Since the Quran is God's message to all the people regardless of their language the Quran is accessible to the believers regardless of their language 41 44 This explains a profound phenomenon the believers who do not know Arabic know the Quran better than the Arabic speaking unbelievers Because of the invisible forces serving the Quran it is readily and enjoyably accessible to the sincere believers and utterly inaccessible to the unbelievers 17 45 18 57 56 79 **Quran**, 2000 Authorized English version with the Arabic text **The Qur'an in Christian-Muslim Dialogue** Corrie Block, 2013-10-08 Offering an analysis of Christian Muslim dialogue across four centuries this book highlights those voices of ecumenical tone which have more often used the Qur'an for drawing the two faiths together rather than pushing them apart and amplifies the voice of the Qur'an itself Finding that there is tremendous ecumenical ground between Christianity and Islam in the voices of their own scholars this book ranges from a period of declining ecumenism during the first three centuries of Islam to a period of resurging ecumenism during the most recent century until now Among the ecumenical voices in the Christian Muslim dialogue this book points out that the Qur'an itself is possibly the strongest of those voices These findings are cause for and evidence of hope for the Christian Muslim relationship that although agreement may never be reached dialogue has led at times to very real mutual understanding and appreciation of the religious other Providing a tool for those pursuing understanding and mutual appreciation between the Islamic and Christian faiths this book will be of interest to scholars and students of Islam the Qur'an and the history of Christian Muslim relations **Quran** Rashad Khalifa, Ph.d., 2014-08-03 PROCLAIMING One unifying religion for all the people The Book is without a doubt a revelation from the Lord of the Universe The Final Testament comes with built in physical evidence that it is God's message to you it is mathematically composed beyond human capability This proves that God is the Truth and that He revives the dead and that He is Omnipotent This book consolidates all the messages delivered by all of God's messengers into one global message Total submission to God worshiping God and devoting the worship absolutely to Him ALONE **Nakaam Ya Kamyaaab** A Submitter, 2014-01-29 The Eleventh Volume or book of The Complete Testament which continues to expose the worldly life from a faithful submitter to God and believer in the Last Day an enlightened messenger of God who exposes the secret which has been hidden and this book shows amazing unveilings **Oh, Your God!** Joshua Kelly, 2016-01-05 This book is not just for atheists but for antitheists for people who celebrated the writing of Christopher Hitchens and miss his voice Making the provocative assertion that the entire enterprise of organized religion is a thing for which the world and our species would have been better without Oh Your God follows in the footsteps of the material observations of Lucretius Epicurus and Democritus and the more recent antitheistic arguments of Christopher Hitchens and Richard Dawkins Drawing from timeless philosophers modern debates historical events and current social climates Joshua Kelly illustrates the shameful and debilitating damage religion has caused and continues to cause whether to our psyches our bodies our societies or our world Citing the murders of Nigeria's witch children the subversion of sexual emancipation the tethers of slavery the attacks of September 11

the pseudomorality of monotheistic mythology the subjugation of women and much more he provides an abundance of damning evidence to back up his claims Only by acknowledging and grappling with the real and potential dangers of religion he argues will we be able to thrive and develop as a species

**The Rule of the Clan** Mark S. Weiner, 2013-03-12 A revealing look at the role kin based societies have played throughout history and around the world A lively wide ranging meditation on human development that offers surprising lessons for the future of modern individualism The Rule of the Clan examines the constitutional principles and cultural institutions of kin based societies from medieval Iceland to modern Pakistan Mark S Weiner an expert in constitutional law and legal history shows us that true individual freedom depends on the existence of a robust state dedicated to the public interest In the absence of a healthy state he explains humans naturally tend to create legal structures centered not on individuals but rather on extended family groups The modern liberal state makes individualism possible by keeping this powerful drive in check and we ignore the continuing threat to liberal values and institutions at our peril At the same time for modern individualism to survive liberals must also acknowledge the profound social and psychological benefits the rule of the clan provides and recognize the loss humanity sustains in its transition to modernity Masterfully argued and filled with rich historical detail Weiner s investigation speaks both to modern liberal societies and to developing nations riven by clannism including Muslim societies in the wake of the Arab Spring

**Pathways to Excessive Gambling** Charlotte Fabiansson, 2016-05-13 Pathways to Excessive Gambling draws upon extensive empirical research amongst young people and problem gamblers in Australia comparing it with situations in other territories to shed light on social recreational gambling and the ways in which this can lead to excessive gambling It highlights the relationship between the local community sports clubs governments social recreation economy and regulation of gambling venues identifying the social indicators that typify situations which commonly lead to excessive gambling By developing a society based perspective this volume recognizes problem gambling as an issue for the whole society rather than just the individual focusing on the availability of gambling and identifying its capacity as a construct to encourage or restrict the behaviour of the individual As such this book will be of significance to social scientists with interests in gambling young people social problems and the sociology of leisure and culture
