Quote Sleuth A Manual For The Tracer Of Lost Quotations:

The Quote Sleuth Anthony W. Shipps,1990 **The Quote Sleuth** Anthony W. Shipps,1990 The tracer s goals are to identify the source of a quotation to find or to produce detailed citation based on a reliable edition of the work to find an authoritative text of the passage being traced and to do all this in the shortest time possible and with the least possible amount of effort The Quote Verifier Ralph Keyes,2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed Ralph Keyes s The Quote Verifier considers not only classic misquotes such as Nice guys finish last and Play it again Sam but more surprising ones such as Ain t I a woman and Golf is a good walk spoiled as well as the origins of popular sayings such as The opera ain t over till the fat lady sings No one washes a rented car and Make my day Keyes s in depth research routinely confounds widespread assumptions about who said what where and when Organized in easy to access dictionary form The Quote Verifier also contains special sections highlighting commonly misquoted people and genres such as Yogi Berra and Oscar Wilde famous last words and misremembered movie lines An invaluable resource for not just those with a professional need to quote accurately but anyone at all who is interested in the roots of words and phrases The Quote Verifier is not only a fascinating piece of literary sleuthing but also a great read *Puzzles and Essays from 'The Exchange'* Charles R Anderson,2018-10-24 Who said that When did that happen Where the heck does that thing come from Was that French or what What s that supposed to mean For 35 years librarians in the United States and other countries sent puzzles they could not solve locally to The Exchange a column for reference librarians appearing in RQ and later RUSQ the official journal of the Reference and User Services Division of the ALA Other readers often furnished the answers sometimes years or even decades later Puzzles and Essays from The Exchange organizes those perplexing questions and answers into a reader friendly reference format embellished with essays that appeared in the column over the last fifteen years of its publication This unique collection of questions and answers that stumped librarians on four continents over a 35 year period comes complete with authoritative bibliographic citations It also contains an extensive subject person and keyword index providing easy access to the material Packed with fascinating information little known trivia and hard to find facts *Puzzles and Essays from The Exchange* is a wonderful reference source answering difficult questions about the origins of common and not so common customs like giving engagement rings driving on the right or left side of the road tying yellow ribbons around trees in memory of captives leg shaving visits from the Tooth Fairy and much much more the origins of words phrases and terms that don t when taken literally make much sense the origins of popular sayings The grass is always greener The whole nine yards It ain t over until the fat lady sings Close but no cigar Going down the tube Light at the end of the tunnel Katy bar the door Goodbye cruel world etc the sources of famous quotations both spurious and real the sources of poetry fragments and bits of verse that have become part of the popular lexicon hard to find biographical information from George Washington Carver s many uses for the peanut and the sweet potato to the name of Paul Revere s horse to the truth about

the let them eat cake story attributed to Marie Antoinette trivia and miscellany how lullabies began why a yawn is contagious when a sneeze is not what the names of the monkeys in The Wizard of Oz were why pigeons bob their heads when they walk what the vital statistics of the Venus de Milo are and much more the history of The Exchange itself Puzzles and Essays from The Exchange will also challenge you with a list of so far unanswered questions unidentified quotations and popular sayings whose origins are still generally unknown Perhaps you ll be the one to answer the riddles that stumped the editors and readers of The Exchange

How to Write Alastair Fowler,2006-09-21 How to Write is an introductory guide to writing aimed at people who think they can t write or for whom writing is an ordeal Broken down into short topic based chapters on everything from beginning to revising it demystifies the writing process by taking the reader through each stage necessary to bring a piece of writing to a decent finish The book also offers a wealth of invaluable practical considerations including when and where to write when to printout and when to edit onscreen what type of pen works well for revisions and the hazards of the paperclip The author is a seasoned writer whose encouraging but uncompromising guidance will delight as well as instruct Offering practical advice in a lucid no nonsense style How to Write will be ideal for both students and professional people who need to write during the course of their work

The Words of Others Gary Saul Morson,2011-06-28 In this lively gambol through the history of ations and ation books Gary Saul Morson traces our enduring fascination with the words of others Ranging from the remote past to the present he explores the formation development and significance of ations while exploring the verbal museums in which they have been collected and displayed commonplace books treasuries and anthologies In his trademark clear witty and provocative style Morson invites readers to share his delight in the shortest literary genre The author defines what makes a e able as well as the unexpected differences between ation and misation He describes how ations form transform and may eventually become idioms How much of language itself is the residue of former ations Weaving in hundreds of intriguing ations common and unusual Morson explores how the words of others constitute essential elements in the formation of a culture and of the self within that culture In so doing he provides a demonstration of that very process captured in the pages of this extraordinary new book

Reference Sources for Canadian Literary Studies Joseph Jones,2005-01-01 Reference Sources for Canadian Literary Studies offers the first full scale bibliography of writing on and in the field of Canadian literary studies Approximately one thousand annotated entries are arranged by reference genre with sub groupings related to literary genre

Quotology Willis Goth Regier,2010-10-01 Erasmus advised readers to learn quotations by heart and copy them everywhere write them in the front and back of books inscribe them on rings and cups paint them on doors and walls even on the glass of a window Emerson noted that in Europe every church is a kind of book or bible so covered is it with inscriptions and pictures In Arabic script as tall as a man the Koran is quoted on the walls and domes of mosques We quote to admire provoke commemorate dispute play and inspire Quotations signal class club clique and alma mater They animate wit relay prophecies guide meditation and accessorize fashion In Quotology Willis

Goth Regier draws on world literature and contemporary events to show how vital quotations are how they are collected and organized and how deceptive they can be He probes all these aspects identifying fifty nine types of quotations including misquotations and anonymous sayings Following the logic of quotology Quotology concludes with famous last words
