**Werner Sollors**

## **Race Mixtures Studies In Intermarriage And Miscegenation:**

**Race Mixture** Edward Byron Reuter, 1931      **Race Mixture** Edward Byron 1880-1946 N 50 Reuter, 2023-07-18 First published in 1915 this groundbreaking work examines the social and legal implications of race mixing in America With a controversial subject matter and extensive research it remains a significant work in the history of race relations and sociology This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      **Catalog of Copyright Entries. New Series** Library of Congress. Copyright Office, 1932      **Intermarriage in the United States** Gary A. Cretser, Joseph J. Leon, 1982 Therapists who work with couples will find valuable background information on some of the major ethnic groups who intermarry in the United States black Chinese Japanese Mexican Korean Philippino and Caucasian Intermarriage in the United States presents A thorough compilation of information on issues of interracial and intercultural marriage in the United States focusing particularly on the difficulties and failures of the marriages This unique and much needed volume focuses on the psychological conditions of the marriage partners intermarriage as an indicator of social assimilation and integration hypergamy including both caste and class hypergamy and much more      **Race, Law and Society** Ian Haney López, 2017-05-15 Race Law and Society draws together some of the very best writing on race and racism from the law and society tradition yet it is not intended to merely reprint the greatest hits of the past Instead from its introduction to its selection of articles this anthology is designed as a how to manual a guide for scholars and students seeking templates for their own work in this important but also tricky area Race Law and Society pulls together leading exemplars of the sorts of social science scholarship on race society and law that will be essential to racial progress as the world begins to travel the twenty first century      **Obama and the Biracial Factor** Andrew J Jolivet, 2012-02-01 Since the election in 2008 of Barack Obama to the Presidency of the United States there have been a plethora of books films and articles about the role of race in the election of the first person of color to the White House None of these works though delves into the intricacies of Mr Obama s biracial background and what it means Obama and the Biracial Factor is the first book to explore the significance of mixed race identity as a key factor in the election of President Obama and examines the sociological and political relationship between race power and public policy in the United States with an emphasis on public discourse and ethnic representation in his election Jolivet and his co authors bring biracial identity and multiraciality to forefront of our understanding of racial projects since his election Additionally the authors assert the salience of mixed race identity in U S policy and the on going

impact of the media and popular culture on the development implementation and interpretation of government policy and ethnic relations in the U S and globally Obama and the Biracial Factor speaks to a wide array of academic disciplines ranging from political science and public policy to sociology and ethnic studies      **The Crimes of Womanhood** A. Cheree Carlson,2010-10-01 Cultural views of femininity exerted a powerful influence on the courtroom arguments used to defend or condemn notable women on trial in nineteenth century and early twentieth century America By examining the colorful rhetorical strategies employed by lawyers and reporters of women s trials in newspaper articles trial transcriptions and popular accounts A Cheree Carlson argues that the men in charge of these communication avenues were able to transform their own values and morals into believable narratives that persuaded judges juries and the general public of a woman s guilt or innocence Carlson analyzes the situations of several women of varying historical stature from the insanity trials of Mary Todd Lincoln and Lizzie Borden s trial for the brutal slaying of her father and stepmother to lesser known trials involving insanity infidelity murder abortion and interracial marriage The insanity trial of Elizabeth Parsons Ware Packard the wife of a minister resulted from her attempts to change her own religion while a jury acquitted Mary Harris for killing her married lover suggesting that loss of virginity to an adulterous man was justifiable grounds for homicide The popular conception of abortion as a woman s crime came to the fore in the case of Ann Loman also known as Madame Restell who performed abortions in New York both before and after it became a crime Finally Alice Rhineland was sued for fraud by her new husband Leonard for passing as white but the jury was more moved by the notion of Alice being betrayed as a woman by her litigious husband than by the supposed defrauding of Leonard as a white male Alice won the case but the image of womanhood as in need of sympathy and protection won out as well At the heart of these cases Carlson reveals clearly just how narrow was the line that women had to walk since the same womanly virtues that were expected of them passivity frailty and purity could be turned against them at any time These trials of popular status are especially significant because they reflect the attitudes of the broad audience indicate which forms of knowledge are easily manipulated and allow us to analyze how the verdict is argued outside the courtroom in the public and press With gripping retellings and incisive analysis of these scandalous criminal and civil cases this book will appeal to historians rhetoricians feminist researchers and anyone who enjoys courtroom drama      *Native America in the Twentieth Century* Mary B. Davis,2014-05-01 First Published in 1996 Articles on present day tribal groups comprise more than half of the coverage ranging from essays on the Navajo Lakota Cherokee and other large tribes to shorter entries on such lesser known groups as the Hoh Paugusett and Tunica Biloxi Also 25 includes maps      *Harry Potter and the Other* Sarah Park Dahlen,Ebony Elizabeth Thomas,2022-06-27 Named a 2023 Honour Book by the International Research Society for Children s Literature Contributions by Christina M Chica Kathryn Coto Sarah Park Dahlen Preethi Gorecki Tolonda Henderson Marcia Hernandez Jackie C Horne Susan E Howard Peter C Kunze Florence Ma tita Sridevi Rao Kallie Schell Jennifer Patrice Sims Paul Spickard Lily Anne Welty Tamai Ebony Elizabeth

Thomas Jasmine Wade Karin E Westman and Charles D Wilson Race matters in the fictional Wizarding World of the Harry Potter series as much as it does in the real world As J K Rowling continues to reveal details about the world she created a growing number of fans scholars readers and publics are conflicted and concerned about how the original Wizarding World quintessentially white and British depicts diverse and multicultural identities social subjectivities and communities Harry Potter and the Other Race Justice and Difference in the Wizarding World is a timely anthology that examines interrogates and critiques representations of race and difference across various Harry Potter media including books films and official websites as well as online forums and the classroom As the contributors to this volume demonstrate a deeper reading of the series reveals multiple ruptures in popular understandings of the liberatory potential of the Potter series Young people who are progressive liberal and empowered to question authority may have believed they were reading something radical as children and young teens but increasingly they have raised alarms about the series depiction of peoples of color cultural appropriation in worldbuilding and the author's antitrans statements in the media Included essays examine the failed wizarding justice system the counterproductive portrayal of Nagini as an Asian woman the liberation of Dobby the elf and more adding meaningful contributions to existing scholarship on the Harry Potter series As we approach the twenty fifth anniversary of the publication of Harry Potter and the Philosopher's Stone Harry Potter and the Other provides a smorgasbord of insights into the way that race and difference have shaped this story its world its author and the generations who have come of age during the era of the Wizarding World

**The Problem South** Natalie J. Ring, 2012-04-01 For most historians the late nineteenth and early twentieth centuries saw the hostilities of the Civil War and the dashed hopes of Reconstruction give way to the nationalizing forces of cultural reunion a process that is said to have downplayed sectional grievances and celebrated racial and industrial harmony In truth says Natalie J Ring this buoyant mythology competed with an equally powerful and far reaching set of representations of the backward Problem South one that shaped and reflected attempts by northern philanthropists southern liberals and federal experts to rehabilitate and reform the country's benighted region Ring rewrites the history of sectional reconciliation and demonstrates how this group used the persuasive language of social science and regionalism to reconcile the paradox of poverty and progress by suggesting that the region was moving through an evolutionary period of readjustment toward a more perfect state of civilization In addition The Problem South contends that the transformation of the region into a mission field and laboratory for social change took place in a transnational moment of reform Ambitious efforts to improve the economic welfare of the southern farmer eradicate such diseases as malaria and hookworm educate the southern populace uplift poor whites and solve the brewing race problem mirrored the colonial problems vexing the architects of empire around the globe It was no coincidence Ring argues that the regulatory state's efforts to solve the southern problem and reformers increasing reliance on social scientific methodology occurred during the height of U S imperial expansion

*Interracial Intimacy* Rachel F. Moran, 2001 Crossing disciplinary

lines Moran looks in depth at interracial intimacy in America from colonial times to the present She traces the evolution of bans on intermarriage and explains why blacks and Asians faced harsh penalties while Native Americans and Latinos did not She provides fresh insight into how these laws served complex purposes why they remained on the books for so long and what led to their eventual demise As Moran demonstrates the United States Supreme Court could not declare statutes barring intermarriage unconstitutional until the civil rights movement coupled with the sexual revolution had transformed prevailing views about race sex and marriage

Rising Road Sharon Davies, 2010-02-16 It was among the most notorious criminal cases of its day On August 11 1921 in Birmingham Alabama a Methodist minister named Edwin Stephenson shot and killed a Catholic priest James Coyle in broad daylight and in front of numerous witnesses The killer's motive The priest had married Stephenson's eighteen year old daughter Ruth to Pedro Gussman a Puerto Rican migrant and practicing Catholic Sharon Davies's Rising Road resurrects the murder of Father Coyle and the trial of his killer As Davies reveals with novelistic richness Stephenson's crime laid bare the most potent bigotries of the age a hatred not only of blacks but of Catholics and foreigners as well In one of the case's most unexpected turns the minister hired future U S Supreme Court Justice Hugo Black to lead his defense Though regarded later in life as a civil rights champion in 1921 Black was just months away from donning the robes of the Ku Klux Klan the secret order that financed Stephenson's defense Entering a plea of temporary insanity Black defended the minister on claims that the Catholics had robbed Ruth away from her true Protestant faith and that her Puerto Rican husband was actually black Placing the story in social and historical context Davies brings this heinous crime and its aftermath back to life in a brilliant and engrossing examination of the wages of prejudice and a trial that shook the nation at the height of Jim Crow Davies takes us deep into the dark heart of the Jim Crow South where she uncovers a searing story of love faith bigotry and violence Rising Road is a history so powerful so compelling it stays with you long after you've finished its final page Kevin Boyle author of the National Book Award winning Arc of Justice This gripping history has all the makings of a Hollywood movie Drama aside Rising Road also happens to be a fine work of history History News Network

**Neither Black Nor White Yet Both** Werner Sollors, 1999 Why can a white woman give birth to a black baby while a black woman can never give birth to a white baby in the United States What makes racial passing so different from social mobility Why are interracial and incestuous relations often confused or conflated in literature making miscegenation appear as if it were incest Werner Sollors examines these questions and others in Neither Black nor White yet Both a fully researched investigation of literary works that in the past have been read more for a black white contrast of either or than for an interracial realm of neither nor both and in between From the origins of the term race to the cultural sources of the Tragic Mulatto and from the calculus of color to the retellings of various plots Sollors examines what we know about race analyzing recurrent motifs in scientific and legal works as well as in fiction drama and poetry

*Sex, Love, Race* Martha Hodes, 1999 Since the colonial era North America has been defined and continually redefined by the intersections of sex

violence and love across racial boundaries Motivated by conquest economics desire and romance such crossings have profoundly affected American society by disturbing dominant ideas about race and sexuality Sex Love Race provides a historical foundation for contemporary discussions of sex across racial lines which despite the numbers of interracial marriages and multi racial children remains a controversial issue today The first historical anthology to focus solely and widely on the subject Sex Love Race gathers new essays by both younger and well known scholars which probe why and how sex across racial boundaries has so threatened Americans of all colors and classes Traversing the whole of American history from liaisons among Indians Europeans and Africans to twentieth century social scientists fascination with sex between Asian Americans and whits the essays cover a range of regions and of racial ethnic and sexual identities in North America Back cover

**An American Dilemma** Gunnar Myrdal,2017-07-12 In this landmark effort to understand African American people in the New World Gunnar Myrdal provides deep insight into the contradictions of American democracy as well as a study of a people within a people The title of the book An American Dilemma refers to the moral contradiction of a nation torn between allegiance to its highest ideals and awareness of the base realities of racial discrimination The touchstone of this classic is the jarring discrepancy between the American creed of respect for the inalienable rights to freedom justice and opportunity for all and the pervasive violations of the dignity of blacks The appendices are a gold mine of information theory and methodology Indeed two of the appendices were issued as a separate work given their importance for systematic theory in social research The new introduction by Sissela Bok offers a remarkably intimate yet rigorously objective appraisal of Myrdal a social scientist who wanted to see himself as an analytic intellectual yet had an unbending desire to bring about change An American Dilemma is testimonial to the man as well as the ideas he espoused When it first appeared An American Dilemma was called the most penetrating and important book on contemporary American civilization by Robert S Lynd One of the best political commentaries on American life that has ever been written in The American Political Science Review and a book with a novelty and a courage seldom found in American discussions either of our total society or of the part which the Negro plays in it in The American Sociological Review It is a foundation work for all those concerned with the history and current status of race relations in the United States

**International Immigration, Integration and Sustainability in Small Towns and Villages** Ricard Morén-Alegret,Dawid Wladyka,2019-07-19 This book brings small places to the main stage in an exploration of the nature of immigration in rural areas and small towns in Europe Extending recent efforts to study migration at a sub national scale the authors focus their analysis on non metropolitan areas to consider how globalisation and modernisation processes are experienced at a local level Mor n Alegret and Wladyka weave themes of livelihood social participation justice and equity into human and planetary sustainability debates drawing on quantitative population data as well as qualitative information on challenges for rural and small town sustainability in four different European countries Portugal France Spain and England Highlighting the interlinked relationship between rural sustainability migration and

ethnic diversity this research is a valuable resource for policy makers and academics alike with far reaching implications across geography sociology political science anthropology and environmental sciences     Thinking Orientals Henry

Yu,2002-03-14 Thinking Orientals is a groundbreaking study of Asian Americans and the racial formation of twentieth century American society It reveals the influential role Asian Americans played in constructing the understandings of Asian American identity It examines the unique role played by sociologists particularly sociologists at the University of Chicago in the study of the Oriental Problem before World War II and also analyzes the internment of Japanese Americans during the war and the subsequent model minority profile     *Industrial and Labor Problems ...* Russell Sage Foundation. Library,1928

*Report* Russell Sage Foundation. Library,1929     *Sex and Race in the Black Atlantic* Daniel McNeil,2010-01-27 Drawing on a wide range of sources and a diverse cast of characters this book is the first to place the self fashioning of mixed race individuals in the context of a Black Atlantic and gives particular attention to the construction of mixed race femininity and masculinity during the twentieth century
