Quiet Eye A Way Of Looking At Pictures:

The Quiet Eye Sylvia Shaw Judson Haskins,1954 The Quiet Eye Sylvia Shaw Judson Haskins,1982 **The Art of Holy Pondering** Richard J. Dickey,2015-05-27 A deceptively simple read The Art of Holy Pondering is embedded with insightful nuggets of spiritual truths Delivered in clear language and citing common life experiences the author speaks both to those beginning the spiritual quest and to seasoned pilgrims He shines light on a tested pathway that opens to divine encounter uncovering what for many has been hidden in plain sight Dealing with the realities of the mind and heart this undertaking offers a key to unlocking attitudes and perceptions that persist in holding us captive to our passions and prejudices It offers an uncommon spiritual practice that unearths the more that the holy desires to reveal in our routine interactions In identifying stepping stones that make possible a secure footing in the pursuit of holy insight this adventure frees the heart for an unfettered response to the divine mystery Steeped in the learnings of our spiritual fathers and mothers the text lays out a framework that transforms random ponderings into a coherent pathway for hearing the gentle whisper

Sacred Compass J. Brent Bill,2008-04-01 Brent Bill has written one of the finest books on discernment and divine guidance that I have seen in a very long time Richard J Foster How do you discover God s will for your life every day Sacred Compass offers a fresh and deeper way of living a God directed life J Brent Bill draws on the quiet beauty of the Quaker path to show how spiritual discernment is more about sensing God s gracious presence than it is about making the right decisions As you use this book to chart your own spiritual course you will find yourself led to unexpected places comforted by the knowledge that God uses all of our experiences to bring us close Sacred Compass is the perfect companion for those seeking to follow God in the way of Jesus in the midst of the realities of 21st century life Brent Bill graciously and passionately opens the pathway of the spiritual practice of discernment for the novice and deepens the possibilities for the well experienced This book will serve as a revelation for many and well could be the start of a revolution for a new generation Christians Doug Pagitt Pastor of Solomon s Porch and Author of A Christianity Worth Believing Sacred Compass celebrates and reassures that on this engaging glorious bewildering human journey we individually and communally carry with us an ever present divine source of navigation Carrie Newcomer Rounder recording artist The Geography of Light Toward Curriculum for Being Louise M. Berman,Francine H. Hultgren,Diane Lee,Mary S. Rivkin,Jessie A. Dunne,1993 Do we love with a love we know or with a love we do not know This question posed to author John S Dunne in a dream and its answer prompts Dunne to describe in *Love s Mind* the journey one takes in contemplating and coming to know love a journey that involves moving from the loneliness and restless longing of the human heart through spiritual friendship to the ultimate spiritual destination of love of God and union of love with God The compass one uses on this personal journey is the way of contemplation For Dunne the contemplative life is a dimension of every human life and should not be limited to the monastic way of life instead he considers it the missing dimension in our lives and times times where violence has supplanted spiritual contemplation and left individuals deprived of the joy and challenge of the spiritual journey that ultimately leads to a union of love with God As Dunne describes this journey three features of the contemplative way of life emerge the way of words the way of music and the way of spiritual friendship He explores each with characteristic eloquence and introspection drawing on his experiences of giving spiritual retreats his presentations on violence and the contemplative life and his insights on contemplation as the missing dimension in American life In addition Dunne considers the contemplations of Aquinas Aristotle and Augustine and draws on a rich store of literary sources in harmony with his view that art literature and music point to God Ultimately his insights lead him to a vision like Augustine s of the city of God a city of the heart where contemplation takes the place of violence *Love s Mind* is the story of how unknowing love becomes knowing love when one comes to the realization that our being in love may be God loving in us and that our blind love may be God s unconditional love in us **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved **Catalog of Copyright Entries** Library of Congress.
