There are absolutely no words to truly describe the loss of someone It s even harder for younger people especially if they re of an age where they don t truly understand what s happened I have designed this journal with the help of my own children who lost their grandfather a few years ago The top half of each page is blank which can be used for drawing their memories and the bottom half of the page is lined so they can jot some words down No loss is easy but in time hopefully they can look back through this book and remember the fond times they had and it will bring them some comfort **My Memories** Annie
