Rabbit Who Couldnt Say No:

The Spy Who Couldn't Say No L. A. Wiggins, 2015-08-14 ASA agent William Wright had matured from being a brash young soldier to a seasoned espionage agent with a gift that foretold impending danger He gradually changed from a baby faced university student to a devilish handsome young man with an agenda in pursuing communist agents to beautiful ladies in Europe These traits had a tendency to have him loved or hated according to who was taken advantage of his availability The ones who disliked his natural confident manner were usually fathers protecting their daughters or husbands who became adversaries He never turned down or almost never a lady's wishes when they were needed to make sure an assignment was successful Loyalty was his creed with fellow associates lovers and the three generals he answered to and justifiable force was his trademark Will asked for no quarter and gave only when respect warranted such reactions

The Girl Who Couldn't Smile Shane Dunphy, 2012-02-02 When Shane Dunphy starts work at Little Scamps cr che he has no idea what he has let himself in for He had not worked in an early years setting for many years and on arriving for his first day he found that two members of staff Susan and Tush are at the end of their tether and on the verge of resigning The children themselves are completely out of control At the centre of this chaos Shane finds Tammy a pretty doll like five year old who is a mystery to everyone she does not talk or even smile yet shows signs of remarkable intelligence Through the course of the year Shane attempts to bring order to this motley group and we learn the stories of some of the other children in the cr che Milandra an angry violent four year old the daughter of a Nigerian father and Irish mother Rufus a gypsy child who is direly neglected Julie a tiny painfully shy little girl with Down s Syndrome How is Shane ever to find a way to communicate with and ultimately befriend such diverse and challenging personalities Then one afternoon Gus the class tear away receives the gift of a blue crayon a crayon he claims is magic And Shane begins to wonder if this magic could be the answer to all his problems Shane Dunphy s moving portrait of a year at Little Scamps is a testament to the redemptive power of love and nurturing of finding oneself through the care of others as well as finding the secret of a girl who couldn t smile
