Faking It William Ian Miller, 2003-08-18 This book is about the intrusive fear that we may not be what we appear to be or worse that we may be only what we appear to be and nothing more It is concerned with the worry of being exposed as

frauds in our profession cads in our love lives as less than virtuously motivated actors when we are being agreeable
 charitable or decent Why do we so often mistrust the motives of our own deeds thinking them fake though the beneficiary of
 them gives us full credit Much of this book deals with that self tormenting self consciousness It is about roles and identity
 discussing our engagement in the roles we play our doubts about our identities amidst this flux of roles and thus about

 many ways the Outcast the Misfit Are you one of God s radical few Through The Eye of the Shaman is a handbook for
