Race To The Sky:

A Race to Freedom David Williams, 2018-04-28 Mira Slovak was born in Czechoslovakia and endured both the Nazi occupation and the brutal Russian liberation. He joined the Czech Air force rising to Captain by the age of 21. When he could no longer tolerate life under the Communists, he hijacked an airliner and flew across the Iron Curtain to freedom. He went to work for the CIA and was eventually sent to the US and given a job as Bill Boeing Jr's personal pilot. When Boeing began racing Hydroplanes in the late 1950s, Mira was his driver. During his ten-year career as a hydroplane driver, he won many races and two national championships. He met Presidents and dated movie starlets. After a serious hydroplane accident, Slovak switched to airplanes where he won another national championship. When he retired from racing, he became a stunt pilot and public speaker and talked about the value of freedom and how we should value it above everything else. He outlasted Communism and when it collapsed in 1990, he returned to his home only to realize that his true home was and always would be the United States.

Rolling Thunder Stock Car Racing: Race To Glory Kent Wright, Don Keith, 2014-07-15 The pedal meets the metal in Rolling Thunder Stock Car Racing, the thrilling series from Kent Wright and Don Keith that traces the history of stock car racing from the dusty dirt tracks of East Tennessee to the multi-million dollar high-tech venues of today. In the race to glory, only one man can finish first. For Jodell Lee, it's been an exciting, dizzying climb to the top of the stock car racing circuit. Gone are the days of racing round flat dirt ovals on Sunday afternoons. Stock car racing is big business now. Superspeedways have replaced the dirt tracks. Tens of thousands of fans pack the speedways for every race to watch the likes of Lee, Petty, Junior Johnson, Fireball Roberts, and Jodell Lee thunder around the steep-banked tracks of Darlington and Daytona and Charlotte. But it isn't just the business that's changed. So has Jodell. He now has a wife and a child and also a sponsor. And they're all depending on him to win, expecting him to win. Is the pressure of always having to finish first beginning to take a toll on Jodell? A fiery crash could end his career in *Race to Glory*, the exciting sequel to *White Lightning* and *Road to Daytona*.
