Kenneth B. Pyle

Racing The Enemy Stalin Truman And The Surrender Of Japan:

Racing the Enemy Tsuyoshi Hasegawa, 2006-09-30 Hasegawa rewrites the history of the end of World War II in the Pacific by integrating the key actors in the story the US the USSR and Japan From April 1945 when Stalin broke the Soviet Japanese Neutrality Pact and Truman assumed the presidency to the final Soviet military actions against Japan he reveals the real reasons Japan surrendered *Racing the Enemy* Tsuyoshi Hasegawa, 2005 In the first international history of the end of World War II in the Pacific the only book to fully integrate the roles of the United States the Soviet Union and Japan Tsuyoshi Hasegawa traces an intricate diplomatic and military end game as he shatters standard accounts of the Japanese surrender cloth ed book jacket

Racing the Enemy Tsuyoshi Hasegawa, 2005 **Stalin's Curse** Robert Gellately, 2013-03-07 The Second World War almost destroyed Stalin s Soviet Union But victory over Nazi Germany provided the dictator with his great opportunity to expand Soviet power way beyond the borders of the Soviet state Well before the shooting stopped in 1945 the Soviet leader methodically set about the unprecedented task of creating a Red Empire that would soon stretch into the heart of Europe and Asia displaying a supreme realism and ruthlessness that Machiavelli would surely have envied By the time of his death in 1953 his new imperium was firmly in place defining the contours of a Cold War world that was seemingly permanent and indestructible and would last until the collapse of the Berlin Wall in 1989 But what were Stalin s motives in this spectacular power grab Was he no more than a latter day Russian tsar for whom Communist ideology was little more than a smoke screen Or was he simply a psychopathic killer In *Stalin's Curse* best selling historian Robert Gellately firmly rejects both these simplifications of the man and his motives Using a wealth of previously unavailable documentation Gellately shows instead how Stalin s crimes are more accurately understood as the deeds of a ruthless and life long Leninist revolutionary Far from being a latter day Red Tsar intent simply upon imperial expansion for its own sake Stalin was in fact deeply inspired by the rhetoric of the Russian revolution and what Lenin had accomplished during the Great War As Gellately convincingly shows Stalin remained throughout these years steadfastly committed to a boundless faith in Communism and saw the Second World War as his chance to take up once again the old revolutionary mission to carry the Red Flag to the world

Japan in the American Century Kenneth B. Pyle, 2018-10-15 No nation was more deeply affected by America s rise to power than Japan The price paid to end the most intrusive reconstruction of a nation in modern history was a cold war alliance with the U S that ensured American dominance in the region Kenneth Pyle offers a thoughtful history of this relationship at a time when the alliance is changing

Hell to Pay D. M. Giangreco, 2017-10-15 Two years before the atomic attacks on Hiroshima and Nagasaki helped bring a quick end to hostilities in the summer of 1945 U S planners began work on Operation Downfall codename for the Allied invasions of Kyushu and Honshu in the Japanese home islands While other books have examined Operation Downfall D M Giangreco offers the most complete and exhaustively researched consideration of the plans and their implications He explores related issues of the first operational use of the atomic bomb and the Soviet

Union's entry into the war including the controversy surrounding estimates of potential U S casualties Following years of intense research at numerous archives Giangreco now paints a convincing and horrific picture of the veritable hell that awaited invader and defender In the process he demolishes the myths that Japan was trying to surrender during the summer of 1945 and that U S officials later wildly exaggerated casualty figures to justify using the atomic bombs to influence the Soviet Union As Giangreco writes Both sides were rushing headlong toward a disastrous confrontation in the Home Islands in which poison gas and atomic weapons were to be employed as MacArthur's intelligence chief Charles Willoughby succinctly put it a hard and bitter struggle with no quarter asked or given Hell to Pay examines the invasion of Japan in light of the large body of Japanese and American operational and tactical planning documents the author unearthed in familiar and obscure archives It includes postwar interrogations and reports that senior Japanese commanders and their staffs were ordered to produce for General MacArthur's headquarters This groundbreaking history counters the revisionist interpretations questioning the rationale for the use of the atomic bomb and shows that President Truman's decision was based on real estimates of the enormous human cost of a conventional invasion This revised edition of Hell to Pay expands on several areas covered in the previous book and deals with three new topics U S Soviet cooperation in the war against Imperial Japan U S Soviet and Japanese plans for the invasion and defense of the northernmost Home Island of Hokkaido and Operation Blacklist the three phase insertion of American occupation forces into Japan It also contains additional text relevant archival material supplemental photos and new maps making this the definitive edition of an important historical work

Brothers at War: The Unending Conflict in Korea Sheila Miyoshi Jager, 2013-07-01 The most balanced and comprehensive account of the Korean War The Economist Sixty years after North Korean troops crossed the 38th parallel into South Korea the Korean War has not yet ended Sheila Miyoshi Jager presents the first comprehensive history of this misunderstood war one that risks involving the world's superpowers again Her sweeping narrative ranges from the middle of the Second World War when Korean independence was fiercely debated between Roosevelt Stalin and Churchill to the present day as North Korea with China's aid stockpiles nuclear weapons while starving its people At the center of this conflict is an ongoing struggle between North and South Korea for the mantle of Korean legitimacy a brother's war which continues to fuel tensions on the Korean peninsula and the region Drawing from newly available diplomatic archives in China South Korea and the former Soviet Union Jager analyzes top level military strategy She brings to life the bitter struggles of the postwar period and shows how the conflict between the two Koreas has continued to evolve to the present with important and tragic consequences for the region and the world Her portraits of the many fascinating characters that populate this history Truman MacArthur Kim Il Sung Mao Stalin and Park Chung Hee reveal the complexities of the Korean War and the repercussions this conflict has had on lives of many individuals statesmen soldiers and ordinary people including the millions of hungry North Koreans for whom daily existence continues to be a nightmarish struggle The most accessible up to date and

balanced account yet written illustrated with dozens of astonishing photographs and maps *Brothers at War* will become the definitive chronicle of the struggle s origins and aftermath and its global impact for years to come

The Rise of Western Power Jonathan Daly,2013-12-19 The West s history is one of extraordinary success no other region empire culture or civilization has left so powerful a mark upon the world *The Rise of Western Power* charts the West s achievements representative government the free enterprise system modern science and the rule of law as well as its misdeeds two frighteningly destructive World Wars the Holocaust imperialistic domination and the Atlantic slave trade Adopting a global perspective Jonathan Daly explores the contributions of other cultures and civilizations to the West s emergence Historical geographical and cultural factors all unfold in the narrative Adopting a thematic structure the book traces the rise of Western power through a series of revolutions social political technological military commercial and industrial among others The result is a clear and engaging introduction to the history of Western civilization

Becoming Asia Alice Miller,Richard Wich,2011-01-20 This student friendly text details the fascinating history of how Asia has evolved from being little more than a geographic expression to becoming a vibrant assertive region with an increasing impact on global political economic and security affairs

The Atomic Bomb and the Origins of the Cold War Campbell Craig,Sergey Radchenko,2020-08-11 A study of nuclear warfare s key role in triggering the post World War II confrontation between the US and the USSR After a devastating world war culminating in the obliteration of Hiroshima and Nagasaki it was clear that the United States and the Soviet Union had to establish a cooperative order if the planet was to escape an atomic World War III In this provocative study Campbell Craig and Sergey Radchenko show how the atomic bomb pushed the United States and the Soviet Union not toward cooperation but toward deep bipolar confrontation Joseph Stalin sure that the Americans meant to deploy their new weapon against Russia and defeat socialism would stop at nothing to build his own bomb Harry Truman initially willing to consider cooperation discovered that its pursuit would mean political suicide especially when news of Soviet atomic spies reached the public Both superpowers moreover discerned a new reality of the atomic age now cooperation must be total The dangers posed by the bomb meant that intermediate measures of international cooperation would protect no one Yet no two nations in history were less prepared to pursue total cooperation than were the United States and the Soviet Union The logic of the bomb pointed them toward immediate Cold War Sprightly and well argued The complicated history of how the bomb influenced the start of the war has never been explored so well Lloyd Gardner Rutgers University An outstanding new interpretation of the origins of the Cold War that gives equal weight to American and Soviet perspectives on the conflict that shaped the contemporary world Geoffrey Roberts author of *Stalin s Wars*

Bridging the Atomic Divide Harry J. Wray,Seishiro Sugihara,2018-11-29 Harry Wray and Seishiro Sugihara transcend the one sided Tokyo Trial view of the war in an effort to conduct a balanced exchange on historical perception This will be of interest equally to both those inside and outside Japan who are perplexed by Japan s victimization consciousness Through this impassioned and heartfelt dialogue

Wray challenges theories embraced by some Japanese who believe that the US simply used the atomic bombings to make the Soviet Union manageable in the Cold War as alleged by the Hiroshima Peace Museum and in Japanese school history textbooks. They ask why it is the Japanese people don't recognize how the atomic bombings not only spared the further sacrifice of American and Japanese lives by accelerating the end of the war but also prevented a wide scale Soviet invasion of the Japanese mainland had the war continued into the latter half of 1945. While early censorship of writings about Hiroshima and Nagasaki both outright and self-imposed continued through the Occupation, Sugihara proposes that long after the Americans had packed up and gone home the Foreign Ministry established and nurtured a postwar paradigm which rendered open and critical discussion of war related issues such as Pearl Harbor and the atomic bombings impossible for the Japanese public. It is no wonder then that Japanese attitudes towards the atomic bombings remain mired in victimization myths. Uniquely Wray and Sugihara attempt to persuade the Japanese to reexamine their attitudes to Hiroshima and Nagasaki to show that the atomic bombings perversely brought a swift end to the war and helped Japan escape the act of partition which afflicted postwar Germany and remains an intractable problem in a divided Korea. **Cultures of War** John W.

Dower, 2010-09-07 A groundbreaking comparative study of the dynamics and pathologies of war in modern times. Over recent decades Pulitzer winning historian John W. Dower has addressed the roots and consequences of war from multiple perspectives. Here he examines the cultures of war revealed by four powerful events: Pearl Harbor, Hiroshima, 9/11 and the invasion of Iraq in the name of a war on terror. The list of issues examined and themes explored is wide ranging: failures of intelligence and imagination, wars of choice and strategic imbecilities, faith based secular thinking as well as more overtly holy wars, the targeting of noncombatants and the almost irresistible logic and allure of mass destruction. Dower also sets the US occupations of Japan and Iraq side by side in strikingly original ways. He offers comparative insights into individual and institutional behavior and pathologies that transcend cultures in the more traditional sense and that ultimately go beyond war making alone. From publisher description. Screening Enlightenment Hiroshi Kitamura, 2010 Shows how the US's expansive attempt at cultural globalization helped transform Japan into one of Hollywood's key markets. He also demonstrates the prominent role American cinema played in the political reeducation and reorientation of the Japanese.

Strategic Instincts Dominic D. P. Johnson, 2022-08-30 A very timely book. Anne Marie Slaughter, CEO of New America. How cognitive biases can guide good decision making in politics and international relations. A widespread assumption in political science and international relations is that cognitive biases/quirks of the brain we all share as human beings are detrimental and responsible for policy failures, disasters and wars. In *Strategic Instincts*, Dominic Johnson challenges this assumption, explaining that these nonrational behaviors can actually support favorable results in international politics and contribute to political and strategic success. By studying past examples, he considers the ways that cognitive biases act as strategic instincts, lending a competitive edge in policy decisions especially under conditions of unpredictability and

imperfect information Drawing from evolutionary theory and behavioral sciences Johnson looks at three influential cognitive biases overconfidence the fundamental attribution error and in group out group bias He then examines the advantageous as well as the detrimental effects of these biases through historical case studies of the American Revolution the Munich Crisis and the Pacific campaign in World War II He acknowledges the dark side of biases when confidence becomes hubris when attribution errors become paranoia and when group bias becomes prejudice Ultimately Johnson makes a case for a more nuanced understanding of the causes and consequences of cognitive biases and argues that in the complex world of international relations strategic instincts can in the right context guide better performance Strategic Instincts shows how an evolutionary perspective can offer the crucial next step in bringing psychological insights to bear on foundational questions in international politics

Implacable Foes Waldo Heinrichs, Marc Gallicchio, 2017-05-01 On May 8 1945 Victory in Europe Day shortened to V E Day brought with it the demise of Nazi Germany But for the Allies the war was only half won Exhausted but exuberant American soldiers ready to return home were sent to join the fighting in the Pacific which by the spring and summer of 1945 had turned into a gruelling campaign of bloody attrition against an enemy determined to fight to the last man Germany had surrendered unconditionally The Japanese would clearly make the conditions of victory extraordinarily high In the United States Americans clamored for their troops to come home and for a return to a peacetime economy Politics intruded upon military policy while a new and untested president struggled to strategize among a military command that was often mired in rivalry The task of defeating the Japanese seemed nearly unsurmountable even while plans to invade the home islands were being drawn Army Chief of Staff General George C Marshall warned of the toll that the agony of enduring battle would likely take General Douglas MacArthur clashed with Marshall and Admiral Nimitz over the most effective way to defeat the increasingly resilient Japanese combatants In the midst of this division the Army began a program of partial demobilization of troops in Europe which depleted units at a time when they most needed experienced soldiers In this context of military emergency the fearsome projections of the human cost of invading the Japanese homeland and weakening social and political will victory was salvaged by means of a horrific new weapon As one Army staff officer admitted The capitulation of Hirohito saved our necks In Implacable Foes award winning historians Waldo Heinrichs a veteran of both theatres of war in World War II and Marc Gallicchio bring to life the final year of World War Two in the Pacific right up to the dropping of the atomic bombs over Hiroshima and Nagasaki evoking not only Japanese policies of desperate defense but the sometimes rancorous debates on the home front They deliver a gripping and provocative narrative that challenges the decision making of U S leaders and delineates the consequences of prioritizing the European front The result is a masterly work of military history that evaluates the nearly insurmountable trials associated with waging global war and the sacrifices necessary to succeed

The Age of Hiroshima Michael D. Gordin, G. John Ikenberry, 2020-01-14 A multifaceted portrait of the Hiroshima bombing and its many legacies On August 6 1945 in the waning days of World War II

the United States dropped an atomic bomb on the Japanese city of Hiroshima. The city's destruction stands as a powerful symbol of nuclear annihilation but it has also shaped how we think about war and peace the past and the present and science and ethics. *The Age of Hiroshima* traces these complex legacies exploring how the meanings of Hiroshima have reverberated across the decades and around the world. Michael D Gordin and G John Ikenberry bring together leading scholars from disciplines ranging from international relations and political theory to cultural history and science and technology studies who together provide new perspectives on Hiroshima as both a historical event and a cultural phenomenon. As an event Hiroshima emerges in the flow of decisions and hard choices surrounding the bombing and its aftermath. As a phenomenon it marked a revolution in science politics and the human imagination the end of one age and the dawn of another. *The Age of Hiroshima* reveals how the bombing of Hiroshima gave rise to new conceptions of our world and its precarious interconnectedness and how we continue to live in its dangerous shadow today. **Stalin's War** Sean McMeekin, 2021-04-20

A prize winning historian reveals how Stalin not Hitler was the animating force of World War II in this major new history. World War II endures in the popular imagination as a heroic struggle between good and evil with villainous Hitler driving its events. But Hitler was not in power when the conflict erupted in Asia and he was certainly dead before it ended. His armies did not fight in multiple theaters his empire did not span the Eurasian continent and he did not inherit any of the spoils of war. That central role belonged to Joseph Stalin. The Second World War was not Hitler's war it was Stalin's war. Drawing on ambitious new research in Soviet European and US archives *Stalin's War* revolutionizes our understanding of this global conflict by moving its epicenter to the east. Hitler's genocidal ambition may have helped unleash Armageddon but as McMeekin shows the war which emerged in Europe in September 1939 was the one Stalin wanted not Hitler. So too did the Pacific war of 1941-1945 fulfill Stalin's goal of unleashing a devastating war of attrition between Japan and the Anglo Saxon capitalist powers he viewed as his ultimate adversary. McMeekin also reveals the extent to which Soviet Communism was rescued by the US and Britain's self defeating strategic moves beginning with Lend Lease aid as American and British supply boards agreed almost blindly to every Soviet demand. Stalin's war machine McMeekin shows was substantially reliant on American material from warplanes tanks trucks jeeps motorcycles fuel ammunition and explosives to industrial inputs and technology transfer to the foodstuffs which fed the Red Army. This unreciprocated American generosity gave Stalin's armies the mobile striking power to conquer most of Eurasia from Berlin to Beijing for Communism. A groundbreaking reassessment of the Second World War *Stalin's War* is essential reading for anyone looking to understand the current world order.

Hiroshima and the Historians Kenneth B. Pyle, 2024-06-06. The decision to use atomic bombs on Hiroshima and Nagasaki has been considered the most important and perhaps most controversial event in twentieth century history. It ushered in many of the major developments of our time the end of World War II the beginning of the atomic age the establishment of the American world order and the start of the Cold War arms race. Kenneth B Pyle illuminates both the complexities of the event

itself and the debates among historians that continue today as they wrestle with the moral issues of the decision its necessity and its alternatives While producing no final resolution to the controversy historians have nevertheless advanced and deepened our understanding of this event This accessible and thought provoking analysis is a case study in the intricate nature of the historian s craft and a reminder of the value of historians in a free society *The Columbia Guide to Hiroshima and the Bomb* Michael Kort,2007 These primary source documents comprise the largest part of this volume They are organized into seven categories American civilian documents American military documents MAGIC diplomatic summaries Japanese government and military documents and diary entries Japanese surrender documents the United States Strategic Bombing Survey Summary Report and Interrogations of Japanese Officials and Statements of Japanese Officials on World War II compiled by the Military Intelligence Section of the United States Army BOOK JACKET

The Oxford Encyclopedia of American Military and Diplomatic History Timothy J. Lynch,2013 Entries written by renowned diplomatic and military historians as well as key scholars in international relations Provides assessments and analyses of key episodes issues and actors in the military and diplomatic history of the United States Based on the award winning Oxford Companion to United States History Comprehensive collection of entries that span the founding of the U S to its present state Offers a wide range of perspectives to provide an encompassing context of the United States military and diplomatic legacies Expansive bibliographies and suggested readings for each article to aid in research The Oxford Encyclopedia of American Military and Diplomatic History a two volume set will offer both assessment and analysis of the key episodes issues and actors in the military and diplomatic history of the United States At a time of war in which ongoing efforts to recalibrate American diplomacy are as imperative as they are perilous the Oxford Encyclopedia will present itself as the first recourse for scholars wishing to deepen their understanding of the crucial features of the historical and contemporary foreign policy landscape and its perennially martial components Entries will be written by the top diplomatic and military historians and key scholars of international relations from within the American academy supplemented as is appropriate for an encyclopedia of diplomacy with entries from foreign based academics in the United Kingdom and elsewhere The crucial importance of the subject is reflected in the popularity of university courses dedicated to diplomatic and military history and the enduring appeal of international relations IR as a political science discipline drawing on both The Oxford Encyclopedia will be a basic reference tool across both disciplines a potentially very significant market Readership University level undergraduate and graduate students in History

Racing The Enemy Stalin Truman And The Surrender Of Japan Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Racing The Enemy Stalin Truman And The Surrender Of Japan free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Racing The Enemy Stalin Truman And The Surrender Of Japan free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Racing The Enemy Stalin Truman And The Surrender Of Japan free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Racing The Enemy Stalin Truman And The Surrender Of Japan. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as

Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Racing The Enemy Stalin Truman And The Surrender Of Japan any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Racing The Enemy Stalin Truman And The Surrender Of Japan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Racing The Enemy Stalin Truman And The Surrender Of Japan is one of the best book in our library for free trial. We provide copy of Racing The Enemy Stalin Truman And The Surrender Of Japan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Racing The Enemy Stalin Truman And The Surrender Of Japan. Where to download Racing The Enemy Stalin Truman And The Surrender Of Japan online for free? Are you looking for Racing The Enemy Stalin Truman And The Surrender Of Japan PDF? This is definitely going to save you time and cash in something you should think about.
