R D Ranade His Spiritual Lineage

R. D. Ranade

R D Ranade His Spiritual Lineage:

R.D. Ranade and His Spiritual Lineage Vinayak Hari Date,1982 On Ramchandra Dattatraya Ranade 1886 1957 Indian educationist and philosopher **R.D. Ranade and His Spiritual Lineage** Vinayak Hari Date,1982 **Mysticism in India**

R. D. Ranade,1983-06-30 **Mysticism in India** is a complete and informative description of the teachings works and lives of the great poet saints of Maharashtra written by a scholar and professor who was also a mystic Jnaneshwar Namadev Tukaram Eknath Ramdas and the other saints discussed belonged to the great devotional religious movement that spread through medieval India With the exception of Ramdas they all belonged to the tradition of the Varkaris the most popular sect in contemporary Maharashtra Their compositions exemplify the universality of their faith and practice and are recognized as literary treasures Ranade was primarily interested in the poet saints as mystics teachers of the perennial philosophy whose experiences have general metaphysical and religious implications At the heart of his classic is a comprehensive objective presentation of the thought of these saints augmented by a deep appreciation of their value and relevance to present day scholars and seekers **Mysticism in India** is the only major study in English of medieval Indian religious literature The book's enduring value has been enhanced by the addition of a foreword by a scholar currently working in Marathi literature and a preface by a present day poet saint of Maharashtra **Professor R.D. Ranade as a Teacher and Author** B. R.

Kulkarni,1986 On Ramchandra Dattatraya Ranade 1886 1957 educationist and Indic philosopher **Mysticism in Maharashtra** R. D. Ranade,1982 This book analyses and evaluates the mystical trends observable in the writings of mystics in Medieval India with particular emphasis on the mystics of Maharashtra We get a fair idea of the spiritual heaven introduced into Indian thought by the writers such as Ramananda Kabir Gauranga Jnanesvara Namadeva Ekanatha Tukarama Ramadasa and others The list exhausts all types of mysticism that are known to exist The book is rather a study of comparative mysticism and it draws striking parallelism between the mystics of Maharashtra and the Western mystics like Plotinus Eckhart Dante and others **Tukaram** R. D. Ranade,1994-06-03 Three centuries after Jnaneshwar devotional poetry had another full flowering in Western India Tukaram Maharaj was a merchant and householder who seemed to fail at everything Bankruptcy the death of his first wife during a famine and castigation by the Brahmin orthodoxy forced him into isolation and there he poured out his longing and devotion in hundreds of songs At first regarded as mad musicians singers and ordinary villagers began to gather around him by the hundreds to hear his kirtans celebrations of the Name of God Tukaram's songs seem to have possessed some magical ability to exactly capture the devotional egalitarian feeling of the community of bhaktas In this brilliant pioneering study of Tukaram by the philosopher and mystic R D Ranade written in the 1930s Ranade describes what he refers to as the Hegelian dialectic of Tuka's life and poetry his withdrawal from society his dark night of the soul and his emergence from humiliation confusion and doubt into the state of mystical knowledge and inner joy While Jnaneshwar always writes from the lofty mountain top of spiritual realization Tukaram takes us with him on

the journey itself with all its subtle ordeals and breakthroughs Tukaram is an important poet one whose stature in Marathi literature is comparable to that of Shakespeare in English Ranade's study is an indispensable introduction **Ranade: a Modern Mystic** Śā. Go Tulapule, Shripad Rama Sharma, 1961 The Experience of Hinduism Eleanor Zelliot, Maxine Berntsen, 1988-02-28 This book presents multi faceted images of religious experience in the Marathi speaking region of India In addition to Irawati Karve's classic On the Road about her pilgrimage to Pandharpur there are three essays by Karve that appear in English for the first time Here is possession by gods and ghosts an actual sermon by an inspired saint in the traditional bhajan style and an autobiographical account of the religious nationalism of the militant R S S These are engaging true to life accounts of the lives of individual Hindus Essays and imaginative literature a poem and a short story interplay the ideas concepts personalities practices rituals and deities of Hinduism in a surprisingly coherent manner **Bulletin of the Ramakrishna Mission Institute of Culture** Ramakrishna Mission, India. Institute of Culture, 1987 International Books in Print, 1995 Barbara Hopkinson, [Anonymus AC01401231], 1995 **Gurudev R.D. Ranade** B. R. Kulkarni, 1997 Triveni, 1984 **Dattatreya: The Immortal Guru, Yogin, and Avatara** Antonio Rigopoulos, 1998-04-02 Presents the multi faceted Hindu deity Dattatreya from his Puranic emergence to modern times This book presents the multi faceted Hindu deity Dattatreya from his Puranic emergence up to modern times Dattatreya's Brahmanical portrayal as well as his even more archaic characterization as a Tantric antinomian figure combines both Vaisnava Saiva motifs Over the course of time Dattatreya has come to embody the roles of the immortal guru yogin and avatara in a paradigmatic manner From the sixteenth century Dattatreya's glorious characterization emerged as the incarnation of the trimurti of Brahma Visnu and Siva Although Maharashtra is the heartland of Dattatreya devotion his presence is attested to throughout India and extends beyond the boundaries of Hinduism being met with in Sufi circles and even in Buddhism and Jainism via Nathism The scarce attention which most Western scholars of Indian religions have paid to this deity contrasts with its ubiquitousness and social permeability Devotion to Dattatreya cuts through all social and religious strata of Indian society among his adepts we find yogis Brahmans faqirs Devi worshippers untouchables thieves and prostitutes This book explores all primary religious dimensions myth doctrine ritual philosophy mysticism and iconography The comprehensive result offers a rich fresco of Hindu religion as well as an understanding of Marathi integrative spirituality precisely this complexity of themes constitutes Dattatreya's uniqueness I learned a great deal from this book Although I had known about Dattatreya as an important figure in Hinduism I had never realized the richness and complexity of this truly Protean deity As Rigopoulos notes Dattatreya has been largely neglected by scholars and this book makes you wonder why since he is so intriguing I suspect that this will become a classic in its area since there really is no comparable work which does so much relating to Dattatreya In a way to read the history of Dattatreya as presented by Rigopoulos is to engage the history of Hinduism Virtually all of the major historical phases and issues are there from the Vedic period up to the last decade Glen Hayes Bloomfield College The
