Neither Black Nor White Yet Both Werner Sollors,1997-04-24 Why can a white woman give birth to a black baby while a black woman can never give birth to a white baby in the United States What makes racial passing so different from social mobility Why are interracial and incestuous relations often confused or conflated in literature making miscegenation appear as if it were incest When did the myth that one can tell a person s race by the moon on their fingernails originate How did blackness get associated with the curse of Ham when the Biblical text makes no reference to skin color at all Werner Sollors examines these questions and others in *Neither Black Nor White Yet Both* a new and exhaustively researched exploration of interracial literature In the past interracial texts have been read more for a black white contrast of either or than for an interracial realm of neither nor both and in between Intermarriage prohibitions have been legislated throughout the modern

period and were still in the law books in the 1980s Stories of black white sexual and family relations have thus run against powerful social taboos Yet much interracial literature has been written and this book suggests its pervasiveness and offers new comparative and historical contexts for understanding it Looking at authors from Heliodorus John Stedman Buffon Thomas Jefferson Heinrich von Kleist Victor Hugo Aleksandr Sergeevic Puskin and Hans Christian Andersen to Lydia Marie Child Harriet Beecher Stowe William Wells Brown Mark Twain Charles Chesnutt Kate Chopin Cirilo Villaverde Aluisio Azevedo and Pauline Hopkins and on to modern writers such as Langston Hughes Jessie Fauset Boris Vian and William Faulkner Sollors ranges across time space and cultures analyzing scientific and legal works as well as poetry fiction and the visual arts to explore the many themes and motifs interwoven throughout interracial literature From the etymological origins of the term race to the cultural sources of the Tragic Mulatto Sollors examines the recurrent images and ideas in this literature of love family and other relations between blacks whites and those of mixed race Sollors interdisciplinary explorations of literary themes yield many insights into the history and politics of race and illuminate a new understanding of the relations between cultures through the focus on interracial exchanges Neither Black Nor White Yet Both is vital reading for anyone who seeks to understand what has been written and said about race and where interracial relations can go from here

Hubert Harrison Jeffrey Babcock Perry,2009 This first full length biography of Harrison offers a portrait of a man ahead of his time in synthesizing race and class struggles in the U S and a leading influence on better known activists from Marcus Garvey to A Philip Randolph Harrison emigrated from St Croix in 1883 and went on to become a foremost organizer for the Socialist Party in New York the editor of the Negro World and founder and leader of the World War I era New Negro movement Harrison s enormous political and intellectual appetites were channeled into his work as an orator writer political activist and critic He was an avid bibliophile reportedly the first regular black book reviewer who helped to develop the public library in Harlem into an international center for research on black culture But Harrison was a freelancer so candid in his criticism of the establishment black and white that he had few allies or people interested in protecting his legacy Historian Perry s detailed research brings to life a transformative figure who has been little recognized for his contributions to progressive race and class politics Copyright Booklist Reviews 2008
