Schweller,2014-05 Mixing myth entropy and Angry Birds Randall Schweller brings a novel perspective to international studies Just what exactly will follow the American century This is the question Randall L Schweller explores in his provocative assessment of international politics in the twenty first century Schweller considers the future of world politics correlating our reliance on technology and our multitasking distracted disorganized lives with a fragmenting world order He combines the Greek myth of the Golden Apple of Discord which explains the start of the Trojan War with a look at the second law of thermodynamics or entropy In the coming age Schweller writes disorder will reign supreme as the world succumbs to entropy an irreversible process of disorganization that governs the direction of all physical changes taking place in the universe Interweaving his theory of global disorder with issues on the world stage coupled with a disquisition on board games and the cell phone app Angry Birds Schweller s thesis yields astonishing insights Maxwell s Demon and the Golden Apple will appeal to leaders of multinational corporations and government programs as well as instructors of undergraduate courses in international relations

Oswald Sanders, 2017-07-04 Take time and trouble to keep yourself spiritually fit 1 Tim 4 7 J B Phillips Translation As J Oswald Sanders points out true discipleship is more than intellectual assent to a belief in Christ it involves the whole person and lifestyle True disciples pursue their Master They know that God is watching over their faith but they also take Scripture s command seriously work out your own salvation with fear and trembling for it is God who works in you They take pains by His power to look more and more like Jesus This book will help you to be such a disciple It examines Jesus teaching on what it means to follow Him helping you become the kind of Christian Jesus wants you to be not one devised by man or even other Christians You ll learn The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ but an imitator of Him this book is a treasured resource Includes questions for reflection ideal for both individual and group study **Topsy** Marie Bonaparte, 2024-11-01 Topsy is a psychoanalytic tale of the effects of a dog on its owner the analyst is the great Marie Bonaparte Only after being told that her dog had cancer did she realize the attachment she developed to Topsy She describes the emotions she experienced during the time of Topsy s illness and subsequent healing Written in France and Greece at the onset of World War II the story of Topsy s cancer clearly is intended to convey the ills of Europe at that time Bonaparte s relationship with her dog reveals her own fears about aging dying being alone as well as the uncertainty of the political situation As she tells her story Bonaparte is reminded of the experience of her father who also suffered from cancer Topsy while not written as a scientific study provides insight into the psychoanalytical effects of relationships between humans and animals It tells us much about one of psychotherapy s founding personages as well as the members of her professional circle in a critical period of European history In the new introduction Gary Genosko reflects on Sigmund Freud s own affection for and use of dogs in his analyses He goes on to describe the relationship between Freud and Bonaparte and how dogs played a significant part in that companionship Topsy will be of interest to psychologists psychiatrists and those who love and have been loved by dogs **English Composition for Grammar Schools** Frederick Henry Sykes, 1908 **Legends of the Apple** Alexander Greer Drury, 1904 **Reading the Ovidian Heroine** Kathryn McKinley, 2017-09-18 This study investigates the reception of Ovid s heroines in Metamorphoses commentaries written between 1100 and 1618 The Ovidian heroine offers a telling window onto medieval and early modern clerical constructions of gender and selfhood In the context of classical representations of the feminine the book examines Ovid s engagement of the heroine to explore problems of intentionality The second part of the study presents commentaries by such clerics as William of Orl ans the Vulgate commentator Thomas Walsingham and Raphael Regius illustrating the reception of the Ovidian

heroine in medieval France and England as well as in Renaissance Italy and Germany The works analyzed here show that clerical readings of the feminine in Ovid reflect greater heterogeneity than is commonly alleged Both moralizing summaries and Latin editions used as schooltexts are discussed *Growing Kingdom Character* Tom Yeakley,2014-02-27 We've all seen it before experienced leaders failing due to some type of transgression Author Tom Yeakley believes this happens because character flaws that were always present begin to come forward Based on his 30 plus years of discipleship and coaching experience Yeakley has developed *Growing Kingdom Character* to help current leaders challenge emerging leaders to intentionally developing their character Teaching exercises and Bible study make this practical handbook a must have for those involved in mentoring young leaders The fruit will be integrity maturity and wisdom in a new generation of leaders
