Christopher Dunn

Real Worlds Of Canadian Politics:

In Search of Canadian Political Culture Nelson Wiseman, 2011-11-01 What do we really mean by phrases such as western Canadian political culture the centrist political culture of Ontario Red Toryism in the Maritimes or Prairie socialism What historical geographical and sociological factors came into play as these cultures were forged In this book Nelson Wiseman addresses many such questions offering new ways of conceiving Canadian political culture The most thorough review of the national political ethos written in a generation In Search of Canadian Political Culture offers a bottom up regional analysis that challenges how we think and write about Canada Principles of Justice and Real-World Climate Politics Sarah

Kenahan, Corey Katz, 2021-11-26 There is a major divide between the work of normative theorists and concrete climate action or inaction politics and policies In this volume authors tackle the strained relationships between principles of justice and climate politics by responding to real world climate politics and policies offering proposals and analyses that take concerns of feasibility seriously and identifying immediate justice and feasibility concerns with recent proposals for climate action Contributors look at questions of feasibility as they relate to specific international institutions like the IPCC and UNFCCC and widely discussed principles of climate justice including backward looking principles like polluter pays and forward looking principles like ability to pay Others explore the feasibility hurdles and justice concerns that challenge popular mitigation proposals These international and interdisciplinary contributors re think the ways the principles of climate justice should be applied speaking to students research scholars activists and policymakers **Canada in the World** Richard Albert, David R. Cameron, 2018 Marking the Sesquicentennial of Confederation in Canada this book examines the growing global influence of Canada s Constitution and Supreme Court on courts confronting issues involving human rights **Political**

Communication in Canada Alex Marland, Thierry Giasson, Tamara A. Small, 2014-09-21 Changes in technology and media consumption are transforming the way people communicate about politics Are they also changing the way politicians communicate to the public Political Communication in Canada examines the way political parties politicians interest groups the media and citizens are using new tactics tools and channels to disseminate information and also investigates the implications of these changes Drawing on recent examples contributors review such things as the branding of the New Democratic Party how Stephen Harper s image is managed and politicians use of Twitter They also discuss the evolving role of political journalism including media coverage of politics and how Canadians use the Internet for political discussions In an era when political communication from political marketing to citizen journalism is of vital importance to the workings of government this timely volume provides insight into the future of Canadian democracy *Politics and Ideology in Canada* Michael Ornstein, Michael Stevenson, 2003-02-18 Winner of the Harold Adams Innis Prize Politics and Ideology in Canada examines a period of crucial historical change in Canada beginning in the mid 1970s when the crisis of the Keynesian welfare state precipitated a transition to a new political order based on the progressive downsizing of state involvement in the

economy and society Using class and ideology as key concepts Michael Ornstein and Michael Stevenson examine this transition in terms of the nature of hegemony and hegemonic crisis and the conditions of political order and instability These concepts guide the interpretation of three large surveys of representative samples of the Canadian public and two unique elite surveys conducted between 1975 and 1981 The surveys cover an exceptionally broad spectrum of political issues including social programs civil and economic rights economic policy foreign ownership labour relations and language issues and sovereignty A wide ranging analysis of public and elite attitudes reveals a hegemonic order through the early 1980s built around public support for the institutions of the Canadian welfare state But there was also widespread public alienation from politics Public opinion was quite strongly linked to class but not to party politics Regional variation in political ideology on a broad range of issues was less pronounced than differences between Quebec and English Canada Much deeper ideological divisions separated the elites with a dramatic polarization between corporate and labour respondents State elites fell between these two though generally more favourable to capital The responses of the business elites reveal the ideological roots of the Mulroney years in support for cuts in social programs free trade privatization and deregulation

The United States and Canada Paul J. Quirk, 2019 The United States and Canada share the longest border in the world maintain one of the closest alliances and are notably similar in many ways Yet the two countries also have important differences including sharply contrasting political institutions In The United States and Canada Paul J Quirk has gathered a distinguished cast of contributors to present an integrated comparative examination of the political systems of the United States and Canada with special attention to the effects of political institutions and their interaction with political values geographic and demographic factors and other influences The volume explores the differences between the American presidential or separation of powers system and the Canadian parliamentary system focusing on electoral and party systems executive leadership and the legislative process bureaucratic influence and federalism It proceeds to examine patterns of governance in a wide range of issue areas economic policy climate change policy healthcare policy civil rights integration and immigration and abortion and gay rights A sweeping comparative account this volume serves as an authoritative guide for anyone interested in why the two countries differ and where they might be headed

The Politics of Abortion in the United States and Canada Raymond Tatalovich, 1997 Tatalovich political science Loyola U continues his studies on moral conflicts in public policy by examining the differences and similarities by which Canadian and US governments political parties and activists have addressed the issue of abortion He discusses the history of the conflict since the 1950s judicial activism and legislative responses public opinion party politics and elections and federalism and the implementation problem Having proposed models of a politicized America and depoliticized Canada he concludes by comparing social convergence and institutional divergence Paper edition 418 7 21 95 Annotation copyrighted by Book News Inc Portland OR

Canada and the New World Economic Order Thomas James Wesson, 2007

The Government Taketh Away Leslie A. Pal, R. Kent Weaver, 2003-04-01 Democratic

government is about making choices. Sometimes those choices involve the distribution of benefits. At other times they involve the imposition of some type of loss: a program cut, increased taxes, or new regulatory standards. Citizens will resist such impositions if they can or will try to punish governments at election time. The dynamics of loss imposition are therefore a universal if unpleasant element of democratic governance. *The Government Taketh Away* examines the repercussions of unpopular government decisions in Canada and the United States, the two great democratic nations of North America. Pal Weaver and their contributors compare the capacities of the U.S. presidential system and the Canadian Westminster system to impose different types of losses: symbolic losses (gun control and abortion), geographically concentrated losses (military base closings and nuclear waste disposal), geographically dispersed losses (cuts to pensions and to health care), and losses imposed on business (telecommunications deregulation and tobacco control). Theory holds that Westminster style systems, where all things being equal, have a comparative advantage in loss imposition because they concentrate power and authority, though this can make it easier to pin blame on politicians too. The empirical findings of the cases in this book paint a more complex picture: Westminster systems do appear to have some robust abilities to impose losses, and U.S. institutions provide more opportunities for loss avoiders to resist government policy in some sectors. But in most sectors, outcomes in the two countries are strikingly similar. *The Government Taketh Away* is essential for the scholar and students of public policy or comparative policy. It is also an important book for the average citizen who wants to know more about the complexities of living in a democratic society where the government can give but how it can also sometimes painfully taketh away.

The World in Canada David Bercuson, 2008-02-07 Just as Canada is increasingly at home in the world, the world is increasingly finding a home in Canada. *The World in Canada* confronts three questions: What are the implications of the dramatic and sustained shift in the Canadian ethnic mosaic for foreign policy? In what ways do diasporas influence Canadian foreign policy? What impact will and should Canada's demographic changes have on Canadian foreign policy in the long term?

The Oxford Handbook of Canadian Politics John Courtney, John Childs, Courtney, David Smith, 2010-04-29 *The Oxford Handbook of Canadian Politics* provides a comprehensive overview of the transformation that has occurred in Canadian politics since it achieved autonomy nearly a century ago, examining the institutions and processes of Canadian government and politics at the local, provincial, and federal levels. It analyzes all aspects of the Canadian political system: the courts, elections, political parties, Parliament, the constitution, fiscal and political federalism, the diffusion of policies between regions, and various aspects of public policy.

Provinces Christopher Dunn, 2006-08-01 *Provinces* is both a study of Canadian provincial government and a review of comparative politics. As such, it represents a long overdue return to the comparative tradition with its emphasis on subject-specific studies across the country. The chapters in this revised edition of *Provinces*, each of which has been written for the book by a leading scholar, are arranged according to four major sections: political life, institutions, public administration, and public policy, making the book highly suitable for those interested in areas beyond provincial politics. At the same time, the

adopted comparative approach reveals a wealth of insight into Canadian politics at the beginning of the new millennium This new edition covers some of the vital concerns of our time a disquiet about the quality of democracy concern about women s place in provincial societies interest in the nature and potential of governance in the north unease on the question of the fiscal imbalance between all orders of government a sensitivity to the needs of cities and communities assessment of the retrenchment of the state and consideration of the policy futures influenced by the changing demography of the provinces

Special Combined Price Provinces second edition may be ordered together with *The Provincial State in Canada Politics in the Provinces and Territories* at a special discounted price In order to secure the package price the following ISBN must be used when ordering 978 1 55402 587 9

Political Engagement in Canadian City Elections R. Michael McGregor, Laura B. Stephenson, 2024-03-12 Municipal elections in Canada don t look much like those held at the federal and provincial levels A key difference is a significant discrepancy in voter turnout but relatively little is known about why far fewer people vote in city elections Voters show less interest in local government seeing it as less influential than other levels yet they believe their views matter more to local politicians *Political Engagement in Canadian City Elections* explores this apparent contradiction by asking who participates in politics how they go about it and why Drawing from the Canadian Municipal Election Study a novel survey of electors in eight large cities across the country in 2017 and 2018 contributors consider factors ranging from the universal such as the demographic profile of voters or how economic conditions affect them to the specific for example participation in school board and council elections There are more municipal elections than any other kind in Canada The discoveries in *Political Engagement in Canadian City Elections* collectively represent a major leap forward in our understanding of voter activity at the community and municipal level

Canadian Defence Industry in the New Global Environment Alistair D. Edgar, David G. Haglund, 1995-05-01 Alistair Edgar and David Haglund examine changes in the international demand for defence products in the post Cold War era review the reorganization and rationalization of the supply side of the international defence market through various government policy initiatives and corporate strategies and discuss the ways in which the Canadian government and defence producers have attempted to cope with this new and uncertain international environment They also explore the international and domestic contexts military economic and political within which defence industries operate Edgar and Haglund s analysis draws on extensive interviews with political and industry leaders military personnel and government officials from Canada the United States the United Kingdom France Belgium the Netherlands Norway Denmark Spain and Germany This timely study of the domestic American and other NATO defence markets will interest scholars and students of Canadian defence policy Canadian foreign policy and Canadian external relations and public servants politicians and personnel in the industry

Real Worlds Of Canadian Politics Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Real Worlds Of Canadian Politics PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and

empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Real Worlds Of Canadian Politics PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Real Worlds Of Canadian Politics free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Real Worlds Of Canadian Politics Books

What is a Real Worlds Of Canadian Politics PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Real Worlds Of Canadian Politics PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Real Worlds Of Canadian Politics PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Real Worlds Of Canadian Politics PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Real Worlds Of Canadian Politics PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides

basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
