Real Ones Four Generations Of The First Family Of Coca-Cola:

The Real Ones Elizabeth Candler Graham, Ralph Roberts, 1992 An intimate look into one of the premier families of the South and the soft drink empire they built A century ago Asa Candler took an obscure patent medicine called Pemberton's Tonic changed its name to Coca Cola and in one move created the greatest marketing success in history Now his great great granddaughter gives the inside story Unpublished photographs The Real Ones Elizabeth Candler Graham, 1995-02-01 Interviews and extensive never before published information and photographs from family archives Learn about America's favorite soft drink from insiders who know all the secrets *Fortune and Folly* Sara A. H. Butler, 2023-11-15 Nestled in the outskirts of Atlanta in a suburb called Druid Hills lies Briarcliff Mansion It sits on Briarcliff Road in the Briarcliff neighborhood surrounded by strip malls and business with Briarcliff in their names The mansion and the land it occupies are owned by Emory University which refers to it as its Briarcliff Campus *Fortune and Folly* in part illuminates the largely lost story of how the mansion and the entire surrounding neighborhood got its name But in order to understand the mansion we have to understand the man who built it Briarcliff Mansion once belonged to a man named Asa Candler Jr or Buddie as friends and family knew him The second son and namesake of Coca Cola founder Asa Griggs Candler Buddie was a wealthy real estate developer of great successes and greater failures A man of big vision and bigger adventures and a socialite whose boisterous unapologetic personality made him both beloved and reviled in the Atlanta community between 1910 and 1950 But after he passed away in 1953 his stories faded from memory either tangled up with or overshadowed by his father It's no mystery why Briarcliff garners attention It's self consciously grandiose built to display maximum grandeur to the neighborhood It towers over the landscape set far back from the road behind a filled in overgrown pool Its face is stitched together where a music hall was added two years after the main house was completed and the bricks don't quite match up *Fortune and Folly* offers a deep dive into the life of Asa Candler Jr to excavate a piece and place of Atlanta history

Corporate Cultures And Global Brands (Second Edition) Albrecht Rothacher,2025-05-28 This insightful volume covers the development of 19 prominent European American and Asian companies from their humble origins to their current status as global operators Each case study comprehensively reviews the changes in the company s corporate structure and the successes and failures of its marketing and branding strategies over time A wide range of business sectors is covered including food and drink retail apparel electronics aviation cars and entertainment Of prime importance for corporate survival and growth in all sectors and countries is the crucial shift from owner founder run companies to consolidated management led corporations The wide spectrum of sectors and countries of origin featured also permits valuable conclusions to be drawn on the persistence of distinctive national management styles and brand images This clearly proves that there are corporate limits to globalisation which companies implementing thoughtless cross national mergers ignore at their peril This second edition has been thoroughly updated and enlarged to cover the crucial and often dramatic corporate developments of the past two decades
