Regional Integration and Modernity Natalie J. Doyle,Lorenza Sebesta,2014-09-26 This book offers a new framework for comparing experiences of integration regionalization must be reinterpreted as an aspect of modernization modernization unfolding also at the local national and global levels The contributors discuss how and why the different visions of modernity that inform modernization projects encouraged the construction or rejection of regional integration at different times and in different places It starts with an analysis of plans for the economic integration of Europe in the aftermath of World War I It shows how integration was identified as the means to modernize the region with a view to helping it overcome political

fragmentation and adapt to new conditions of global capitalism It then turns to the debate on modernization unfolding in the era that constituted the formative period of integration for both Europe and Latin America It analyses examples of the complex interaction between these two different experiences as it extends into the present Finally it looks at the social and political actors that promoted integration in the two regions and at the discourse they formulated to do so **Rhythmica 12**, 2014-12-01 N mero 12 del a o 2014 de la Revista Espa ola de M trica Comparada editada conjuntamente por la Facultad de Filolog a Departamento de Lengua Espa ola Ling stica y Teor a de la Literatura de la Universidad de Sevilla y la UNED
