Correos, 1855 **Revista/review Interamericana**, 1980 **Early Puerto Rican Cinema and Nation Building** Naida García-Crespo, 2019-06-07 Early Puerto Rican Cinema and Nation Building focuses on the processes of Puerto Rican national identity formation as seen through the historical development of cinema on the island between 1897 and 1940 Anchoring her work in archival sources in film technology economy and education Naida García-Crespo argues that Puerto Rico's position as a stateless nation allows for a fresh understanding of national cinema based on perceptions of productive cultural contributions rather than on citizenship or state structures This book aims to contribute to recently expanding discussions of cultural networks by analyzing how Puerto Rican cinema navigates the problems arising from the connection and or disjunction between nation and state The author argues that Puerto Rico's position as a stateless nation puts pressure on traditional conceptions of national cinema which tend to rely on assumptions of state support or a bounded nation state She also contends that the cultural and business practices associated with early cinema reveal that transnationalism is an integral part of national identities and their development García-Crespo shows throughout this book that the development and circulation of cinema in Puerto Rico illustrate how the national is built from transnational connections Published by Bucknell University Press Distributed worldwide by Rutgers University Press **Ley hipotecaria reformada para Cuba, Puerto Rico y Filipinas** Angel Clarens, 1893 *Revista de biología tropical*, 1997 **Historia Monetaria Documental de Puerto Rico (La Moneda Macuquina) Tomo V** Angel O.
