Real Vikings:

The Vikings Reimagined Tom Birkett, Roderick Dale, 2020-01-20 The Vikings Reimagined explores the changing perception of Norse and Viking cultures across different cultural forms and the complex legacy of the Vikings in the present day Bringing together experts in literature history and heritage engagement this highly interdisciplinary collection aims to reconsider the impact of the discipline of Old Norse Viking Studies outside the academy and to broaden our understanding of the ways in which the material and textual remains of the Viking Age are given new meanings in the present The diverse collection draws attention to the many roles that the Vikings play across contemporary culture from the importance of Viking tourism to the role of Norse sub cultures in the formation of local and international identities Together these collected essays challenge the academy to rethink its engagement with popular reiterations of the Vikings and to reassess the position afforded to reception within the discipline *The Untold History of the Vikings* Martin J. Dougherty, 2016-07-15 Beginning in 789AD the Vikings raided monasteries sacked cities and invaded western Europe They looted and enslaved their enemies But that is only part of their story In long boats they discovered Iceland and America both by accident and also sailed up the Seine to Paris which they sacked They settled from Newfoundland to Russia founded Dublin and fought battles as far afield as the Caspian Sea A thousand years after their demise traces of the Vikings remain all the way from North America to Istanbul They traded walrus with Inuits brought Russian furs to Western Europe and took European slaves to Constantinople Their graves contain Arab silver Byzantine silks and Frankish weapons In this accessible book the whole narrative of the Viking story is examined from the eighth to the 11th century Arranged thematically Vikings A History of the Norse People examines the Norsemen from exploration to religion to trade to settlement to weaponry to kingdoms to their demise and legacy But today questions remain what prompted the first Viking raids What stopped their expansion And how much of the tales of murder rape and pillage is myth *To Find a Viking Treasure* Gina Conkle, 2016-09-13 Norse Series Book 2 Survival s in his blood Rough souled Brandr s ready for a new life far from Uppsala but he can t stop thinking of a certain flame haired thrall named Sestra who gets under his skin Before he leaves for good the Viking has one final task Protect her at all costs Saving others is her purpose A slave since birth Sestra s life has been filled with hardship until she learns of a treasure hoard With war coming claiming the riches will save lives but only one Viking can help her on this journey Brandr the fierce silver eyed scout Chasing more than silver and gold Brandr and Sestra have shared taunts and barbs Now they must share trust in what becomes a desperate bid to survive Passions flare as secrets unfold leading one to make a daring sacrifice that changes everything on their quest To Find a Viking Treasure Conkle s eloquent writing makes every scene shine Publishers Weekly A master at piquing the reader s interest Gina Conkle has crafted a mesmerizing story that evokes strong emotions in readers 4 5 star review RomanceHistoricalLovers com **Haunted Minnesota** Charles A. The Folly of Prayer Matt Woodley, 2010-02-04 Prayer can feel mysteriously difficult boringly perfunctory and frustratingly out of our control Often prayer brings us comfort but sometimes especially when there aren't easy resolutions or prayers go unanswered it intensifies and focuses our sense of longing pain and care And often God uses our times of darkness and desperation to awaken our hearts to the ache within us and the cries of those suffering around us Prayer is all about coming before God to face life head on with all its jagged edges of mystery joy longing and agony In fact says pastor Matt Woodley prayer is actually a real encounter with the untamable God and Father of our Lord Jesus Christ and therefore our experience of it should reflect the power mystery and even risk of entering into relationship with the Lord of the universe In this book Woodley strips away all the religious speak and presuppositions we have about prayer distilling it to the essence of wholehearted engagement with the living God Exploring an earthy unadorned jargon free approach to prayer Woodley unpacks a host of fresh synonyms for God encounters including prayer as desperation invocation mystery astonishment groaning and even absence These marginal ways of praying compel us to engage marginal people the desperate the groaning the victimized and the ignored As we pray God will open our eyes to the pain of the world around us With stories from his own experience and biblical and historical examples Woodley gives fresh language to describe a life grounded in prayer that leads to compassion and service
