Lindquist,2017 The Oxford Handbook of U S Judicial Behavior offers readers a comprehensive introduction and analysis of research regarding decision making by judges serving on federal and state courts in the U S Featuring contributions from leading scholars in the field the Handbook describes and explains how the courts political and social context formal institutional structures and informal norms affect judicial decision making The Handbook also explores the impact of judges personal attributes and preferences as well as prevailing legal doctrine influence and shape case outcomes in state and federal courts The volume also proposes avenues for future research in the various topics addressed throughout the book Consultant Editor for The Oxford Handbooks of American Politics George C Edwards III **Doing Justice in the People's Court** Jon'a Meyer,Paul Jesilow,1997-01-01 Presents research findings on city courts and their processing of misdemeanors illuminating the conditions under which bias is maximized and minimized in the lower courts **Critical Race Judgments** Bennett Capers,Devon W. Carbado,R. A. Lenhardt,Angela Onwuachi-Willig,2022-04-21 By re writing US Supreme Court opinions that implicate critical dimensions of racial justice Critical Race Judgments demonstrates that it s possible to be judge and a critical race theorist Specific issues covered in these cases include the death penalty employment voting policing education the environment justice housing immigration sexual orientation segregation and mass incarceration While some rewritten cases Plessy v Ferguson which constitutionalized Jim Crow and Korematsu v United States which constitutionalized internment originally focused on race many of the rewritten opinions Lawrence v Texas which constitutionalized sodomy laws and Roe v Wade which constitutionalized a woman s right to choose are used to incorporate racial justice principles in novel and important ways This work is essential for everyone who needs to understand why critical race theory must be deployed in constitutional law to uphold and advance racial justice principles that are foundational to US democracy *Topical Bibliography* ,1983 *Preliminary Draft Report of the Second Circuit Task Force on Gender, Racial, and Ethnic Fairness in the Courts* United States. Court of Appeals (2nd Circuit). Task Force on Gender, Racial, and Ethnic Fairness in the Courts,1997 *Research on Sentencing* National Research Council,Division of Behavioral and Social Sciences and Education,Commission on Behavioral and Social Sciences and Education,Committee on Research on Law Enforcement and the Administration of Justice,Panel on Sentencing Research,1983-02-01 *How Do Judges Decide?* Cassia Spohn,2002-01-28 The appropriate amount of punishment for a given crime is an issue that has been debated by scholars philosophers and legal professionals since the beginning of civilizations This book seeks to address this issue in all of its complexity by providing a comprehensive overview of the sentencing process in the United States The book begins by discussing the overall concept of punishment and then proceeds to dissect individual aspects of punishment Topics include the sentencing process

responsibility of the judge disparity and discrimination in sentencing and sentencing reform This book is an ideal text for introductory courses on the judicial system criminal law law and society It can be an essential resource to help students understand patterns in the wide discretion and latitude given to judges when determining punishments within the framework of the United States judicial system **Criminal Justice Theory** Edward Maguire,David Duffee,2015-02-11 Criminal Justice Theory Second Edition is the first and only text edited by U S criminal justice educators on the theoretical foundations of criminal justice not criminological theory This new edition includes entirely new chapters as well as revisions to all others with an eye to accessibility and coherence for upper division undergraduate and beginning graduate students in the field

American Studies Jack Salzman,American Studies Association,1986-08-29 A major three volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988

Invisible Politics Hanes Walton Jr.,1985-06-30 With a view that behavioralism has distorted perceptions of black political activity Hanes Walton Jr here reformulates the assumptions of behavioralism to arrive at a more realistic understanding of the political actions of black Americans Considering the cultural and historical events that have shaped black lives Walton examines voting patterns socialization and the development of political opinion his analysis of leadership includes not only legislative and judicial leaders but also leaders of those organizations so influential in black political culture civil rights churches and grassroots organizations Whether he looks at how local politics have changed through the years of civil rights action or how blacks ideas on foreign policy have developed Walton provides a long needed reassessment of the role of black participation in American politics **Encyclopedia of Crime and Punishment** David Levinson,2002

Authoritative and comprehensive this multivolume set includes hundreds of articles in the field of criminal justice Impressive arrays of authors have contributed to this resource addressing such diverse topics as racial profiling money laundering torture prisoner literature the KGB and Sing Sing Written in an accessible manner and attractively presented the background discussions definitions and explanations of important issues and future trends are absorbing Interesting sidebars and facts reference lists relevant court cases tables and black and white photographs supplement the entries Appendixes cover careers in criminal justice Web resources and professional organizations A lengthy bibliography lists relevant works The Best of the Best Reference Sources American Libraries May 2003 **Criminal Justice Theory** , Unequal Justice Coramae Richey Mann,1993 Examines the role of skin color and the possibility of legal inequities based on race in the American criminal justice system

Losing Generations National Research Council,Division of Behavioral and Social Sciences and Education,Commission on Behavioral and Social Sciences and Education,Panel on High-Risk Youth,1995-02-01 At least 7 million young Americans fully one quarter of adolescents 10 to 17 years old may be at risk of failing to achieve productive adult lives They use drugs engage in unprotected sex drop out of school and sometimes commit crimes effectively closing the door to their own futures And the costs to society are enormous school and social services are overwhelmed and our nation

faces the future with a diminished citizenry This penetrating book argues that the problems of troubled youth cannot be separated from the settings in which those youths live settings that have deteriorated significantly in the past two decades A distinguished panel examines what works and what does not in the effort to support and nurture adolescents and offers models for successful programs This volume presents an eye opening look at what millions of the nation s youths confront every day of their lives addressing How the decline in economic security for young working parents affects their children s life chances How dramatic changes in household structure and the possibilities of family and community violence threaten adolescents development How the decline of neighborhoods robs children of a safe environment How adolescents health needs go unmet in the current system Losing Generations turns the spotlight on those institutions youths need the health care system schools the criminal justice and the child welfare and foster home systems and how they are functioning Difficult issues are addressed with study results and insightful analyses access of poor youths to health insurance coverage inequities in school funding how child welfare agencies provide for adolescents in their care and the high percentage of young black men in the criminal justice system

Crime and Inequality John Hagan,1995 These essays examine how and why inequality affects the patterning of crime and criminal justice They evaluate the merits of various theoretical ideas debates and controversies regarding crime and inequality document the dynamics of inequality in varied crime settings examine methodologies used in exploring the crime inequality relationship and set forth new research and policy agendas for future work

Not Guilty Daniel Givelber,Amy Farrell,2012-06-11 As scores of death row inmates are exonerated by DNA evidence and innocence commissions are set up across the country conviction of the innocent has become a well recognized problem But our justice system makes both kinds of errors we acquit the guilty and convict the innocent and exploring the reasons why people are acquitted can help us to evaluate the efficiency and fairness of our criminal justice system Not Guilty provides a sustained examination and analysis of the factors that lead juries to find defendants not guilty as well as the connection between those factors and the possibility of factual innocence examining why some criminal trials result in not guilty verdicts and what those verdicts suggest about the accuracy of our criminal process

The Many Colors of Crime Ruth D. Peterson,Lauren J. Krivo,John Hagan,2006-08 Considering race and ethnicity as organising principles in why how where and by whom crimes are committed and enforced this volume argues that dimensions of race and ethnicity condition the very laws that make certain behaviours criminal and the determination of who becomes a victim of crime under which circumstances
