**The Formation of Pastoral Counselors** Duane R. Bidwell, Joretta L. Marshall, 2012-11-12 Explore the concept of formation in pastoral counseling from a variety of perspectives. Two dozen of the most prominent clinicians and scholars in the field reflect on The Formation of Pastoral Counselors from clinical, theological, and theoretical perspectives. This unique book explores the challenges to the personal and professional formation of pastoral counselors in a cultural and historic context that's radically different from the era when the profession first emerged as a specialized ministry. Contributors examine formation from a variety of contexts and perspectives, including spirituality and gender, address theological education and intercultural issues, and present emerging models for pastoral counselors. The Formation of Pastoral Counselors is a practical guide for educators working to shape curricula and training programs to the shifting context in which pastoral counselors are formed for ministry service and lifelong learning. This unique book examines ideas about appropriate content and processes for the formation of pastoral care professionals and looks at specialized contextual training models that form their emerging identities. The book's contributors call on extensive experience in pastoral theology, care, and counseling to explore the essential components of formation across different contexts, how those contextual realities change the delivery systems, the epistemological nature of formation, reasons for the limited roles that formal theological education and spiritual experience seem to play at the moment, and why formation is rarely formally addressed in pastoral counseling training. Topics discussed in The Formation of Pastoral Counselors include the turn to formation, the goals of theological education, core elements of pastoral theology, developing spiritual practices, diversity, pastoral counseling training programs, race and ethnicity in the formation of pastoral counselors, cultural identity, intercultural contexts, practical relevancy in training, gender identity, and sexual orientation, economic disparity. Models and practices examined in The Formation of Pastoral Counselors include parallel charting, clinician narratives, group supervision, Benedictine spirituality, academic and clinical training at the Claremont School of Theology, the model of formation at the Virginia Institute of Pastoral Care (VIPCARE) and much more. The Formation of Pastoral Counselors is an essential guide for pastoral counselors, faculty in pastoral theological care and counseling, and training directors in pastoral counseling centers.

**The Professionalization of Pastoral Care** T. Dale Johnson, 2020-07-21 When the organization and structure of the church in America was altered in the early 1900s to meet modern demands, the role of the pastorate became more specialized to adapt to the burdens of the new, efficient structure. In 1920, Gaines Dobbins utilized the business efficiency model at Southern Baptist Theological Seminary to formulate a distinct ecclesiology. Discontent with traditional methods of instruction in theological education, Dobbins sought to implement theories and methodologies from modern educationalists. He adopted a psychologized educational methodology and utilized the psychology of religion as an

empirical measure of the soul human nature and human behavior Use of the social sciences seemed to grant Dobbins as a practitioner academic respectability within the realm of theological education Both the professionalization that resulted from Dobbins s efficiency standards and a working theory of human nature derived from psychological models were synthesized into a specialized system of pastoral care Dobbins followed the new shape of pastoral theology in America adopting Clinical Pastoral Education CPE as the model for pastoral training As a result CPE became an integral part of the curriculum at Southern Baptist Theological Seminary for over sixty years and spread to influence many other SBC entities

*Clinical Applications of Rational-Emotive Therapy* Michael E. Bernard, A. **The Effective Pastor** Robert C. Anderson, 1998-10-01 What can I say to parents who have lost an infant Where do I find the time to be a good pastor and a loving husband and father too These are just some of the tough questions most pastors ask at one time or another And the answers don t come

easy Robert Anderson's practical guide to the pastoral ministry highlights the many aspects of a pastor's job: his qualifications, prerequisites and requirements; his relationships with his wife and family, his congregation, those outside the congregation and in counseling and visitation; his tasks including worship services, the Lord's Supper and baptism, evangelism, weddings, funerals and special events; his administrative tasks such as public relations, correspondence, Christian education, youth and music ministries and encouraging fellowship. Here is a volume of excellent ideas, advice and general rules for the contemporary pastor in his ever-changing ministry. *Basic Types of Pastoral Care & Counseling* Howard John Clinebell, Howard Clinebell, Bridget Clare McKeever, 2011. *Basic Types of Pastoral Care and Counseling* remains the standard in pastoral care and counseling. This third edition is enlarged and revised with updated resources, methods, exercises and illustrations from actual counseling sessions. This book will help readers be sensitive to cultural diversity, ethical issues and power dynamics as they practice holistic growth-oriented pastoral care and counseling in the parish. Marriage and Maturity Jason L. Moore, 2025-03-04. Why is marriage so challenging for many couples? The answer to this loaded question is not merely emotional in nature; it is developmental. Most marriage improvement books focus on the need to change behaviors to change the relationship. However, what is usually lacking is the emphasis on personal transformation that is required for lasting progress. *Marriage and Maturity* seeks to fill that gap by offering a new perspective on the missing link in marital fulfillment. Topics include understanding marital maturity vs. immaturity, trauma healing and marital distress, caveats regarding pastoral counseling, challenging the happy wife/happy life principle, why adultery is not a sufficient basis for divorce and strategies for developing marital maturity. *Marriage and Maturity* is sure to challenge views on the traditional approaches to this coveted relationship. This book is for everyone who is hoping to get married, is already married or is counseling married couples. Introduction to Pastoral Counseling Loren L. Townsend, 2009. An in-depth look at who pastoral caregivers are, what they do and how and why they do it. Rational Emotive Behaviour Therapy Integrated Anjali Joshi, K.M. Phadke, 2024-12-30. The therapeutic process and techniques are thoroughly covered along with the wide-reaching applications in real-world scenarios. One of the book's highlights is the inclusion of multiple case studies focusing on psychological disturbances representing different categories of irrational beliefs. Through these cases, readers gain a deeper understanding of psychological disturbances and discover possible remedies. Foundational principles such as unconditional self-acceptance, unconditional acceptance of others and unconditional acceptance of life are vividly explained, empowering readers to grasp these concepts and their potential for personal growth.
