**"Right Development"** Juliana Essen, 2005-01-01 Right Development examines the Santi Asoke Buddhist Reform Movement of Thailand as a culturally and environmentally appropriate alternative to western development programs The Asoke group's aim is not a Western ideal to accumulate high levels of material comfort but a Buddhist ideal to release attachment to the material world and attain spiritual freedom Ethnographic research at one Asoke community illuminates how Asoke beliefs and practices foster development on three levels the individual community and society A closer look at a day in the life of four women provides further insight into this development This book stipulates that development must be culturally locally situated focused on livelihoods rather than economic growth environmentally sustainable and endogenously inspired implemented and maintained The intent here is not to offer a new meta strategy for global development but to underscore the need for diverse responses to the vast array of economic social and environmental dilemmas Right Development offers alternatives for sustainable development perfect for scholars of Buddhism or Thailand **Blue** Kai Kupferschmidt, 2022-08-30 Now in paperback a vivid exploration of this uniquely captivating color which behaves like no other wavelength Blue is the most widely beloved color but in nature it's the rarest hue of all True physics paints the sea and sky blue but we can't bottle this trick of the light And blue pigment requires such complex chemistry that blue creatures plants and minerals are few indeed Artists and kings have treasured blue dye like precious gold since the time of the pharaohs and who today can help but marvel at a morpho butterfly in the rain forest or a blue jay at the window Science journalist Kai Kupferschmidt has been enraptured by blue since childhood In his quest to understand the mysteries of his favorite color he takes readers on a vivid journey from a biotech lab in Japan and a volcanic lake in Oregon to his native Germany home of the last blue feathered Spix's macaws Deep underground where blue crystals grow and miles overhead where astronauts gaze at our blue marble planet wherever he finds this alluring color it always has a story to tell *Global Health Disparities* Enku Kebede-Francis, 2011 Health Sciences Professions *Ecopedagogy and the Global Environmental Citizen* Greg William Misiasek, 2025-03-31 This edited volume collates over a decade of Greg William Misiasek's work on ecopedagogy with a new focus on insights and possibilities for global citizenship education GCE scholarship Rooted in critical theories and originating from Paulo Freire's popular education models of Latin America ecopedagogy is centered on understanding the struggles of and the connections between human acts of environmental violence social injustices and Nature's unsustainability The book brings together diverse understandings of ecopedagogy introduces key concepts of teaching for local to planetary citizenship and explains how both are essential for socio environmental justice and planetary sustainability Grouped into three parts it includes new detailed introductions with crucial GCE threads explored throughout the chapters This includes discussions of how non critical teaching for environmentally sustainable development that opposes critical GCE's essence instills anti environmentalism rather than countering it As a comprehensive and fresh curation of

Misiaszek's work on timely and critical topics it will appeal to academic scholars educational researchers teachers and social environmental movement leaders participants among others who have interests in GCE environmental sustainability sustainable development environmental teaching and social environmental justice

**Critical Pedagogies in English Language Teaching and Learning in South East Asia** Joanna Joseph Jeyaraj,Tamas Kiss,David D. Perrodin, Critical

Pedagogies in English Language Teaching and Learning in South East Asia explores the emerging yet dynamic field of critical pedagogies within the region This volume brings together voices from countries like Vietnam the Philippines Singapore Thailand Indonesia and Malaysia offering a unique perspective on critical pedagogies in diverse cultural contexts Although the application of critical pedagogies in English language education in South East Asia remains limited due to certain cultural political and educational traditions it is still important to discuss possible interpretations of critical pedagogies within this context Consequently this volume focuses on understanding barriers to implementation and provides examples of how critical approaches have been adapted to make it culturally and pedagogically acceptable As an important resource for educators researchers and policy makers this volume promotes inclusive and transformative educational practices within English language education It serves as a call to action urging readers to reimagine the potential of critical pedagogies in shaping a more equitable and just educational future
