**Quiet as a Butterfly** Lawrence F. Lowery, 2016-10-01 One day I listened I listened to all the sounds I heard I listened and I wondered From a clock s ticks in the morning to a father s snores at night sounds are everywhere That s what an attentive boy discovers as he listens his way through a school day He perceives that sounds can be loud or soft and low or high And sometimes he notices things like butterflies and wiggling worms are so quiet he can t hear them at all The point of this gentle book is not to explain how your sense of hearing works rather it aims to sharpen your awareness of all you can hear and all you can learn when you listen Quiet as a Butterfly is part of a set about senses in the I Wonder Why book series written to ignite the curiosity of children in grades K 3 while encouraging them to become avid readers The books in this set explore the marvels of hearing seeing smelling and related phenomena Included in each volume is a Parent Teacher Handbook with coordinating activities The I Wonder Why series is written by an award winning science educator and published by NSTA Kids a division of NSTA Press *Quiet as a Butterfly* Lawrence F. **One Beat of a Butterfly's Heart** Ronald Callander, 2014-10-19 In this book we are given a unique view of East Africa of the 1950s not the stereotyped picture of wildlife safaris and leaping Masai but the emerging independence struggle of a new African nation from the viewpoint of a white police officer in an exceptionally detailed thoroughly readable firsthand account of a rare period of recent history It tells how an Australian veteran fresh from the Korean War became a colonial police officer in Tanganyika Territory later Tanzania after federation with the offshore islands of Zanzibar in 1964 The reader is taken on a journey which tourists in Africa never see from back alleys and police cells in the polyglot city of Dar es Salaam to snake infested camps on Uganda Ruanda border patrols and on police field force emergency operations from barracks at the foot of Kilimanjaro There is much here to discover about a mostly benign semi colonial period in Africa which lasted less than fifty years passing in one African's description as briefly as a butterfly's heartbeat where a few conscientious white administrators and their loyal African assistants managed vast regions of a desolate territory with remarkably selfless care and scarce resources where things worked most of the time but sometimes where chaos reigned It is about the country itself its ubiquitous animals and its people at close range including villagers criminals hunters witch doctors and colonial officials but most of all the African askari policemen who were the author's close and often only companions
