Quiet Spaces Prayer Interludes For Women:

Quiet Spaces Patricia Wilson, 2016-04-01 The intimate relationship with God you've yearned for is well within your grasp despite the chaos of juggling multiple roles, deadlines and commitments in your stretched-to-the-max life. With *Quiet Spaces*, you can learn to calm your mind and listen for God's still, small voice in the midst of the tumult around you. Author and professional speaker Patricia Wilson knows what it's like to struggle with finding a few minutes for herself. Through *Quiet Spaces*, she shows how even a few stray minutes can become a blessed opportunity for a focused encounter with God. Each brief prayer interlude featured in this book has 5 parts: Calming a passage from the Psalms to calm the mind; Centering a practice to focus on God; Praying a prayer for a particular situation or occasion; Listening a passage from the Gospels with the words of Jesus; Returning a practice to anchor the prayer experience. On hold for a phone call? Waiting for an appointment? In traffic? The quiet spaces are all around you. Capture those 5-minute breaks and use them to touch the hand of God. You can find time to pray and connect with God. Let this unique devotional book help you discover how. **Talking in the Dark** Steve Harper, 2007-07-01 Have you ever stopped praying? When life seems unfair and prayer doesn't seem to make any difference, you may quit praying. Most people who admit that they stopped praying for a while, including the author, say they felt as if they were suffocating after a period without prayer. Sometimes I think God has called me to speak, write, and teach about prayer, so I won't give up on it. Altogether writes Harper. After more than forty years of praying, I still don't understand prayer. Prayer does not come easily for me. In the pages of this book, Harper continues, I will ask you to roll up your sleeves and confront your problems with prayer and then keep praying. Sometimes you will feel as though you are talking in the dark. But the fact is, sound travels in both darkness and light. If you're frustrated in your prayer life and wonder whether prayer is worth the effort, this book is for you. Nothing daunts Harper in this wrangle with God. No doubt, experience or unholy feeling is out of bounds as he considers life and prayer's dark patches. No matter how lost or lonely you feel, he offers assurance. During days when you feel the number one problem with prayer is an unresponsive God, you'll have the strength to dig deeper and surrender to the mysterious sustenance God offers. As you read Harper's brutally honest stories and follow his advice on how to cultivate a prayer life, you'll discover the kind of prayer that makes you want to continue, even though everything in you wants to quit. **Birthing in Prayer** Kim Barker, Leigh Harrison, Linda de Meillon, 2016-03-01 A hopeful, grace-filled companion for the 9 months of pregnancy, *Birthing in Prayer* uniquely addresses and supports the spiritual journey of mothers-to-be. As the authors' moms say, it's the book they longed to read but never found while they were pregnant. Filled with lively, thoughtful, honest, and been-there stories, this book deals with not only the emotional and physical facets of this overwhelming life experience but also the spiritual needs. From the moment you know you're pregnant, you enter a time of transition, a time of waiting and preparing as you anticipate the arrival of the new little person who will share your life. Pregnancy can be a God-given stopping point, an opportunity to reflect on our lives, values, and relationships, to reevaluate our choices and priorities.

and to make some adjustments write authors Barker de Meillon and Harrison Even more importantly pregnancy can offer an occasion to draw closer to God and encounter God in a new way Each chapter includes honest humorous and touching stories questions to think about journaling prompts and prayer exercises Birthed in Prayer gives you a safe place to acknowledge your thoughts and feelings as you read wisdom from scripture and stories from mother sages It focuses not just on preparing for childbirth but also motherhood The authors invite you on a journey of awareness and growth that will build a strong foundation for your life and your family As Barker de Meillon and Harrison say it takes courage to become aware to encounter and be encountered by God And it takes courage to be a mother *The Uncluttered Heart* Beth A.
