Pursuing Gods Own Heart Lessons From The Life Of David:

Pursuing God's Own Heart Jerry Vines, 2003 This account of the life of David is written on a popular reading level and covers the main events in David's life while drawing spiritual applications for Christians today Topics discussed include career enemies friendships the occult bereavement worship dreams grace facing the end of life 19 chapters in all The Pursuit of God's Own Heart John E. Leon, 2018-06-19 Only one man in the Old Testament was given the profound description by God himself I have found in David a man after my own heart Acts 13:22 Why? Why would God give David such a characterization Wasn't he also a man of failure Of contradictions After all today he would provide headlines for scandal adultery murder cover up and deception And despite those issues there are other pressing questions to ask What are the qualities of one who has such a heart after God? What does that character look like This book takes us on a journey in the life of David discovering what God meant by such a divine inscription regarding the man who would become the greatest and most effective monarch in Israel's history But we will also discover something greater As we travel with David we will soon realize there is a larger story unfolding through David's story It's God's metanarrative His Story We will find there is a deeper message from God that transcends David's life The key that unlocks such a message is given to us long before David is born and spoken by God For those who honor me I will honor and those who despise me shall be lightly esteemed 1 Sam 2:30 As we begin to understand the meaning of this truth we will then learn why God gave David such a description Therefore it is through the lens of David's life we learn the meaning and purpose of the Christian life Why? Because God did not intend such a divine inscription for David only but one which our heavenly Father desires to write on your heart and mine as we pursue to know him Lessons From Life Faron Golden, 2017-01-24 Ever heard the expression the school of hard knocks Most of us have It's a way of saying that life is a place where we learn through difficult situations and experiences Sometimes a person considers the lessons from the school of hard knocks more valuable or at least more practical than the knowledge gained from traditional education through college and university courses The question is what we actually learn from the school of hard knocks In life that school of hard knocks even the best find themselves facing the F word failure So what do we do when we fail Many of us will move through life day by day and we will focus on the big things graduating from school getting married landing a job that pays more and so on But what does the school of hard knocks teach us about little things Do the little things matter We travel the journey of life with the mindset that our life is our own and we can do with it as we please Does our example impact or influence anyone other than ourselves When we face tough decisions especially when no one else is looking does it matter if we do what is right Is what we believe important or do we even need faith at all In Lessons from Life the author provides a look at some principles gleaned from life the school of hard knocks Drawing on experiences of a fighter pilot shot down during the Vietnam War along with his own experiences in life the writer passes along some of the things he learned in the school of hard knocks **A Young Man After God's Own Heart** Jim

Profound Awareness Dr. Eric J. Palmu,2025-01-28 Releasing my soul back to God was both frightening and exhilarating The most challenging aspect of release was understanding how the transforming salvation worked My believer s prayer carried a deep sense of freedom for that day The draw of the world made it grow dim My question became why Since that fall afternoon in the late 70s I have studied spiritual formation with one goal n mind to share how intimacy with God works so that you will lead when called
