## **Rachel Chance:**

**Rachel's Chance** Georgia Giacobbe, 2004-01-07 Not quite historical fiction not quite historical romance Rachel's Chance explores the journey of Rachel Smithson as she confronts life in 17th century Maryland. Was this journey a life sentence of hardship and disaster? Was she sentenced by marriage? It would take more than her practical nature to overcome her own fears of death, loneliness, and despair. A woman determined to beat the odds and grab her chance in the New World, Rachel tenaciously holds on to her land and her dreams in this novel set near Sainte Marie's. **Last Chance Beauty Queen** Hope Ramsay, 2013-07-30 This romance between a southern belle and a British aristocrat features characters who are enchantingly funny and heartwarming. Dear Reader, Gracious me, my beautiful daughter Rocky sure could use my help. I always knew she wasn't much interested in the local boys, but who'd have thought she'd come home with English royalty? Trouble is, Hugh wants to buy some of our folks' land. We don't want to sell, but Rocky's job depends on her closing the deal. And though Hugh's obviously smitten, I'm not sure he's right for my Rocky. Oh, he's classy and handsome, and you should've seen the way he judged pies and fixed stock cars at our Watermelon Festival, but what do we know about him really? I know I sound like a nervous mother hen, but after forty happy years with my Elbert, all I want is to see my little girl find the same. Well, time for me to quit chattering and get back to Miss Bray's wet set. Always nice talking to you, and remember the Cut n Curl's got hot rollers, free coffee, and the best gossip in town. See you real soon. Ruby Rhodes. Praise for USA Today bestselling author Hope Ramsey's Last Chance series. Ramsay strikes an excellent balance between tension and humor as she spins a fine yarn. Publishers Weekly starred review. Offers up Southern hospitality with a bit of grit. Romance readers will be delighted. Library Journal. Last Chance. South Carolina is a caring community filled with the promise of hope. Come for a visit. Lori Wilde. New York Times bestselling author of The Welcome Home Garden Club. Second Chance Mom Emilie Rose, 2025-02-11 It's the reunion she didn't expect. Rachel Bishop's reckless past is back to haunt her. Her sister's death has made her the guardian of a sullen teen and has brought her home to the secrets she'd run from, starting with Matt Johnston. Matt was the good guy who'd cracked her rebel, rousing teenage veneer. Now the handsome high school coach could destroy her hope of peacefully raising Chastity, the baby she secretly gave up to her sister years ago. To protect Matt and their daughter, Rachel must lie to them, but the heart won't be ignored. If Rachel wants a second chance at family and with Matt, she must take a risk on love. **A Last Chance** Kaz Daum,2010-07-28 Part 1 The Test of Time Icy winds have been blowing continuously for nine days Jon walked slowly towards the drilling site slapping his shoulders to keep warm Normally he was clean shaven but he was now thankful for having grown his beard It has been eight hours since he last felt the warmth of the heated office back at the base camp Now would be the time for a nice mug of steaming hot coffee he thought Through the snow which started as a blizzard at 5 00 a m but had now thankfully dwindled to a steady fall of snow with visibility reduced to ten meters Jon heard the distant faint rumble

of the Powertech drilling machine The drilling had started in the morning of the fourth of November thirteen days ago When they started the weather forecast had been favorable with prospects of clear weather holding for at least the remainder of the month Four days into the drilling their luck had changed for the worse the weather turned without warning into a snow blizzard within a matter of hours It had taken Jon and his two man crew the best part of two hours to try and secure all equipment Because of the extreme windchill factor of 49C they were not successful in locking down all equipment and machinery This had resulted in the loss of one of the two snowmobiles The gusting wind had been so strong that it became impossible to properly secure the twenty meter high mast of the drilling machine During the blizzard it had toppled forward and fallen onto the two snowmobiles that were their only means of transport in this barren stretch of snow and ice filled land known as Antarctica In the past few days Jon has managed to use parts from one of the snowmobiles to render the other serviceable How did this all start he thinks back Its Jons fifty first project with the South African company Eneco Holdings Pty Ltd the company founded and run by his best friend and major shareholder Jason Menton In his twenty six years of service with the company Jon had seen it grow from a small research company with limited resources to presently the largest oil and energy company in South Africa They specialized in offshore oil drilling but on occasion they also extended their expertise to projects like this one At moments like these Jon wished that he had remained on his game farm in the Northern Province back home in South Africa because he did not have to be here In all his years with the company he had received stock options every Christmas Looking through the financial figures of last year presented to him and all other shareholders he once again realized that he could have stopped working twelve years ago when the company found oil in the Atlantic Ocean near Walvis Bay in Namibia The Company had nearly gone bankrupt then and had poured its last reserves and 14 billion from bankers and other investors into this venture Within four months of drilling they found the biggest and most lucrative oil field of the southern hemisphere Jon became an instant multimillionaire but was never able to give up working He tried it for a short period of time and bought a game farm in the Northern Province of South Africa After eight months he got bored and started to hunger for the thrills of his previous vocation Leaving the game farm in the care of his sister and brother in law he returned to his former employer and best friend Now he was stuck here in this unforgiving ice covered landmass He had not felt his fingers for the past six hours but Jon realized This is what I enjoy here I feel at home Because of his profession Jon spent up to 80 percent of the year away from home This had led to a difficult divorce from his high school sweetheart Adel She could not adjust to the lonely days and nights and soon after their marriage she began to enjoy her life by having relationships with other men Soon she found what she called the perfect husband and playmate He was a young Itali
