Taylor,2020-06-15 Modern science is the most accurate lens of reality that humanity has developed so far Science is crucial to humanity s health safety and development Still the lens of science only sees a thin slice of the totality of existence Much of the human experience cannot be simply explained by standard quantifiable tests Many people have become aware of the limits and shortcomings of scientific knowledge and have also realized that our perpetual hunger for spiritual understanding is real and undeniable Many of us sense that there is something beyond Throughout various periods of history and various cultures and societies people have been interested in the mysterious and the paranormal This yearning is rooted in the soul s search for true spirituality A Jewish Guide to the Mysterious written by one of contemporary Judaism s leading scholars and teachers clearly explains classic Torah views on intriguing phenomena such as dreams astrology time travel alien life reincarnation ESP and auras angels demons ghosts and even such topics as the lost city of Atlantis and the Bermuda Triangle Read this fascinating book and be amazed     **The Torah** Seymour Rossel,2007 An interactive study of the Five Books of

Moses The book can be read from cover to cover or used to study each portion of the Torah as read weekly in the synagogue Simple enough for teenagers it is sophisticated enough for adults and rich in resources for preparing lectures sermons and talks     Moses Jonathan Kirsch,2009-10-07 Lawgiver and liberator Seer and prophet The only human permitted to converse with God face to face Moses is the most commanding presence in the Old Testament Yet as Jonathan Kirsch shows in this brilliant stunningly original volume Moses was also an enigmatic and mysterious figure at once a good shepherd and a

ruthless warrior a spiritual leader and a magician a lawgiver who broke his own laws God's chosen friend and hounded victim Now in *Moses A Life* Kirsch accomplishes the wondrous feat of revealing the real Moses a strikingly modern figure who steps out from behind the facade of Sunday school lessons and movie matinees Drawing on the biblical text and a treasury of both scholarship and storytelling Kirsch examines all that is known and all that has been imagined of Moses In these vivid pages we see the marvels and mysteries of Moses's life in a new light his rescue in infancy and adoption by an Egyptian princess his reluctant assumption of the role of liberator his struggles to wrest his people from the pharaoh's dominion his desperate vigil on Mount Sinai Here too is the darker more ominous Moses the sorcerer the husband of a pagan woman the military commander who cold bloodedly ordered the slaying of innocent people the beloved of God whom God sought twice to murder Jonathan Kirsch brings both prodigious knowledge and a keen imagination to one of the most compelling stories of the Bible and the results are fascinating A figure of mystery passion and contradiction Moses emerges from this book very much a hero for our time

*The Sacred Blood* Michael Byrnes, 2010-04-01 Secrets miracles prophecies and the threat of Armageddon intertwine in this riveting sequel to the international bestseller *The Sacred Bones* When American geneticist Charlotte Hennesey examined what she believed were the bones of Jesus the Vatican tried to stop word of her discovery from spreading Now her proof has vanished But the bones were just the beginning In her tests Charlotte discovers that the DNA has the ability to repair damaged genes to heal the sick to cure incurable diseases Dying from cancer the determined scientist uses herself as a human guinea pig to try and save her own life But someone wants those bones and Charlotte Rabbi Aaron Cohen a descendant of the biblical Aaron and the high priests of the long destroyed Temple in Jerusalem foresees a time when Jerusalem's Temple Mount is cleared of the Dome of the Rock and the al Aqsa Mosque and replaced with the Third Temple And for Cohen that time is now He has only one problem he cannot touch the Ark because his bloodline isn't pure And that's where Charlotte comes in Cohen's dangerous plan doesn't go unnoticed however When Israeli archaeologist Amit Mizrachi uncovers a mysterious Egyptian hieroglyph in a hidden and previously undiscovered room he asks noted Egyptologist Julie LeRoux to interpret it for him As they begin a quest to unravel the mystery bullets start to fly and they know they are onto something huge As Cohen puts his plan into action the keepers of the mosques on Temple Mount are outraged Will this be the act that leads to vast armies meeting on the hills of the town named Megiddo causing a global Armageddon

**Jesus in the Talmud** Peter Schäfer, 2009-09-13 Scattered throughout the Talmud the founding document of rabbinic Judaism in late antiquity can be found quite a few references to Jesus and they're not flattering In this lucid richly detailed and accessible book Peter Schäfer examines how the rabbis of the Talmud read understood and used the New Testament Jesus narrative to assert ultimately Judaism's superiority over Christianity The Talmudic stories make fun of Jesus birth from a virgin fervently contest his claim to be the Messiah and Son of God and maintain that he was rightfully executed as a blasphemer and idolater They subvert the Christian idea of Jesus resurrection and insist he got the punishment he

deserved in hell and that a similar fate awaits his followers Sch fer contends that these stories betray a remarkable familiarity with the Gospels especially Matthew and John and represent a deliberate and sophisticated anti Christian polemic that parodies the New Testament narratives He carefully distinguishes between Babylonian and Palestinian sources arguing that the rabbis proud and self confident countermesssage to that of the evangelists was possible only in the unique historical setting of Persian Babylonia in a Jewish community that lived in relative freedom The same could not be said of Roman and Byzantine Palestine where the Christians aggressively consolidated their political power and the Jews therefore suffered A departure from past scholarship which has played down the stories as unreliable distortions of the historical Jesus Jesus in the Talmud posits a much more deliberate agenda behind these narratives **Rembrandt's Hat** Bernard Malamud,1973 When Rembrandt the bear loses his special lucky hat he finds that neither a bird nor a clown hat can replace it
