Canada and the United States where she lived among America's Arts and Crafts movement titans. She left slender written records rather her art became her diary and *Flower Diary* unfolds with an artwork for each episode of her life. In this sumptuous and precisely researched biography celebrated poet and biographer Molly Peacock brings Mary Hiester Reid, foremother of painters such as Georgia O'Keefe out of the shadows revealing a fascinating complex woman who insisted on her right to live as a married artist not as a tragic heroine. Peacock uses her poet's skill to create a structurally inventive portrait of this extraordinary woman whom modernism almost swept aside weaving threads of her own marriage with Hiester Reid's following the history of empathy and examining how women manage the demands of creativity and domesticity coping with relationships stoves and steamships too. How do you make room for art when you must go to the market to buy a chicken for dinner? Hiester Reid had her answers as Peacock gloriously discovers.

**Rethinking Professionalism** Kristina Huneault, Janice Anderson, 2012. The first collection of scholarly essays on women and art in Canadian history.

*No Man's Land* Kathryn A. Young, Sarah M. McKinnon, 2017-10-13. What force of will and circumstance drove a woman from a comfortable life painting china tea services to one of hardship and loneliness in the battle zones of France and Belgium following the Great War? For western Canadian artist Mary Riter Hamilton 1868-1954 art was her life's passion. Her tale is one of tragedy and adventure from homestead beginnings to genteel drawing rooms in Winnipeg, Victoria and Vancouver to Berlin and Parisian art schools to Vimy and Ypres and finally to illness and poverty in old age. *No Man's Land* is the first biographical study of Hamilton whose work can be found in galleries and art museums throughout Canada. Young and McKinnon's meticulous research in unpublished private collections brings to light new correspondence between Hamilton and her friends revealing the importance of female networks to an artist's well-being. Her letters from abroad in particular bring a woman's perspective into the immediate post-war period and give voice to trying conditions. Hamilton's career is situated within the context of her peers Florence Carlyle, Emily Carr and Sophie Pemberton with whom she shared a Canadian and European experience.

*National Soul* Marilyn Jean McKay, 2002. From Confederation to World War II mural painting was an important tool for Canadian nation building. In *A National Soul* Marilyn McKay shows how in both Protestant English Canada and Catholic French Canada these artworks were designed to promote specific civic values.

**Canadian Books in Print**, 2003      **I Can Only Paint** Irene Gammel, 2022-03-30 For Canadian impressionist Mary Riter Hamilton capturing the emotional landscape of battlefields and graveyards in the months after the Great War's armistice became an artistic calling and defined her work A woman alone after the storm had passed she found that her life after the war was indelibly marked by the experience Undeterred by a rejection from the Canadian War Memorials Fund who nominated only male war artists abroad in 1919 Hamilton received a commission from the Amputation Club of British Columbia now the War Amps to commemorate those lost at war She travelled from Victoria to the pre reconstruction battlefields and towns of the Somme Vimy Ridge and the Ypres Salient where amid harsh conditions inadequate shelter and food surroundings littered with unexploded shells she recorded with determination pride and grace the ruins of war Based on intensive archival research in Canada France and Belgium and using many previously unpublished letters *I Can Only Paint* offers an insider's view of the artist's vast underexplored body of war work and the conditions in which she created it It places this period central though it was in the context of a full understanding of her life and restores the work she created there to its proper place in the canon of war art in Canada and abroad Irene Gammel argues that Hamilton's work encoded a female perspective that distinguishes her paintings from the work of official Canadian war artists The first reliable account of Hamilton's impressions of Canada's most haunting sites of conflict *I Can Only Paint* captures with detail and sensitivity an experience that defined her life and recovers a body of work that stands as a unique and enduring portrait of the effects of

the Great War
