Rabin And Israel's National Security:

Rabin and Israel's National Security Efraim Inbar, 1999-06-17 For more than forty years Yitzhak Rabin played a critical role in shaping Israeli national security policy and military doctrine He began as a soldier in the Palmach the elite underground unit of the Jewish community in Palestine served in the 1948 War of Independence and ultimately became chief of staff of the Israel Defense Force IDF defense minister in several governments ambassador to the United States and twice prime minister As chief of staff Rabin led the IDF to its triumph in the 1967 Six Day War He was assassinated in 1995 as prime minister as he left a peace rally Drawing on unpublished materials and interviews with important sources including Rabin himself Efraim Inbar's work offers a systematic study of Rabin's strategic thinking and his policies Topics include the evolution of Rabin's thinking his contributions to IDF military buildup his stress on Israel's relationship to the United States his attitudes toward the use of force and his approach to Israel's nuclear status in the Middle East Inbar's conclusion evaluates Rabin's contribution to Israel's national security and assesses Rabin's personal transition from warrior to peace maker Because of Rabin's crucial role in Israel's defense establishment at important junctures in its history this book provides an important view into the security challenges Israel has faced and how the country has responded over four decades

Israel's National Security Efraim Inbar, 2007-12-21 This book brings together a collection of essays that covers the main national security issues Israel has faced since 1973

Israel: National Security and Securitization Ori Wertman, Christian Kaunert, 2023-04-17 This book is the first comprehensive book length analysis of Israel and securitization processes It develops an original analytical framework to ameliorate the theoretical understanding of the audience component during the securitization process drawing upon insights from both securitization theory political psychology and IR theory This gives us significant new insights into why some audiences are essential to be persuaded for securitization to occur while others are not This book also examines the role of the United States in defining what matters in Israeli National Security In essence since the United States is Israel's most significant ally it is essential for the Israeli leadership to gain the American government's support or its lack of resistance for almost any securitization acts The book analyses a highly original set of interviews with prominent figures in Israel who were at the top level of the Israeli decision making process including members of the political and military echelons Through unparalleled access to Israel's political and security echelons *Israel National Security and Securitization* provides a unique overview of Israel's decision maker's political perception over the years Ehud Olmert Prime Minister of Israel 2006-2009 *Israel National Security and Securitization* provides a powerful analysis of how the State of Israel confronted security threats and what was the American involvement in the Israeli decision making process Amos Yadlin IDF Military Intelligence Directorate Chief 2006-2010 This book makes us understand securitization in a novel and enlightening way thus making a substantial contribution to our understanding of national security in general and Israeli security in particular Gabriel Ben Dor University of Haifa Wertman and Kaunert's book makes

an important and unique contribution to the existing and developing literature on securitization Kobi Michael Institute for National Security Studies *The Evolution of Israel's National Security Doctrine* Ratnadeep Chakraborty, 2024-08-17 The Transformation of Israel's National Security Doctrine From Ben Gurion to Netanyahu explores the evolution of Israel's security strategies from its founding to the present It traces the principles of David Ben Gurion and examines how different leaders adapted these ideas to meet changing regional threats With insights from security documents and expert perspectives the book highlights the interplay of military might strategic planning and political credibility making it an essential resource for those interested in Middle Eastern dynamics Featuring thorough examinations of key security documents and perspectives from specialists this publication reveals the lasting and adaptive approaches that characterize Israel's national security framework By illuminating the delicate interplay between military strength strategic foresight and political credibility this work offers a thorough understanding of the various elements influencing Israel's security doctrine It serves as a critical resource for academics decision makers and anyone keen on understanding the dynamics of the Middle East *Israel's National Security Towards the 21st Century* Uri Bar-Joseph, 2014-09-19 This volume discusses three principal issues the Israeli army and the Revolution of Military Affairs RMA Israel's present and future answers to the threats of weapons of mass destruction WMD and the impact of societal political and technological changes on Israel's future war objectives **Israel's National Security Law** Amichai Cohen, Stuart Cohen, 2012 This book analyses both the substance of Israel's National security law and the dynamics of its historical development It examines the normative principles upon which Israel's national security law is based institutional arrangements for the formulation and protection of national security law and the style in which Israeli national security law is formulated *Israeli Politics and the Middle East Peace Process, 1988-2002* Hassan A. Barari, 2004-07-31 The book is a fresh interpretation of Israeli foreign policy vis vis the peace process one that deems domestic political factors as the key to explain the shift within Israel from war to peace The main assumption is that peacemaking that entails territorial compromise is an issue that can only be completely comprehended by understanding the interaction of domestic factors such as inter party politics ideology personality and the politics of coalition Although the bulk of the book focuses on how internal inputs informed the peace process the book takes into account the external factors and how they impacted on the internal constellation of political forces in Israel *Israel's Security Networks* Gabriel Sheffer, Oren Barak, 2013-06-28 Provides a fresh perspective on Israeli civil security relations and politics introducing the concept of informal security networks in the area of national security *The Political Psychology of Israeli Prime Ministers* Yael S. Aronoff, 2014-05-29 This book examines leaders of the seemingly intractable conflict between Israel and its Palestinian neighbors It takes as an intellectual target of opportunity six Israeli prime ministers asking why some of them have persisted in some hard line positions but others have opted to become peacemakers This book argues that some leaders do change and above all it explains why and how such changes come about This book goes beyond arguing simply

that leaders matter by analyzing how their particular belief systems and personalities can ultimately make a difference to their country's foreign policy especially toward a long standing enemy Although no hard liner can stand completely still in the face of important changes only those with ideologies that have specific components that act as obstacles to change and who have an orientation toward the past may need to be replaced for dramatic policy changes to take place **Yitzhak Rabin and Israeli National Security**, 1996 **Arab-Israeli Conflict** Priscilla Roberts, 2014-07-15 Truly an essential reference for today's world this detailed introduction to the origins events and impact of the adversarial relationship between Arabs and Israelis illuminates the complexities and the consequences of this long lasting conflict The Arab Israeli conflict remains one of the most contentious in modern history one with repercussions that reach far beyond the Middle East This volume describes and explains the most important countries people events and organizations that play or have played a part in the conflict Chronological coverage begins with the Israeli War of Independence in 1948 and extends through the 2010s A one stop reference the guide offers a comprehensive overview essay as well as perspective essays by leading scholars who explore such widely debated issues as the United States support for Israel and historic rights to Palestine Important primary source documents such as the UN Resolution on the Partition of Palestine and the Camp David Accords are included and put into context Further insight into drivers of war and peace in the Middle East are provided through biographies of major political leaders like Menachem Begin Golda Meir Yasser Arafat Benjamin Netanyahu and Anwar Sadat **Israel's National Security** Efraim Inbar, 2007-12-21 This volume presents a comprehensive analysis of Israel's security challenges since the 1973 October War Efraim Inbar takes the reader on a historical journey through Israel's relations in the Middle East that begins with an analysis of Israel's strategic thinking after 1973 and ends with an important look at the recent Second Lebanese War and the Iranian nuclear challenge Israel's National Security delves not only into Israel's responses but also its relationships in the international community providing a complete picture of how Israel's strategic environment has evolved over time Relevant to today's current political atmosphere the volume dissects the influences of the growing appeal of Islamic extremism on the peace process Israel strategic partnerships with India and Turkey and Israel's relations with the Palestinians Israeli National Security Policy Bernard Reich, Gershon R. Kieval, 1988 What sets this book apart is its focus not simply upon the twin strategic imperatives underlying Israeli security policy but also its attention to the interplay amongst the key domestic actors involved in formulating Israeli attitudes concerning national security It provides the reader with enhanced understanding of the actors involved in the decisional process without losing sight of the ever present security imperative It is must reading for any student of Israel and the Middle East Middle East Focus As Israel continues to struggle for survival in the hostile political environment of the Middle East it is increasingly threatened from within by deep divisions on key foreign policy issues particularly relations with the Arab world and the crisis in Lebanon This book focuses on Israel's foreign policy conflicts and examines the perspectives of the competing factions parties and alignments that are in conflict

over these vital issues Written by a group of specialists with in depth knowledge of Israeli government and political life it provides a clear analysis and composite picture of the forces and actors that have shaped Israel s national security policy in recent decades

Israeli National Security Charles David Freilich,2018 The most comprehensive study to date of Israel s national security It combines an exhaustive analysis of the military diplomatic demographic and societal challenges Israel faces with the responses it has developed to present a detailed proposal for an overall new national security strategy the first such Israeli strategy ever published

Be Strong and of Good Courage Dennis Ross,David Makovsky,2019-09-03 Modern Israel s founding fathers provided some of the boldest and most principled leadership of any nation now Israel needs their example more than ever Modern Israel s founding fathers provided some of the boldest and most principled leadership of any nation Now Israel needs their example more than ever At a time when the political destiny of Israel is more uncertain than at any moment since its modern founding Be Strong and of Good Courage celebrates the defining generation of leaders who took on the task of safeguarding the country s future David Ben Gurion Menachem Begin Yitzhak Rabin and Ariel Sharon were all present at the creation of the new nation in 1948 Over the next sixty years each experienced moments when the country s existence was directly imperiled In those moments Israel needed extraordinary acts of leadership and strategic judgment to secure its future and these leaders rose to the occasion The strength they showed allowed them to prevail Today Israel may be on the verge of sacrificing the essential character that its greatest citizens fought to secure This is the story of that epic struggle

Israel, Strategic Culture and the Conflict with Hamas Niccolò Petrelli,2017-10-12 This book offers a comprehensive overview of the impact of strategic culture on Israeli military operations against Hamas between 1987 and 2014 It has often been argued that Israeli policies and military operations against Hamas have proven tactically effective but strategically disastrous allowing the Islamic Resistance Movement to grow from a small spin off of the Muslim Brotherhood into a powerful military and political actor in the Palestinian arena This book argues contrary to this opinion that Israel was effective in its struggle against the Islamic Resistance Movement between 1987 and 2014 as the Jewish state ultimately managed to deny the majority of Hamas strategic aims and to preserve a position of relative strength By relying on a synthesis of primary sources interviews memoirs scholarly and professional military studies and information gathered from the media the study delivers a careful and comprehensive analysis of the conflict It provides an historical outline of the development of the Israeli strategic culture and analyzes its impact on the process of military adaptation during the First Intifada the Oslo Peace Process the al Aqsa Intifada and the Gaza wars Finally the book illuminates how the Israeli strategic culture moulded a distinctive way of war that though marked by successes and

failures ultimately proved effective against Hamas This book will be of much interest to students of strategic studies Middle Eastern politics counter insurgency counter terrorism and security studies in general Co-opting the PLO Peter Ezra Weinberger,2006-01-01 Co opting the PLO analyzes the Oslo Accords the interim self government agreements signed between the government of Israel and the Palestine Liberation Organization using a theoretical framework based on the work of Gilles Deleuze and Michael Hardt Guided by these theoretical insights Weinberger puts forth an innovative and provocative argument about Israel s simultaneous empowerment and disempowerment of its Palestinian partners in peace

Rabin And Israels National Security Introduction

In today's digital age, the availability of Rabin And Israels National Security books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rabin And Israels National Security books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rabin And Israels National Security books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rabin And Israels National Security versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rabin And Israels National Security books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rabin And Israels National Security books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rabin And Israels National Security books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rabin And Israels National Security books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rabin And Israels National Security books and manuals for download and embark on your journey of knowledge?
