Reason in Exile Manuel Durán, William Kluback, 1994 In 1939 most of the thinkers and philosophers in Catalonia left their native land to evade the encroaching totalitarian forces of Franco Thus began a long exile from which they never returned For the first time in English this book recounts their history and documents their impressive philosophical accomplishments

260 works were written directly in Latin or that he had various books which were originally conceived in Catalan subsequently translated or adapted into Latin
