The Poetical Works of Robert Browning Robert Inglesfield, 2025-05-13 The English first edition of Dramatis Person was published in May 1864 with the American first edition appearing hard on its heels in the following September This was the second of the two great collections of Robert Browning's middle years the first Men and Women having appeared nine years previously The new collection with its inspired general title which Browning seems to have hit upon only weeks before the publication of the English first edition was certainly an extraordinary imaginative and technical achievement the poems are remarkable for their modernity of subject matter and close psychological interest as well as their assertive individuality of conception An outstanding feature is the inventive handling of tone as for example in Apparent Failure Browning seems to have regarded the collection very much as a continuation and development of Men and Women with its varied contrasting dramatic lyrics and dramatic argumentative poems As in the earlier collection the great majority of the poems are essentially dramatic in conception Browning: Men and Women and other Poems J.R. Watson, 1974-01-01 Each Macmillan Casebook concerns a classic of English literature or significant modern work Occasional volumes in the series will deal with closely related works Each casebook brings together the best of modern criticism along with a generous selection of earlier reviews and comment and any useful information that readers might need The introduction discusses the critical reputation of the work from the time of its publication to the present day Each volume aims to give its readers a heightened sense of the interest and vitality of the work under discussion and of the value of a critical response **Ten Noble Poems in English** Literature .1897 The Poems of Browning: Volume Four John Woolford, Daniel Karlin, Joseph Phelan, 2014-05-12 The Poems of Robert Browning is a multi volume edition of the poetry of Robert Browning 1812 1889 resulting from a completely fresh appraisal of the canon text and context of his work The poems are presented in the order of their composition and in the text in which they were first published giving a unique insight into the origins and development of Browning's art

Annotations and headnotes in keeping with the traditions of Longman Annotated English Poets are full and informative and provide details of composition publication sources and contemporary reception Volumes one 1826 1840 and two 1841 1846 presented the poems from his Browning's early years while volume three 1847 61 covered the period of his marriage to Elizabeth Barrett and residence in Italy Volume four 1862 71 deals with the decade following Elizabeth's death and Browning's return to England These years saw the appearance of some of his most significant work and a steady rise in his critical reputation In Dramatis Personae 1864 Browning uses his characteristic dramatic mode to expose predicaments of thought and feeling in characters ranging from Shakespeare's Caliban to the cheating medium Mr Sludge other poems dramatize Browning's complicated feelings about the deceptions and self deceptions of romantic love Balaustion's Adventure 1871 is an engaging reworking of Euripides Alcestis whose theme the resurrection of a beloved lost wife has poignant personal resonance for Browning while Prince Hohenstiel Schwangau published in the same year offers a thinly veiled account of the life and actions of Napoleon III the recently deposed Emperor of France over whom Browning and Elizabeth had quarrelled In these two long poems Browning can be seen engaged in the dialogue with Elizabeth that was to shape much of his work during the remainder of his writing life
