Pure Luck:

How to Be Happy in Spite of Yourself Dr. Robert Dawson, 2017-09-13 Much has been said about happiness about what it is and how to get it Little has been said about how to stay happy We all share the experience that happiness is hard to achieve and even harder to hold on to We are not often happy and when we are we don't stay happy for long In contrast we are often unhappy and when we are it seems to be enduring Why In How to Be Happy in Spite of Yourself author Dr Robert Dawson offers a look at happiness and explains why instinct needs us to be unhappy It answers the following questions What is wrong with me or with others Is something broken that needs to be fixed Is it possible for me to be happy more of the time Can I get better at snapping out of being unhappy Dawson details the three step habit we need to develop to moderate the negative effect of the human survival instinct on the quality of our life When we realize our instinct is undermining our happiness and see it for what it is a normal and necessary automatic reaction to life's challenges we are on the way to being happy in spite of it
