**Race Against Time** Claire Eckard, 2023-07-17 Flash was a pony that had fallen between the cracks too small for most to ride even for a Hackney pony and too feral to be shown What he needed was a person as small as he was who had the guts and the patience to give a wild pony a chance Then along came a little girl with a sensitive soul and a big heart Kyla Law was just nine years old when she met Flash and neither of them could have anticipated that their partnership would make history In an inspiring true story of family faith and perseverance Kyla and Flash's relationship mirrors the journey we must all take in life one of highs and lows successes and failures theirs just happens to be along a hundred mile historic trail in the Sierra Nevada mountains the setting for the most famous endurance race in the world From the moment they met to the moment they crossed the finish line their tenacity exhibits pure spirit the human spirit the Holy Spirit and the fire in the soul kind of spirit that helps us climb mountains and cross rivers literally and figuratively This story is about a girl and her pony and how in one amazing day they inspired an international community as Flash became the smallest horse to ever finish the Western States One Hundred Mile One Day Ride the Tevis Cup
