Bias in the Law Joseph Avery, Joel Cooper, 2020-02-12 Racial bias in the U S criminal justice system is much debated and discussed but until now no single volume has covered the full expanse of the issue In Bias in the Law sixteen outstanding experts address the impact of racial bias in the full roster of criminal justice actors They examine the role of legislators crafting criminal justice legislation community enforcers and police as well as prosecutors criminal defense attorneys judges and jurors Understanding when and why bias arises as well as how it impacts defendants requires a clear understanding how each of these actors operate Contributions touch on other crucial topics racialized drug stigma legal technology and interventions that are vital for understanding how the United States has reached this moment of stark racial disparity in incarceration The result is an important entry into understanding the pervasiveness of racial bias how such bias impacts legal outcomes and why such impact matters This is an issue that is as relevant today as it was fifty or even one hundred fifty years ago and collection editors Joseph Avery and Joel Cooper provide a glimpse at how to proceed *Handbook of Issues in Criminal Justice Reform in the United States* Elizabeth Jeglic, Cynthia Calkins, 2021-12-04 This handbook provides a holistic and comprehensive examination of issues related to criminal justice reform in the United States from a multidisciplinary perspective Divided into five key domains of reform in the criminal justice system it analyzes Policing Policy and sentencing

Reentry Treatment Alternatives to incarceration Each section provides a history and overview of the domain within the criminal justice system followed by chapters discussing issues integral to reform The volume emphasizes decreasing incarceration and minimizing racial ethnic and economic inequalities Each section ends with tangible recommendations based on evidence based approaches for reform Of interest to researchers scholars activists and policy makers this unique volume offers a pathway for the future of criminal justice reform in the United States Bias in the Law Joseph Avery, Joel Cooper, 2020-02-12 Racial bias in the U S criminal justice system is much debated and discussed but until now no single volume has covered the full expanse of the issue In *Bias in the Law* sixteen outstanding experts address the impact of racial bias in the full roster of criminal justice actors They examine the role of legislators crafting criminal justice legislation community enforcers and police as well as prosecutors criminal defense attorneys judges and jurors Understanding when and why bias arises as well as how it impacts defendants requires a clear understanding how each of these actors operate Contributions touch on other crucial topics racialized drug stigma legal technology and interventions that are vital for understanding how the United States has reached this moment of stark racial disparity in incarceration The result is an important entry into understanding the pervasiveness of racial bias how such bias impacts legal outcomes and why such impact matters This is an issue that is as relevant today as it was fifty or even one hundred fifty years ago and collection editors Joseph Avery and Joel Cooper provide a glimpse at how to proceed *Race and Ethnicity in the Juvenile and Criminal Justice Systems* Jennifer Peck, 2018-11-07 Over the last few decades the racial and ethnic composition of the United States has changed dramatically This seismic transformation has important implications for theory research policy and public opinion perhaps most crucially around the topic of race ethnicity and our justice systems Recent national events from Ferguson to ferocious public debate about racism to media depictions of police violence have reawakened the tense question of race relations in the 21st century This edited collection of research aims to highlight contemporary issues surrounding the overrepresentation of racial and ethnic minorities throughout both the juvenile and adult criminal justice systems Our contributors cover both formal sources of social control e g police courts correction facilities and perceptions and public opinions of the relationship between race ethnicity and offending behaviors As the intellectual sphere ignites with fresh debate old questions redefined and new ones asked this publication provides innovative insight into how race and ethnicity interconnect with all aspects of criminology and criminal justice Furthermore it helps encourage directions for future research practice and public policy This book was originally published as a special issue of the *Journal of Crime and Justice*

Key Contested Issues in Criminology and Criminal Justice Anthony Walsh, 2025-09-24 *Key Contested Issues in Criminology and Criminal Justice* addresses the key issues within criminology and criminal justice that are strongly contested among scholars in the field Covering 18 different themes the book identifies the ways in which different issues are contested and demonstrates how biopsychosocial concepts and methods can inform most of them It is divided into four broad sections

The first section examines philosophical issues such as the value of philosophy in criminology criminal justice the role of ideology in our disciplines and the issues of human nature and free will versus determinism The second section explains the biopsychosocial perspective that provides the framework used in exploring the various issues It explores the possibility of integrating the natural sciences with criminology behavioral and molecular genetics evolutionary theory and neuroscience It also considers issues related to child maltreatment brain development and the role of rationality vis vis emotion in decision making The third section examines crime causation and contains chapters on social learning versus control theories radical critical theories the relationship between intelligence and criminal behavior issues of socioeconomic status SES poverty and crime and whether religion is a barrier or bridge to antisocial behavior The final section looks at four issues in criminal justice the police abolition movement the nature of punishment and its justifications by the criminal justice system and issues in sentencing and the death penalty Key Contested Issues in Criminology and Criminal Justice will be of value to students and scholars in criminology and criminal justice as well as to criminal justice practitioners

Racial Disparities in the Criminal Justice System Joan Petersilia, Rand Corporation, 1983 This 2 year study compared the treatment of white and minority offenders at key decision points in the criminal justice processing of approximately 1 400 male prison inmates in California Michigan and Texas Study data came from the California Offender Based Transaction Statistics which tracks offender processing from arrest to sentencing and the Rand Inmate Survey which yielded data from self reports of approximately 1 400 male prison inmates in California Michigan and Texas Prior research on discrimination in the criminal justice system produced controversial and contradictory findings Section II discusses the problems with this research and briefly describes the data and methodology Section III describes the workings of the criminal justice system and identifies racial differences in case processing revealed in some of the data Section IV analyzes more of the data for racial differences in crime commission rates and the probability of being arrested Section V looks at racial differences following the imposition of a court sentence Section VI explores racial differences in offender characteristics specifically crime motivation weapon use and prison violence Section VII summarizes the findings and presents the conclusions of the study Although the case processing system generally treated offenders similarly there were racial differences at two key points Minority suspects were more likely than whites to be released after arrest however after a felony conviction minority offenders were more likely than whites to be given longer sentences and to be put in prison instead of jail There were no statistically significant differences that implied discrimination against minorities in corrections

The Handbook of Measurement Issues in Criminology and Criminal Justice Beth M. Huebner, Timothy S. Bynum, 2016-04-28 This volume of the series was designed to provide a comprehensive primer on the existing best practices and emerging developments in the study and design research on crime and criminology The work as a whole includes chapters on the measurement of criminal typologies the offenders offending and victimization criminal justice organizations and specialized measurement techniques Each chapter is

written by experts in the field and they provide an excellent survey of the literature in the relevant area More importantly each chapter provides a description of the various methodological and substantive challenges presented in conducting research on these issues and denotes possible solutions to these dilemmas An emphasis was placed on research that has been conducted outside of the United States and was designed to give the reader a broader more global understanding of the social context of research The goal of this volume is to provide a definitive reference for professionals in the field researchers and students This volume in the Handbooks in Criminology and Criminal Justice series identifies the principal topical areas of research in this field and summarizes the various methodological and substantive challenges presented in conducting research on these issues In each chapter authors provide a summary of the prominent data collection efforts in the topical area provide an overview of the current methodological work discuss the challenges in the measurement of central concepts in the subject area and identify new horizons emerging in data collection and measurement We encouraged authors to discuss work conducted in an international context and to incorporate discussion of qualitative methodologies when appropriate

Criminal Injustice Robynne Neugebauer,2000-01-01 This volume examines racism within the process of criminal justice In every society criminal justice plays a key role establishing social control and maintaining the hegemony of the dominant economic classes The contributors to this anthology argue that the differential treatment of people of colour and First Nations peoples is due to systemic racism within all levels of the criminal justice system which serves these dominant classes Ideological and cultural changes are preconditions for the success of anti racist policies and practices within the criminal justice system and within other state institutions Recommendations for transformations in justice policy and practice are provided [The Political Roots of Racial Tracking in American Criminal Justice](#) Nina M. Moore,2015-01-26

The race problem in the American criminal justice system persists because we enable it The tendency of liberals to point a finger at law enforcement racial conservatives the War on Drugs is misguided Black as well as white voters Democrat as much as Republican lawmakers President Obama as much as Reagan both Congress and the Supreme Court alike all are implicated We all are The Man Whether the problem is defined in terms of blacks overrepresentation in prisons or in terms of the disproportional use of deadly police force against blacks not enough of us demand that something be done The Political Roots of Racial Tracking in American Criminal Justice is the story of how the race problem in criminal justice is continually enabled in the national crime policy process and why

African Americans and Criminal Justice Delores D. Jones-Brown,Beverly D. Frazier,Marvie Brooks,2014-07-15 Does justice exist for Blacks in America This comprehensive compilation of essays documents the historical and contemporary impact of the law and criminal justice system on people of African ancestry in the United States African Americans and Criminal Justice An Encyclopedia comprises descriptive essays documenting the ways in which people of African descent have been victimized by oppressive laws enacted by local state and federal authorities in the United States The entries also describe how Blacks became disproportionately represented in

national crime statistics largely through their efforts to resist legalized oppression in early American history and present biographies of famous and infamous Black criminal suspects and victims throughout early American history and in contemporary times Providing coverage of law and criminal justice practices from the precolonial period including the introduction of African slaves up to practices in modern day America this encyclopedia presents a frank and comprehensive view of how Americans of African descent have come to be viewed as synonymous with criminality This book represents an essential learning resource for all American citizens regardless of race or age Criminological Perspectives on Race and Crime Shaun L. Gabbidon, 2010-02-25 Ideal for use in either crime theory or race and crime courses this is the only text to look at the array of explanations for crime as they relate to racial and ethnic groups Each chapter begins with a historical review of each theoretical perspective and how its original formulation and more recent derivatives account for racial ethnic differences The theoretical perspectives include those based on religion biology social disorganization strain subculture labeling conflict social control colonial and feminism This new Second Edition includes discussions of Deadly Symbiosis critical race theory criminology comparative conflict theory maximization and abortion race and crime In the closing chapter the author considers which perspectives have shown the most promise in the area of race ethnicity and crime *Race, Ethnicity, Crime and Criminal Justice in the Americas* A. Kalunta-Crumpton, 2012-01-25 This book examines race ethnicity crime and criminal justice in the Americas and moves beyond the traditional focus on North America to incorporate societies in Central America South America and the Caribbean *The Color of Justice* Samuel Walker, Cassia Spohn, Miriam DeLone, 2004 Comprehensive and balanced THE COLOR OF JUSTICE is the definitive book on current research and theories of racial ethnic and gender discrimination within America s criminal justice system The authors synthesize the best and the most recent research on patterns of criminal behavior and victimization police practices court processing and sentencing the death penalty and correctional programs giving your students the facts and theoretical foundation they need to make their own informed decisions about discrimination in the system Uniquely unbiased THE COLOR OF JUSTICE makes every effort to incorporate discussion of all major race groups found in the United States **Race, Crime, and Criminal Justice** Anita Kalunta-Crumpton, 2025-07-10 One of the most controversial topics on the subject of race crime and criminal justice is the disproportionate representation of Blacks in the criminal justice system as offenders and prison inmates Rather than portraying Blacks as perpetual victims of racism in which societal institutions are solely responsible for reform this book seeks to put the power of change in the hands of Blacks It focuses on the preventative role that Blacks might play and considers solution oriented ways to stop this vicious cycle
