Real People Working In Entertainment:

Real People Working in Entertainment Jan Goldberg, 1999 Gives an insider's view of careers available in the entertainment industry including acting dance music radio and television performing arts production and performing arts management and administration Extraordinary Jobs in Entertainment Alecia T. Devantier, Carol A. Turkington, 2006 Ever wonder who wrangles the animals during a movie shoot What it takes to be a brewmaster How that play by play announcer got his job What it is like to be a secret shopper The new Entertainment Louise Weihart, 2006 Career FAQs Entertainment looks into the working lives of actors musicians entertainers and dancers as well as the designers technicians script writers camera people and stage managers who collectively bring a production to life BOOK JACKET Women in Arts and Entertainment Kristin Marciniak, 2016-08-15 Women have made a difference in every field imaginable and they continue to do so today Women's Lives in History introduces readers to dozens of these remarkable people Women in Arts and Entertainment features groundbreaking figures in dance visual art filmmaking television and many other disciplines Compelling text and vivid photographs bring these women to life Features include essential facts a timeline a glossary additional resources source notes and an index Aligned to Common Core Standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO **Entertainment-Education Behind the Scenes** Lauren B. Frank, Paul Falzone, 2021-03-26 This Open Access book tracks the latest trends in the theory research and practice of entertainment education the field of communication that incorporates social change messaging into entertaining media Sometimes called edutainment social impact television narrative persuasion or cultural strategy this approach to social and behavior change communication offers new opportunities including transmedia and digital formats However making media can be a chaotic process The realities of working in the field and the rigid structures of scholarly evaluation often act as barriers to honest accounts of entertainment education practice In this collection of essays experienced practitioners offer unique insight into how entertainment education works and present a balanced view of its potential pitfalls This book gives readers an opportunity to learn from the successes and mistakes of the experts taking a behind the scenes look at the business of making entertainment education media *Real People and the Rise of Reality Television* Michael McKenna, 2015-06-25 The origins of and in many ways the prototype for modern reality programming can be traced to Real People a show that premiered on the NBC network in April of 1979 An instant ratings success Real People appealed to an audience that clamored for stories about everyday men and women However many of the vignettes focused on individuals who were far from average eccentric collectors allegedly talented performers and inspirational overachievers many of whom could be called quirky if not just plain weird In the wake of the show's success a rash of imitators followed What had started out as a counter programming gamble became the norm and now the television airwaves are littered with reality shows In *Real People and the Rise of Reality Television* Michael McKenna looks at the show that started a trend in television viewing

one that now permeates not only the major networks but almost all of cable channels as well McKenna traces the history of reality programming back to the early days of television up to the late 1970s when networks were beginning to take a chance on non scripted prime time shows The author provides an in depth look at how Real People evolved from profiles of peculiar characters to an almost weekly display of hyper patriotism largely fueled by a desperate desire to recover from the disappointments of the 1970s McKenna also charts the rise of shows that aimed to duplicate Real People s success That s Incredible The People s Court COPS America s Funniest Home Videos and MTV s The Real World Though Real People was cancelled in 1984 reality themed programming flourished and this look at the show s history makes for a fascinating read Fans of nonfiction programs owe a debt to the show that started it all and Real People and the Rise of Reality Television provides readers with insights into how and why one show changed the cultural landscape forever

Vaudeville and the Making of Modern Entertainment, 1890-1925 David Monod,2020-09-28 Today vaudeville is imagined as a parade of slapstick comedians blackface shouters coyly revealed knees and second rate acrobats But vaudeville was also America s most popular commercial amusement from the mid 1890s to the First World War at its peak 5 million Americans attended

vaudeville shows every week Telling the story of this pioneering art form s rise and decline David Monod looks through the apparent carnival of vaudeville performance and asks what made the theater so popular and transformative Although he acknowledges its quirkiness Monod makes the case that vaudeville became so popular because it offered audiences a guide to a modern urban lifestyle Vaudeville acts celebrated sharp city styles and denigrated old fashioned habits showcased new music and dance moves and promulgated a deeply influential vernacular modernism The variety show s off the rack trendiness perfectly suited an era when goods and services were becoming more affordable and the mass market promised to democratize style offering a clear vision of how the quintessential twentieth century citizen should look talk move feel and act

Brokerage and Production in the American and French Entertainment Industries Denise Bielby, Violaine Roussel, 2015-04-09 Invisible Hands in Cultural Markets shines unprecedented light on the activity of talent representatives and production professionals in the American and French film and television industries Agents and other talent brokers studio executives independent producers casting directors and film offices all operate and interact behind the scenes in ways that are consequential to the making of artistic careers and cultural products But even as these professionals play a crucial role in the entertainment industry their activity is usually invisible and relatively unknown This collection of empirically grounded contributions by established and up and coming American and French scholars reveals their day to day reality It presents how entertainment industry professionals work and what they experience demonstrates the ways in which they build relationships with artists and other counterparts and examines the role they play in shaping the content of film and television projects Taken together the chapters put the brokerage of talent and content in comparative perspective They also challenge taken for granted approaches to the study of cultural industries and explore the complex intertwining between commercial and artistic logics

Midgetism Erin Pritchard, 2023-04-14 There exist problematic attitudes and beliefs about dwarfism that have rarely been challenged but continue to construct people with dwarfism as an inferior group within society This book introduces the critical term midgetism which the author has coined to demonstrate that the socio cultural discrimination people with dwarfism experience is influenced by both heightism and disablism As a result it unpacks and challenges the problematic social assumptions that reinforce midgetism within society including the acceptability of midget entertainment and non normate space to demonstrate how particular spaces can either aid in reinforcing or challenge midgetism Drawing on the tripartite model of disability this book demonstrates how midget entertainment is framed as a non normative positivism which makes it an acceptable form of employment Using autocritical discourse analysis the book exposes examines and responds to excuses that are used to reinforce midgetism thus critiquing the numerous beliefs influenced by cultural representations of dwarfism such as people with dwarfism being acceptable figures of entertainment It will be of interest to all scholars and students of disability studies social history sociology and cultural geography
