultural perspective on the family this book offers a unique comparative view In doing so each chapter of the Handbook is organized in a parallel format beginning with an introduction to the region followed by coverage of mate selection fertility and socialization gender roles marriage stresses and violence divorce and remarriage kinship aging and death family and other institutions and special topics specific to the region The Handbook of World Families is an excellent addition to any academic library and an important resource for scholars and academics in the fields of Family Studies and Sociology It can also be used in graduate level courses on the family in cross cultural perspective comparative family organization and world families

Families Susan K Pfeifer, Marvin B Sussman, 2014-06-17 This special volume is devoted to the synthesis and review of theoretical and conceptual approaches associated with familial and non familial connections across the life span An important book as society returns to the family it compares and contrasts different disciplinary perspectives associated with intergenerational relationships Because

intergenerational relationships have been the focus of research in many disciplines various perspectives have emerged about kin and non kin connections Renewed interest in families and familial connections is due largely to events and situations occurring in complex modernized societies which place the intergenerational nexus on center stage The leading researchers represented in this outstanding book provide rare opportunity for the scholarly comparison of the various perspectives in the broader spectrum of family relations Families Intergenerational and Generational Connecting is a significant addition to the body of research on family connections The three major areas of generational and intergenerational connections include theoretical and conceptual perspectives connections within the family and connections outside the family As the use of families as support networks for individual members increases this timely book will be an invaluable aid to educators students and researchers concerned about families and familial and non familial relationships Counselors and therapists will value this enlightening book with its diverse theoretical and conceptual perspectives on kinship intergenerational solidarity and relations social supports and cross national perspectives on family connections Drug Abuse Among Minority Youth National Institute on Drug Abuse,1993 This monograph is based on the papers and discussions from a technical review on Epidemiologic Drug Abuse Research on Minority Youth Methodological Issues and Recent Research Advances held on July 17 18 1991 in Bethesda MD The technical review was sponsored by the National Institute on Drug Abuse NIDA Title page verso

NIDA Research Monograph ,1976 **The Handbook of Chicana/o Psychology and Mental Health** Roberto J. Velasquez,Leticia M. Arellano,Brian W. McNeill,2004-09-10 Mexican Americans now constitute two thirds of what has become the largest and fastest growing minority group in the United States Hispanics They have distinct cultural patterns and values that those who seek to serve them competently as clinicians and educators and those who attempt to study them need to understand This is the first comprehensive overview of the psychology of the Chicana o experience since 1984 Solidly grounded in the latest theory and research much of which is relevant to other Latina o groups as well The Handbook of Chicana o Psychology and Mental Health is an indispensable source of up to date information and guidance for mental health and education professionals their trainees and students and for social and behavioral scientists interested in the impact of cultural differences in multicultural settings **Making Invisible Latino Adolescents Visible** Martha Montero-Sieburth,Francisco Villaruel,2003-09-02 Making Invisible Latino Adolescents Visible explores both economic and social factors that hinder the progress of Latino youth in the United States **The Family in America** Joseph M. Hawes,Elizabeth F. Shores,2002-05-22 An incisive multidisciplinary look at the American family over the past 200 years written by respected scholars and researchers Family in America offers two powerful antidotes to popular misconceptions about American family life historical perspective and scientific objectivity When we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends Working mothers we learn are not a 20th century invention

most families throughout American history have needed more than one breadwinner In the exciting new scholarship described here readers will learn precisely what is new in American family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change

Researching Sexual Behavior John Bancroft,1997-10-22 These 22 contributions from the April 1996 meeting hosted by the Kinsey Institute at Indiana U present international perspectives on debates about methodological differences in surveys of sexual behavior and in particular the difficulties with generalizing methods across contrasting cultures The authors discuss key issues relating to both qualitative and quantitative methods including adaptations of method for groups the use of survey data to measure change in behavior over time and participation bias Annotation copyrighted by Book News Inc Portland OR

The Challenge of Permanency Planning in a Multicultural Society Gary R. Anderson,Bogart R. Leashore,1997 Explains to child welfare workers supervisors trainers and program managers the importance of cultural knowledge sensitivity and skill for putting permanency and stability into the lives of at risk children Considers the role of culture in a family s life and how to use that understanding to prevent unnecessary out of home placements judge when the time is right to reunify parents and children and determine when adoption is the best choice Paper edition 0302 3 19 95 Also published as the Journal of Multicultural Social Work v 5 nos 1 2 3 4 1997 Annotation copyrighted by Book News Inc Portland OR

Auto Brand Anders Parment,2014-01-03 The car once everybody s dream and a key status symbol in most countries and cultures has been extensively questioned in the last decades and in the last few years particularly Urbanisation traffic congestion pollution problems heavy reliance on scarce oil supplies safety issues and ever growing competition have all provided significant business challenges for the automotive industry Many car manufacturers have had to fundamentally rethink their design brand and marketing strategies to thrive in a savvy consumer led culture and markets that are becoming increasingly restrictive in size and opportunity Auto Brand provides a roadmap to branding and marketing success in the automotive industry from a leading industry expert featuring case studies from major car brands including Audi BMW Holden Mercedes Benz Opel Porsche Saab Seat Skoda Vauxhall Volkswagen and Volvo It includes findings from 100 interviews conducted with CEOs marketing managers sales managers and sales people from manufacturer level to small rural dealers as well as industry experts policy makers free stranding repair shops and professional organizations Auto Brand is essential reading for marketing managers sales managers CEOs development managers and dealers in all types of companies in the car industry including manufacturers national sales companies importers dealers finance companies insurance companies free standing repair shop channels and more It is the first book to specifically address how to deal with the challenges facing the automotive industry and illustrates how companies can take advantage of new technologies adapt to emerging trends in consumer behaviour improve profitability and build even more successful brands in the future

The Stranger is Our Own Joseph P. Fitzpatrick,1996 Joseph P Fitzpatrick S J priest internationally acclaimed scholar activist was intensely

involved in the ongoing studies of the Puerto Rican people their culture and their problems as migrants in the U S mainland The Stranger Is Our Own contains Fitzpatrick s personal memoir as well as a collection of articles papers lectures and talks that chronicle his bittersweet journey with Puerto Rican migrants A consultant to religious political education and social leaders on the issues of migration assimilation inter group relations and social justice Father Fitzpatrick helped shape governmental and Church policies at both the local and national level He continued his active involvement until his death in 1995 at the age of 82 *Handbook on Grandparenthood* Maximiliane E. Szinovacz,1998-07-28 Based on original contributions from leading scholars this handbook offers critical reviews of variations in grandparenthood historical cultural race gender contingencies transitions roles influence divorce surrogate parenting adult grandchildren and interventions clinical policies programs It also addresses research trends and needed conceptual and theoretical refinements The introduction describes trends in grandparenting research since the middle of this century and offers a brief synopsis of the book s contents as well as specific suggestions for further research The first part addresses diversity in grandparenting experiences including historical and demographic trends racial and ethnic variations contextual influences with special emphasis on grandparents in rural and farm environments and gender differences in grandparents and grandchildren s experiences The second part focuses on the dynamics and contingencies of grandparenting Chapters address transitions in grandparents lives grandparents roles the impact of grandparenting on grandchildren and grandparenting under special circumstances such as divorce and surrogate parenting The third part deals with interventions in grandparenting Specific issues addressed are clinical interventions and therapy with extended families policies concerning grandparents visitations and grandparents as surrogates parents and programs for grandparents The book s concluding chapter offers suggestions for future research The work has an extensive comprehensive bibliography and index This work will be of interest to professionals and students in gerontology family studies social services ethnic studies gender studies and sociology

Becoming Bicultural Paul R. Smokowski,Martica Bacallao,2011-02-08 Although the United States has always been a nation of immigrants the recent demographic shifts resulting in burgeoning young Latino and Asian populations have literally changed the face of the nation This wave of massive immigration has led to a nationwide struggle with the need to become bicultural a difficult and sometimes painful process of navigating between ethnic cultures While some Latino adolescents become alienated and turn to antisocial behavior and substance use others go on to excel in school have successful careers and build healthy families Drawing on both quantitative and qualitative data ranging from surveys to extensive interviews with immigrant families *Becoming Bicultural* explores the individual psychology family dynamics and societal messages behind bicultural development and sheds light on the factors that lead to positive or negative consequences for immigrant youth Paul R Smokowski and Martica Bacallao illuminate how immigrant families and American communities in general become bicultural and use their bicultural skills to succeed in their new surroundings The volume concludes by offering a

model for intervention with immigrant teens and their families which enhances their bicultural skills **Latino Elders and the Twenty-First Century** Melvin Delgado, 2021-04-14 Latino Elders and the Twenty First Century Issues and Challenges for Culturally Competent Research and Practice will help social workers researchers and organizations identify and analyze ways of meeting the demands of the increasing number of elderly Latinos Working from conceptual frameworks case studies and examples this book provides you with a demographic picture of Latino elders and investigates the needs of ethnic specific groups Latino Elders and the Twenty First Century will help you develop and create culturally competent intervention methods that take the culture beliefs and situations of Latino elders into consideration Addressing the future challenges to individuals involved in the field of gerontology this book offers you current studies on the assessment of present services for Latino elders how they can be improved and why these individuals may be reluctant to seek financial or medical help Latino Elders and the Twenty First Century will assist you in devising policies and programs aimed at improving services for Latino elders including providing Latino and non Latino staff with an understanding of culturally competent principles such as values knowledge and skills that will help them give attention to individual and cultural needs improving staff development by assessing issues and underlying causes of client problems using the self and other cultural awareness models to help professionals realize their own values attitudes and behaviors examining community resources such as gift shops clothing shops and beauty parlors in Puerto Rican communities that offer interpreter services integration of the lonely and community leadership to the elderly considering family structure and personal identification to facilitate access to health care services minimizing stress of caregivers by fully understanding how they identify their roles within their families evaluating their needs and capacity as caregivers and offering counseling approaches that recognize the dynamics of caregiving examining contributing factors to substance abuse among elders and researching incidence prevalence patterns of use etiology and consequences of this behavior Latino Elders and the Twenty First Century explores the possibilities of further research in the areas of substance abuse among the elderly and the importance of businesses in ethnic communities to meet the growing needs of clients In order to assist specific groups of Latinos this book examines social and medical needs and services for Dominicans Puerto Ricans and Yaqui elders of Old Pascua Latino Elders and the Twenty First Century will help you develop culturally sensitive programs for individual clients and diminish barriers to service Resources in Education ,1994

Puerto Rican Families In New York City Intergenerational Processes Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Puerto Rican Families In New York City Intergenerational Processes PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to

locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Puerto Rican Families In New York City Intergenerational Processes PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Puerto Rican Families In New York City Intergenerational Processes free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
